

CLAT GK - Test 01 - Answer Key

Date: 2026-10-08

Note: First written by Sonnet 5.5 agents from web-search snippets, then independently re-verified question by question by separate Sonnet agents using fresh searches (two-source rule; claims that could not be confirmed were removed or reworded; ambiguous or leaking questions were dropped). 27 questions: three were dropped in verification. Several primary sources were unreachable, so residual risk is listed below. Not reviewed by a human.

Facts resting on a single or secondary source (residual risk):

- Passage 1: ICRA's 7.1% forecast rests on ICRA's own report; the 55.6% of GDP debt figure rests on a PTI copy plus prep sites; Articles 112/113 are sourced to budget documents because the constitution text could not be reached; the MPC outcome of 5-7 Oct 2026 was not found (the passage ends before it).
- Passage 2: the trophy's 6.175 kg weight and Mbappe's 22 career World Cup goals have no FIFA page behind them (several outlets agree).
- Passage 3: the Shanbaug 'court-monitored' wording and the Unni Krishnan 'no professional degree' point rest on summaries that could not be read in full.
- Passage 4: the O'Neill 2001, Yekaterinburg 2009 and Sanya/Durban date details are the thinnest (search snippets only).
- Passage 5: the probe-committee chair and co-chair rest on The Statesman and UNI (possibly one wire); the Kestrel data claim rests on The Register and one aggregator; ISRO's formation date and Sriharikota's district rest on Wikipedia plus one minor source; Q3 and Q5 overlap on ISRO's headquarters.
- Static-GK explanations cite Wikipedia or exam-prep pages in places where a primary text was not reachable.

Passage 1: Budget 2026-27, repo rate holds and a strong Q1 GDP print

Q1. Answer: (D) Article 112

Explanation: Article 112(1) requires the President to cause an estimate of receipts and expenditure for each financial year, the annual financial statement, to be laid before both Houses.

<https://rbi.org.in/SCRIPTS/PublicationsView.aspx?id=9490>

Q2. Answer: (C) Ministry of Statistics and Programme Implementation

Explanation: GDP estimates are released by the NSO under the Ministry of Statistics and Programme Implementation (MoSPI).

<https://thewire.in/government/nssso-cso-merger-what-will-the-centralisation-of-indian-statistics-bring-with-it>

Q3. Answer: (A) Both (A) and (R) are true and (R) is the correct explanation of (A)

Explanation: Salaries of Supreme Court judges, along with debt charges and certain other items, are charged on the Consolidated Fund and are not put to a vote in the Lok Sabha; so R correctly explains A.

<https://rbi.org.in/SCRIPTS/PublicationsView.aspx?id=9490>

Q4. Answer: (C) Both I and II

Explanation: Both are correct: Section 45ZB provides for a six-member MPC with three RBI members and three government-appointed external members, and the target notified under Section 45ZA is 4 per cent with a 2 to 6 per

cent band.

Q5. Answer: (C) I and II only

Explanation: The FRBM Act dates from 2003 (Act 39 of 2003) and, as amended, sets a 3 per cent of GDP fiscal deficit target; the escape clause permits a deviation of up to 0.5 percentage points (one-half per cent), not 1, so III is incorrect.

Q7. Answer: (D) Lionel Messi

Explanation: Lionel Messi was awarded the Golden Ball at the 2022 World Cup and is the only player to have received it twice (2014 and 2022). Mbappe won the 2022 Golden Boot instead.

Q8. Answer: (B) I-A, II-B, III-C, IV-D

Explanation: The 2010 final (Spain v Netherlands) was at Soccer City, Johannesburg; the 2022 final (Argentina v France) at Lusail Stadium, Qatar; the 2026 final at MetLife Stadium; and the 2026 opener at the Estadio Azteca.

Q9. Answer: (A) I only

Explanation: Statement I is correct: Mbappe scored eight goals in 2022, including a hat-trick in the final. Statement II is incorrect: the 2022 final finished 3-3 after extra time and Argentina won 4-2 on penalties.

Q10. Answer: (A) Only one

Explanation: Statements 1, 2 and 3 are correct. Statement 4 is incorrect: the trophy is made of 18-carat gold but is hollow inside, so it is not solid gold throughout, and it weighs about 6.175 kg.

Q11. Answer: (D) Article 15(3)

Explanation: Article 15(3) says nothing in Article 15 prevents the State from making any special provision for women and children.

Source: https://en.wikipedia.org/wiki/Article_15_of_the_Constitution_of_India ; https://mkysy.up.gov.in/women_welfare/pdf/act3.pdf

Q12. Answer: (B) Maneka Gandhi v. Union of India

Explanation: Maneka Gandhi (25 January 1978) held procedure under Article 21 must be fair, just and reasonable, linking Articles 14, 19 and 21 and departing from Gopalan; the lead opinion was by Justice Bhagwati.

Source: https://en.wikipedia.org/wiki/Maneka_Gandhi_v._Union_of_India ; <https://legalfly.in/maneka-gandhi-v-union-of-india/>

Q13. Answer: (B) Both (A) and (R) are true but (R) is NOT the correct explanation of (A)

Explanation: Both statements are true, but the 2002 insertion of Article 21A and the 2009 RTE Act do not explain why the Court read the right into Article 21 in 1993; that was done through interpretation alongside Directive Principles (Articles 41, 45, 46).

Q14. Answer: (D) I-A, II-B, III-D, IV-C

Explanation: Maneka Gandhi 1978; Unni Krishnan 1993; Aruna Shanbaug 2011; Common Cause 2018 (9 March 2018).

Q15. Answer: (A) Only one

Explanation: Only statement 3 is incorrect: Unni Krishnan held free education until age 14 flows from Article 21, and there is no such right to a professional degree. Statements 1, 2 and 4 are correct.

Source: <https://www.escri-net.org/caselaw/2006/unni-krishnan-jp-ors-v-state-andhra-pradesh-ors-cited-1993-air-217-1993-scr-1-594-1993-2> ; <https://nhrc.nic.in/node/111549> ; <https://www.scobserver.in/court-case/euthanasia-living-wills-and-the-right-to-die-with-dignity>

Passage 4: India's BRICS Chairship 2026

Q16. Answer: (D) Shanghai

Explanation: Article 3 of the Agreement on the New Development Bank (signed at Fortaleza, 15 July 2014) places the Bank's headquarters in Shanghai; its first regional office is in Johannesburg.

Source: https://brics.unipr.it/wedit/fileman/Uploads/Agreement_on_the_New_Development.pdf ; <https://www.sanews.gov.za/node/22952>

Q17. Answer: (B) Russia

Explanation: Russia chaired BRICS in 2024 (the Kazan summit, 22-24 October 2024), followed by Brazil in 2025 and India in 2026.

Source: <https://interfax.com/newsroom/top-stories/93857/> ; <https://tvbrics.com/en/news/brazil-officially-becomes-brics-chair-country/>

Q18. Answer: (B) Both (A) and (R) are true but (R) is NOT the correct explanation of (A)

Explanation: Both statements are true: Indonesia was announced as a full member on 6 January 2025, and Brazil chaired BRICS in 2025. Brazil's holding the chair does not explain why Indonesia is a member (its entry was approved by consensus of the members), so R does not explain A.

Q19. Answer: (C) I-D, II-C, III-A, IV-B

Explanation: Sanya, China hosted the 2011 summit (South Africa's first as a full member); New Delhi hosted in 2012; Durban in 2013; Fortaleza in 2014, where the New Development Bank agreement was signed.

Q20. Answer: (C) Both I and II

Explanation: India's earlier chairships were 2012, 2016 and 2021, so 2021 was its most recent before 2026. South Africa was invited to join in December 2010, and BRIC became BRICS.

Q21. Answer: (A) Only one

Passage 5: PSLV-C62 failure and the road to Gaganyaan

Q22. Answer: (B) Satish Dhawan

Explanation: Sriharikota (earlier SHAR) hosts the Satish Dhawan Space Centre, renamed in 2002 in memory of Prof. Satish Dhawan, former ISRO chairman.

Source: https://en.wikipedia.org/wiki/Satish_Dhawan_Space_Centre | <https://spacenews.com/?p=36011>

Q23. Answer: (A) Both (A) and (R) are true and (R) is the correct explanation of (A)

Explanation: Kulasekarapattinam is planned for SSLV launches to Sun-synchronous polar orbits; its southern location allows a straight southward path, whereas launches from Sriharikota have to curve to avoid Sri Lanka.

Source: <https://thewire.in/space/isro-kulasekarapattinam-thoothukudi-sdsc-sriharikota-sslv-pslv-gslv-antrix> | https://en.wikipedia.org/wiki/SSLV_Launch_Complex

Q24. Answer: (C) I-B, II-A, III-C, IV-D

Explanation: ISRO is headquartered in Bengaluru; VSSC is in Thiruvananthapuram; Sriharikota island lies in Tirupati district of Andhra Pradesh; Kulasekarapattinam is in Thoothukudi district, Tamil Nadu.

Q25. Answer: (A) I only

Explanation: PSLV alternates solid-liquid-solid-liquid, so PS3 is solid (HTPB-based). PSLV-D1 in 1993 failed because of an attitude-control problem at stage separation, so the satellite was not placed in orbit.

Source: https://en.wikipedia.org/wiki/Polar_Satellite_Launch_Vehicle | <https://vajiramandravi.com/current-affairs/polar-satellite-launch-vehicle-pslv/>

Q26. Answer: (C) I and III only

Explanation: ISRO succeeded INCOSPAR on 15 August 1969 and is managed by the Department of Space; its headquarters is in Bengaluru, not Thiruvananthapuram (where VSSC is).
