

CLAT Express - September 2026: Answer Key

Multiple-choice passages

Houthi Movement Check

1	A. Ansar Allah (Supporters of God)	The booklet states the Houthi movement is officially known as Ansar Allah, meaning Supporters of God.
2	D. Zaidi Shia Muslims	The booklet says the Houthis are primarily composed of Zaidi Shia Muslims and members of the Houthi tribe.
3	D. Hussein al-Houthi	The booklet names Zaidi religious leader Hussein al-Houthi as the founder, while Abdul-Malik al-Houthi is the current leader.
4	B. Both A and R are true but R is not the correct explanation of A	The booklet gives the Houthi takeover, not the 2017 airport missile attack, as the cause of the Saudi-led intervention.
5	A. I-D, II-C, III-A, IV-B	Hussein al-Houthi was the founder, Abdul-Malik al-Houthi is the current leader, Hadi was Saleh's deputy, and Rashad al-Alimi is President.
6	C. I and III only	Statement II is wrong because the booklet says the Houthis are Zaidi Shia, while statements I and III match the booklet's ideology section.
7	B. Only two	Statements I and III are correct, while the booklet says the Houthis claimed an attack on the airport rather than capturing it.
8	A. 2014	The booklet says the Houthis seized Saada and captured Sanaa in 2014.

Indus Waters Treaty: MCQ practice

1	D. World Bank	The booklet states that the treaty was facilitated by the World Bank.
2	A. Ravi, Beas and Sutlej	The booklet lists the Eastern rivers Ravi, Beas and Sutlej as those over which India has exclusive and unrestricted use.
3	D. Article XII(4)	The booklet quotes Article XII(4) as saying the treaty shall continue in force until terminated by a duly ratified treaty.
4	B. Both A and R are true and R is the correct explanation of A	The booklet states the treaty has no terrorism provisions, which is why the tribunal did not treat cross-border terrorism as a material breach.
5	A. I-B, II-C, III-D, IV-A	The booklet says the Commission meets at least once a year and the Neutral Expert addresses technical differences.
6	C. I and II only	Statement III is wrong because the booklet says the Court of Arbitration consists of 5 members, not three.
7	D. Only two	Statements II and IV are correct, while I and III are contradicted by the booklet, which says India did not participate and the treaty has no terrorism provisions.
8	A. Treaty on Treaties	The booklet notes that the Vienna Convention on the Law of Treaties earns the title 'Treaty on Treaties'.

Cardiff Pact MCQ set

1	D. Michelle O'Neill	Michelle O'Neill, Sinn Fein Vice President, is the Northern Ireland signatory, while party president Mary Lou McDonald only attended.
2	A. Plaid Cymru	The booklet lists Rhun ap Iorwerth as Wales, Plaid Cymru.
3	B. I-C, II-D, III-B, IV-A	Each Act or agreement is matched to the function the booklet assigns to it.
4	C. I and III only	Statement II is wrong because the Good Friday Agreement was signed at Belfast, so only I and III are correct.

5	B. Only two	Statement I is wrong because the agreement was signed at Belfast, while II and III match the booklet.
6	A. 55.8%	The booklet records Northern Ireland at 55.8% Remain, while Scotland was at 62%.
7	C. 1801	The booklet states the Act of Union of 1801 brought Ireland into the United Kingdom.

Act provisions check

1	C. Reduced to 100%	The enacted tariff of up to 100% on the five largest purchasers is a substantial reduction from the 500% original proposal.
2	A. Both A and R are true and R explains A	The Act names no country, but its criteria place major buyers such as India and China within its scope, which explains why India is affected.
3	D. I-D, II-A, III-B, IV-C	The review of purchasers is on a 180-day cycle, the facilitator tariffs target the Top 5, Russian-origin goods face up to 500%, and the Iran Sanctions Act runs through 2031.
4	B. I and III only	Statement II is wrong because the review cycle is 180 days, not 90 days.
5	C. Only two	Statements A and B are correct, while C is wrong because the signing was on 18 September and D is wrong because the Act names no individual country.
6	C. Formal justification to Congress	The Act requires a presidential waiver to come with formal justification to Congress.
7	D. Struck it down	The Supreme Court struck down the broader tariff regime that included the earlier 25% punitive tariff in February 2026.
8	A. Secondary sanctions	The text describes the growing use of secondary sanctions and tariff instruments to influence the behaviour of third countries.

Joint Commission: Practice MCQs

1	A. September 2026, Islamabad	The Commission was operationalised in September 2026, with its inaugural meeting held in Islamabad.
2	D. 2013 Pakistan-China Agreement on Boundary Management System	The Commission originates from the 2013 Pakistan-China Agreement on Boundary Management System.
3	A. Both A and R are true and R is the correct explanation of A	India has rejected the mechanism because, in its view, Pakistan has no locus standi over territory it regards as under illegal occupation.
4	B. I-D, II-C, III-B, IV-A	Khunjerab is the principal overland link, Shaksgam was ceded to China, CPEC runs from Kashgar to Gwadar, and the Joint Commission supervises border management.
5	D. I and III only	The agreement was signed on 2 March 1963 and transferred about 5,180 sq km of Shaksgam Valley, which India has never recognised.
6	A. Only one	The Shaksgam Valley lies north of the Siachen Glacier in the Karakoram region, and India has never recognised the 1963 agreement.
7	C. Gwadar	CPEC connects Kashgar in Xinjiang with Gwadar Port in Balochistan, through Pakistan.
8	A. Khunjerab	The Khunjerab Crossing/Corridor serves as the principal overland connection between China and Pakistan.

Properties of map projections

1	C. Relative areas	Equal-area projections preserve relative areas, as the Equal Earth projection does.
---	-------------------	---

2	B. Only two	Statements I and III are correct, while Equal Earth was created in 2018, not 1973.
3	B. I and II only	Robinson is a compromise projection that preserves no single property exactly, so statement III is incorrect.
4	A. Both A and R are true and R is the correct explanation of A	The booklet states that matching the stretching of parallels with that of meridians is how Mercator preserves shapes.
5	C. I-D, II-A, III-B, IV-C	Gall-Peters was first presented in 1855, Robinson was devised to balance size and shape, Winkel Tripel was created in 1921, and Equal Earth was created in 2018.
6	D. Winkel Tripel	In 1998, the Winkel Tripel projection replaced Robinson in National Geographic Society maps.
7	C. Its rotation and uneven distribution of mass	The booklet attributes the oblate shape to Earth's rotation and uneven distribution of mass.
8	D. 1569	The Mercator projection was introduced in 1569 by Gerardus Mercator.

CEC Appointment and Removal: MCQ Set

1	D. A is false but R is true	Article 326 guarantees adult suffrage, not a fundamental right to vote, while Kuldip Nayar held the right to vote is statutory, so A is false and R is true.
2	C. I-B, II-D, III-A, IV-C	Article 325 bars exclusion from rolls, Article 326 guarantees adult suffrage, Article 324 gives supervisory authority, and Articles 327 and 328 let the ECI act where laws are silent.
3	D. Election Commission (Conditions of Service of Election Commissioners and Transaction of Business) Act, 1991	The 2023 Act replaced the Election Commission (Conditions of Service of Election Commissioners and Transaction of Business) Act, 1991.
4	B. I and III only	Statement I and III are correct, while statement II is wrong because the CEC is not eligible for re-appointment.
5	C. Only two	Statements I and II are correct, and statement III is wrong because the Act allows the Selection Committee to function despite vacancies.
6	A. Mohinder Singh Gill v. Chief Election Commissioner (1977)	The Mohinder Singh Gill judgment (1977) is described as a cornerstone for defining the ECI's plenary powers under Article 324.
7	D. 25 January	National Voters' Day is celebrated on 25 January since 2011 to mark the ECI's foundation on 25 January 1950.
8	A. V.S. Ramadevi	V.S. Ramadevi was the first woman CEC and held the shortest tenure, of 16 days.

Programme 2.0 and Its Pillars

1	A. July 2026	The booklet states that Semicon India Programme 2.0 was approved in July 2026.
2	C. Rs 1,27,500 crore	The booklet gives the enhanced outlay of Programme 2.0 as Rs 1,27,500 crore.
3	A. 12	The booklet states that 12 semiconductor projects have been approved across 6 States.
4	D. A is false but R is true	Programme 2.0 is described as giving sustained, long-term support, so the assertion is false while the reason is true.
5	B. I-D, II-A, III-B, IV-C	The booklet links the C2S Programme to EDA tools, DLI to over 5 years, PLI to incremental sales and the ChipIN Centre to C-DAC.

6	C. I and III only	Talent development and advanced packaging are two of the six pillars, while the original programme was launched in 2021 and 2.0 was approved in July 2026.
7	D. C2S Programme and DLI Scheme	The booklet states that the ChipIN Centre at C-DAC was established under the C2S Programme and the DLI Scheme.

Framework and rules check

1	B. 15 October 2026	The booklet states that the new MDR framework comes into effect from 15 October 2026.
2	C. 0.4%	The mid-value slab attracts an MDR of 0.40% of the transaction value.
3	A. 2020	The booklet says the zero-MDR policy was introduced in 2020 to encourage digital adoption.
4	B. I-C, II-A, III-D, IV-B	Capital-market payments carry 0.02% MDR, P2P payments are exempt, and sector-specific payments attract a flat ₹5 per transaction.
5	A. I and II only	MDR is not a government tax and its revenue stays within the payment ecosystem, so statement III is wrong.
6	B. Only two	The booklet places NPCI's headquarters in Mumbai, so statement III is wrong and statements I and II are correct.
7	D. Mumbai	The booklet lists NPCI's headquarters as Mumbai, Maharashtra.

Finance, Trade and Customs MCQs

1	B. Only two	Only statements II and III match the booklet, since the Risk Lab is in GIFT City and the Task Force uses local currencies.
2	C. Authorised Economic Operator Action Plan 2026	The booklet states that the summit launched the BRICS Tax Cross-Learning Lab and the Authorised Economic Operator Action Plan 2026.
3	D. I and II only	Statements I and II match the booklet, while statement III is wrong because the Payment Task Force uses local currencies.
4	B. GIFT City, Gujarat	The booklet places the BRICS Risk Lab in GIFT City, Gujarat, where it aims to strengthen reinsurance capabilities.
5	C. I-B, II-D, III-A, IV-C	The Risk Lab matches C, the Jaipur Consensus matches D, the Startup Fund matches A and the Payment Task Force matches B, per the booklet.
6	A. Unpaid invoices	The booklet says the Jaipur Consensus helps MSMEs convert unpaid invoices into working capital.
7	B. Local currencies	The booklet states that the Payment Task Force facilitates trade settlements through local currencies.

26th SCO Summit: MCQ set

1	B. Beijing	The SCO Secretariat is the permanent administrative body and is located in Beijing, China.
2	C. 2023	Iran joined as a full member in 2023, after India and Pakistan had become full members in 2017.
3	A. Bishkek Declaration	The Bishkek Declaration was adopted as the summit's principal political document, while the New Delhi Declaration came from India's 2023 summit.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the economic role of the Heads of Government council does not explain why the Heads of State council is the highest body.

5	D. I-D, II-C, III-A, IV-B	The Shanghai Five was created in 1996, the Charter was signed in 2002, Iran joined in 2023 and Belarus became a full member in 2024.
6	A. I and II only	Statements I and II are correct, while III is wrong because India became an observer in 2005 and a full member only in 2017.
7	C. Only two	The dates and India's representation are correct, while Sadyr Japarov, not Kassym-Jomart Tokayev, chaired the summit.
8	D. Lahore	Lahore has been designated SCO Tourism and Cultural Capital for 2026-27.

UNGA, P4M and India's Stand

1	A. Fuel, Food, Fertiliser, Finance	India highlighted global consequences of disruptions involving fuel, food, fertiliser and finance.
2	B. I-B, II-C, III-D, IV-A	The Arctic Council was set up in 1996, the V4 in 1991, and Pituffik was formerly Thule Air Base.
3	D. I and III only	Statement II is wrong because India pursued UNSC reform through the G4 and L.69 groupings.
4	B. Only two	Statement III is wrong because the Arctic Council was established in 1996 through the Ottawa Declaration.
5	A. Denmark	The booklet lists Denmark as the current Arctic Council chair for 2025-2027.
6	C. Permanent membership of the UN Security Council	The V4 unanimously supported India's candidature for permanent membership of the UN Security Council.

Reading the Index

1	C. Iceland	The booklet states that Iceland retained the 1st position for the 17th consecutive year.
2	B. 2006	The booklet says the report was introduced in 2006 by the World Economic Forum.
3	D. I and III only	The report was introduced in 2006 and is an annual flagship publication, so statements I and III are correct.
4	B. Both A and R are true but R does not explain A	The booklet states both facts, but the Reason describes the Forum's base and status rather than explaining why it was founded.
5	C. 20th	The booklet states that the 2026 report is the 20th edition.
6	C. Only three	The four dimensions are Economic Participation and Opportunity, Educational Attainment, Health and Survival and Political Empowerment, so Social Security Coverage is not one of them.
7	B. 145	The booklet describes India's 131st position among 145 countries covered.

Sarvekshan rankings check

1	B. Only two	Statements I and III are correct, while Kalinganagar (not Angul) was first in Category III.
2	B. Firozabad and Guntur	Firozabad and Guntur were joint second in Category II with 195 points each.
3	C. I and III only	Statement I and III are correct, while Indore (not Jabalpur) was second in Category I.
4	C. Indore	Indore secured the 2nd position in Category I with a score of 197, behind Lucknow (198).

5	D. I-D, II-C, III-B, IV-A	Lucknow topped Category I, Rourkela topped Category II, Kalinganagar topped Category III and Amravati was third in Category II.
6	A. Delhi	Delhi was ranked 30th in Category I of the 2026 Sarvekshan.
7	D. Kalinganagar	Kalinganagar (Odisha) emerged as the Category III leader with 198.5 points, ahead of Angul (196.5) and Talcher (193.5).

EOS-05 launch and imaging check

1	B. GSLV-F17	The booklet states that EOS-05 was launched aboard GSLV-F17.
2	D. 2,367 kg	The booklet gives the approximate mass of EOS-05 as 2,367 kg.
3	A. Both A and R are true and R is the correct explanation of A	The booklet says a geosynchronous imaging platform gives persistent, wide-area monitoring, which is why the altitude explains the capability.
4	C. I-D, II-C, III-A, IV-B	The booklet links MEO to GNSS, VLEO to very high resolution, GEO to a fixed ground point and sun-synchronous orbit to consistent solar illumination.
5	C. I and II only	The booklet gives the third stage as cryogenic, so statement III is wrong while statements I and II are stated facts.
6	B. Only two	The booklet describes EOS-05 with optical and infrared payloads, so statement I is wrong while II and III are correct.
7	D. Eye in the Sky	The booklet gives the nickname of EOS-05 as 'Eye in the Sky'.
8	A. It provides persistent, wide-area monitoring instead of intermittent passes	The booklet says a LEO satellite sees a location only when it passes overhead, while a geosynchronous platform gives persistent, wide-area monitoring.

Disputes at Sea, Land and Lake

1	A. 3 nautical miles	Article 10 of the agreement says such ships and submarines should not approach within 3 nautical miles of each other in international waters.
2	C. 6 April 1991	The booklet states that the agreement was signed on 6 April 1991.
3	C. A is true but R is false	A is true because the agreement aims to reduce accidents, but R is false because Article 10 says such ships should not approach within 3 nautical miles.
4	D. I-C, II-D, III-B, IV-A	The Falklands lie roughly 480 km from Argentina's coast, Lake Ontario is the smallest Great Lake, COLREGs set navigation rules, and the Welland Canal links Lake Ontario to Lake Erie.
5	B. II and III only	Lake Ontario is the smallest of the five Great Lakes by surface area, so statement I is false, while II and III are stated in the booklet.
6	B. Only two	Statements I and III are correct, while II is wrong because Argentina became independent from Spain in 1816.
7	A. 99.8	The booklet states that approximately 99.8% of participating islanders voted to retain British Overseas Territory status.
8	D. Spain	The booklet states that Argentina argues it inherited Spain's territorial claims as successor to Spanish colonial possessions in the region.

Blue Bonds and the Navier-Stokes Claim

1	A. Green bonds	The booklet describes the blue bond as a thematic sub-category of green bonds.
2	D. Seven	The booklet states the Clay Mathematics Institute designated seven Millennium Prize Problems in 2000.

3	B. Only two	Statements A and B are in the booklet, while C (2010) and D (2019) contradict the booklet's dates.
4	B. A computer-based proof assistant	The booklet describes Lean as a computer-based proof assistant designed to check mathematical arguments step by step.
5	D. I and II only	Statement III is false because the booklet says the fluid equations describe air as well as water and honey.
6	C. Belize	The booklet states that Belize implemented a Debt-for-Ocean Swap in 2021 to support marine conservation.

Type-in-the-answer passages

Peace Deals Recall

1	13	The booklet dates the Stockholm Agreement to 13 December 2018, reached in Sweden.
2	2451	The booklet says the Security Council endorsed the Stockholm Agreement under resolution 2451 (2018).
3	3	The Stockholm Agreement has three main components: the Hudaydah, Prisoner Exchange and Taiz agreements.
4	UN	The booklet says a UN-chaired committee including both sides oversees the withdrawal of forces.
5	Houthis	The booklet says the Houthis will withdraw from the ports and from Hodeidah City under the agreement.
