Date: 2026-10-08

Note: Generated with Haiku 5.5, then independently verified question by question by separate Sonnet agents using fresh searches (two-source rule; claims that could not be confirmed were removed or reworded; ambiguous, unchecked or overlapping questions were dropped). - Passage 2: Pakistan boycott reversal and 2026 match facts largely via search-summary snippets (SCMP, New Arab, Al Jazeera, Wisden); no full articles opened.

Q28. Answer: (B) II only

Explanation: Section 69(1) of the Code on Wages, 2019 repeals the Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965 and the Equal Remuneration Act, 1976. So statement II is correct and statement I wrongly names the Code on Social Security as the repealing Code.
