

CLAT GK - Test 05 - Answer Key

Date: 2026-10-08

Note: Generated with Haiku 5.5, then independently verified question by question by separate Sonnet agents using fresh searches (two-source rule; claims that could not be confirmed were removed or reworded; ambiguous, unchecked or overlapping questions were dropped). Several primary sources were unreachable, so residual risk is listed below. Not reviewed by a human.

Facts resting on a single or secondary source (residual risk):

- Passage 1: the Tamil Nadu elephant-corridor notification is backed only by exam-prep aggregators plus one newspaper; the Article 14/32 match items and the fundamental-duties question rest on legal and exam-prep sites (constitution text not retrieved); the Ramsar Convention fact was not confirmed on ramsar.org.
- Passage 2: the Sahitya Akademi 1954 date rests on the official site plus Wikipedia; the Phalke 1969 date on Wikipedia, the DFF page and a PIB note.
- Passage 3 is short (about 297 words); the 'Foreign Training Node' name and the Mountain Guardian details all trace back to one official release carried by UNI, GKToday and AIR.
- Passage 4: the 9.1% services-growth figure rests on Deccan Chronicle and the FM's statement via AIR (a thinner pairing); the core-sector figure is the provisional release (the official December figure was later revised to 4.7%).
- Passage 5: the opening-ceremony detail rests mostly on pre-event previews (photo captions confirm it took place).
- Static-GK explanations cite Wikipedia or exam-prep pages in places where a primary text was not reachable.

Explanation: Section 45ZB, inserted through the Finance Act 2016, constitutes the six-member Monetary Policy Committee, with three RBI members and three members appointed by the Central Government. The other three bodies are not constituted under that section.

Q21. Answer: (A) I-B, II-C, III-D, IV-A

Explanation: Article 112 provides for the annual financial statement, Article 113 for demands for grants, Article 114 for withdrawal from the Consolidated Fund only under an appropriation law, and Article 110 defines money bills.

Q22. Answer: (C) Both I and II

Explanation: Both statements are true. DGCI&S, under the Department of Commerce in the Ministry of Commerce and Industry, compiles monthly merchandise trade statistics from daily trade returns received from Customs formations and Special Economic Zones.

Source: <https://www.commerce.gov.in/?p=3416> ; <https://commerce.gov.in/trade-statistics> ; https://www.dgciskol.gov.in/faq_2017.aspx

Q23. Answer: (B) Both (A) and (R) are true but (R) is NOT the correct explanation of (A)

Explanation: Both statements are true. Introduction only in the Lok Sabha concerns the origin of a Money Bill under Article 109, whereas the Rajya Sabha's recommendatory role arises after the Lok Sabha has passed the bill. The reason therefore describes a later stage and does not explain the assertion.

Explanation: Statements I and II are correct, as the Survey gives a FY27 growth range of 6.8 to 7.2 per cent and a medium-term potential growth of about 7 per cent. Statement III is wrong because the Survey's FY27 range does not reach 8 per cent.

Passage 5: Milano Cortina 2026 Winter Olympics: Venues, Medals and Final Day

Q25. Answer: (C) Citius, Altius, Fortius

Explanation: 'Citius, Altius, Fortius' (swifter, higher, stronger) is the traditional Olympic motto, conceived by Pierre de Coubertin. 'Veni, Vidi, Vici', 'Ad Astra' and 'Semper Fidelis' are not Olympic mottos.

Explanation: Sapporo hosted the Winter Games in 1972 (I-B), Lillehammer in 1994 (II-D), Sochi in 2014 (III-A) and Beijing in 2022 (IV-C). Each other option pairs at least one host with a wrong year.

Q28. Answer: (C) (A) is true but (R) is false

Explanation: A is true: the IOC's headquarters, Olympic House, is in Lausanne on the shore of Lake Geneva and was formally opened in June 2019. R is false: Lausanne is a city on Lake Geneva and is not the national capital of Switzerland.

Q30. Answer: (C) I and II only

Explanation: Statements I and II are correct: the 1900 Games were held in Paris within the Exposition Universelle and were spread over about five months. Statement III is false because the 1900 Games were held in Paris, not London. The answer is 'I and II only'.
