

# CLAT GK - Test 01 - Answer Key

Date: 2026-10-08

**Note:** PILOT test written by Sonnet 5.5 agents from web-search snippets. It has NOT gone through the independent verification pass that Tests 2 and 3 received, so treat every fact as unverified. Known weak spots: the Budget figures (capex and expenditure totals), FRBM details and Articles 112/113 rest on secondary sources; the Jaya Thakur judgment date is disputed (30 Jan vs 20 Jan 2026); BRICS 'New Delhi 2012' and the member count are unconfirmed; the PSLV-C62 inquiry committee and Gaganyaan timeline rest on press reports.

## Passage 1: Budget 2026-27, repo rate holds and a strong Q1 GDP print

**Q1. Answer: (A) Article 112**

Explanation: Article 112(1) requires the President to cause an estimate of receipts and expenditure for each financial year, the annual financial statement, to be laid before both Houses.

Source: <https://www.constitutionofindia.net/articles/article-112-annual-financial-statement/>

**Q2. Answer: (B) Ministry of Statistics and Programme Implementation**

Explanation: GDP estimates are released by the NSO under the Ministry of Statistics and Programme Implementation (MoSPI).

**Q3. Answer: (A) Both (A) and (R) are true and (R) is the correct explanation of (A)**

Explanation: Article 112(3) lists charged expenditure, including salaries of Supreme Court judges and debt charges, which is not voted upon; so R correctly explains A.

Source: <https://www.constitutionofindia.net/articles/article-112-annual-financial-statement/>

**Q4. Answer: (C) I-B, II-A, III-D, IV-C**

Explanation: Article 112 covers the annual financial statement and Article 113 the Demands for Grants; the inflation target is 4 per cent (2 to 6 per cent band); Section 45ZB of the RBI Act provides for the MPC.

Source: <https://www.constitutionofindia.net/articles/article-112-annual-financial-statement/>

**Q5. Answer: (C) Both I and II**

Explanation: Both are correct: Section 45ZB provides for a six-member MPC with three RBI members and three government-appointed external members, and the target is 4 per cent with a 2 to 6 per cent band on CPI Combined.

**Q6. Answer: (B) I and II only**

Explanation: The FRBM Act dates from 2003 and prescribed a 3 per cent of GDP fiscal deficit; the escape clause permits a deviation of up to 0.5 percentage points, not 1, so III is incorrect.

**Q9. Answer: (A) Both (A) and (R) are true and (R) is the correct explanation of (A)**

Explanation: Both statements are true. The Azteca had hosted matches at the 1970 and 1986 World Cups, so the 2026 opener made it the first stadium to stage matches at three different World Cups; the earlier two editions are exactly what makes 2026 its third.

**Q11. Answer: (A) I only**

Explanation: Statement I is correct: Mbappe scored eight goals in 2022, including a hat-trick in the final. Statement II is incorrect: the 2022 final finished 3-3 after extra time and Argentina won 4-2 on penalties.

**Q12. Answer: (A) Only one**

Explanation: Statements 1, 2 and 3 are correct. Statement 4 is incorrect: the trophy is hollow, which is why it weighs about 6.175 kg rather than the 70-80 kg a solid gold version would.

**Q15. Answer: (B) Both (A) and (R) are true but (R) is NOT the correct explanation of (A)**

Explanation: Both statements are true, but the 2002 insertion of Article 21A and the 2009 RTE Act do not explain why the Court read the right into Article 21 in 1993; that was done through interpretation alongside Directive Principles (Articles 41, 45, 46).
