

CLAT GK - Test 06 - Answer Key

Date: 2026-10-08

Note: Generated with Haiku 5.5, then independently verified question by question by separate Sonnet agents using fresh searches (two-source rule; claims that could not be confirmed were removed or reworded; ambiguous, unchecked or overlapping questions were dropped). Several primary sources were unreachable, so residual risk is listed below. Not reviewed by a human.

Facts resting on a single or secondary source (residual risk):

- Passage 2: constitutionofindia.net unreachable from harness (DNS failure); all Article texts confirmed via secondary legal-text reproductions (courtbook, taxmanagementindia, writinglaw, vidhijudicial), not the primary site directly.
- Passage 2: Q8 (Arts 164, 163, 158, 165) confirmed from search-result summaries of legal-text and explainer sites only; no page fetched.
- Passage 2: Q6 (Art 200 reserve Bill) rests on search summaries (gktoday, forumias, aaptaxlaw, siasat); no primary text fetched.
- Passage 2: Q4 (Art 239AA) rests on explainers (lotusarise, forumias, drishti) plus a 2002 Lok Sabha reply; constitution text not fetched.
- Passage 2: Q5 match: Arts 155, 361, 213, 166 confirmed from legal-text/exam-prep sites via snippets; Art 361 immunity wording from vajiramandravi/iasgyan (exam-prep).
- Passage 2: Passage: whether R.N. Ravi is full or acting Governor of West Bengal is unclear in reports; sentence says only 'moved ... in his place'.
- Passage 2: Hasnain '43rd' confirmed by governor.bih.nic.in and newsonair; one Patna Press item says '30th' (apparent error).
- Passage 2: Passage is very short (~127 words); writer flags (Shukla/Varma moves, oath dates) were checked and confirmed but not added.
- Passage 3: Constitutional article questions (Art 170, 172, 326, 324/325/329, 164) rest on constitutionofindia.net, India Code mirrors and exam-prep pages; no India Code page fetched directly.
- Passage 3: Q5 statement II (Rajya Sabha indirect, outside Art 326) rests on exam-prep pages (iasgyan, Drishti) plus the Supreme Court judgment snippet.
- Passage 3: Bhabanipur margin: reports give 15,105 (EC tallies) and 15,114 (Statesman, ETV Bharat); passage says only 'more than 15,000', which is safe.
- Passage 3: Search snippets only for most news claims; WebFetch pages not opened. Passage is short (about 108 words).
- Passage 4: Q1 Art 51A(h) wording confirmed only via secondary sites (Leaflet, exam-prep); constitution text unreachable (legislative.gov.in unresolvable).
- Passage 4: Q8 BSI under MoEFCC rests on moef.gov.in plus Wikipedia only.
- Passage 4: Q4 ICMR-MoHFW: ICMR/DHR pages plus search summaries; Wikipedia not relied on. GSI-Mines and Sol-DST via ministry docs/PIB; primary pages unfetchable (WebFetch DNS failed).
- Passage 4: Q2 ISRO 1969 rests on Wikipedia and Britannica; exact day varies across sources.
- Passage 4: Q5 NBA Chennai: Act text via advocatekhaj (third-party reproduction), WII and news; indiacode unreachable.
- Passage 4: Passage: ISRO-AIIMS signing date is 10 March per ISRO but 9 March per other outlets; Zootaxa date unstated. Passage is short after trimming unverified sentences.
- Static-GK explanations cite Wikipedia or exam-prep pages in places where a primary text was not reachable.

Passage 1: New CPI Series and Startup Fund

Q1. Answer: (A) 4 per cent with a tolerance band of 2 per cent

Explanation: The central government, in consultation with the RBI, retained a CPI inflation target of 4 per cent with a tolerance band of 2 per cent (upper 6 per cent, lower 2 per cent) for 1 April 2026 to 31 March 2031.

Q2. Answer: (A) Both (A) and (R) are true and (R) is the correct explanation of (A)

Explanation: Both statements are true. Category III is defined by the trading approach the regulations describe (diverse or complex strategies, including leveraged derivative use), which is the reason such funds fall in that category.

Q3. Answer: (B) Ministry of Commerce and Industry

Explanation: DPIIT is a department under the Ministry of Commerce and Industry. It was renamed from the Department of Industrial Policy and Promotion in January 2019.

Q4. Answer: (D) I-C, II-B, III-A, IV-D

Explanation: Each body rests on its own statute: SEBI on the SEBI Act, 1992; the RBI on the RBI Act, 1934; the census on the Census Act, 1948; and SIDBI on the SIDBI Act, 1989. So I-C, II-B, III-A, IV-D.

Q5. Answer: (A) I only

Explanation: Statement I is true: the committee has six members (the Governor, the Deputy Governor in charge of monetary policy, one RBI officer, and three external members). Statement II is false, because the Governor is its chairperson. Only I is correct.

Q6. Answer: (A) Only one

Explanation: Only one statement is correct. Statement 1 is correct (the 16th census overall and the eighth since Independence). Statement 2 is wrong: there is no single general reference date; it is 1 March 2027 for most of the country, with different dates for some areas (for example 1 October 2026 for snow-bound areas). Statement 3 is wrong because caste data is included. Statement 4 is wrong because the census has two phases, house listing followed by population enumeration.

Passage 2: Governors reshuffle of March 2026

Q7. Answer: (C) The Chief Justice of the High Court exercising jurisdiction in the State

Explanation: Article 159: the Governor's oath or affirmation is taken before the Chief Justice of the High Court exercising jurisdiction in the State or, if he is absent, the senior-most available Judge of that Court. The Chief Justice of India, the President and the Chief Minister are not named in Article 159.

<https://www.newsonair.gov.in/bihar-lieutenant-general-retired-syed-ata-hasnain-takes-oath-as-43rd-governor-of-state>

Q8. Answer: (B) 35 years

Explanation: Article 157 provides that no person shall be eligible for appointment as Governor unless he is a citizen of India and has completed the age of 35 years.

<https://law.drishtias.com/to-the-point/tp-constitution-of-india/the-governor>

Q9. Answer: (C) I and III only

Explanation: Statements I and III are correct. Article 239AA(2) provides for direct election from territorial constituencies. Statement II is incorrect because Article 239AA(3)(a) excludes State List Entries 1 (public order), 2 (police) and 18 (land) from the Delhi Assembly's legislative competence.

Q10. Answer: (A) I-C, II-A, III-B, IV-D

Explanation: Article 155 provides for appointment of the Governor by the President by warrant under hand and seal (C). Article 213 gives the Governor ordinance-making power when the Legislature is not in session (A). Article 361 gives the Governor immunity from criminal proceedings during his term (B). Article 166 provides that State executive action is expressed in the Governor's name (D).

Q11. Answer: (A) Both (A) and (R) are true and (R) is the correct explanation of (A)

Explanation: Both statements are true. Article 200 is the direct constitutional source of the Governor's power to reserve a Bill for the President, so R explains A. Courts have since limited how this power may be used, but the power itself exists.

Source: <https://www.gktoday.in/powers-of-the-governor-with-special-reference-to-article-200/> ;

<https://www.siasat.com/reserving-10-bills-for-president-illegal-arbitrary-sc-slams-tn-governor-3204685/>

Q12. Answer: (B) Only two

Explanation: Two statements are correct: 1 and 3. Statement 1 reflects Article 164(1). Statement 3 reflects Article 158(2). Statement 2 is wrong because Article 163(1) excludes matters the Governor must decide in his discretion, and Article 163(2) makes his decision on that question final. Statement 4 is wrong because Article 165 provides that the

Governor appoints the Advocate-General.

Passage 3: 2026 State Assembly Elections: Bengal and Kerala

Q13. Answer: (A) 500

Q15. Answer: (D) (A) is false but (R) is true

Explanation: Article 172(1) fixes a five-year term. The proviso allows extension only while an Emergency is in force, so the assertion is false while the reason is true.

Source: <https://www.constitutionofindia.net/articles/article-172-duration-of-state-legislatures> ; <https://www.understandupsc.com/article-172/>

Q16. Answer: (D) Neither I nor II

Explanation: Article 326 sets the voting age at 18 (lowered from 21 by the 61st Amendment, 1988) and applies to the House of the People and State Legislative Assemblies, not the Rajya Sabha.

Q17. Answer: (A) I-C, II-D, III-A, IV-B

Explanation: Article 243ZA vests municipal elections in the State Election Commission; Article 324 vests superintendence of Union and State elections in the Election Commission of India; Article 325 requires one general roll; Article 329(b) bars courts except through election petitions.

Explanation: Statements 1, 2 and 3 are correct: Article 129 makes the Supreme Court a court of record, Article 137 gives it a review power subject to law and Article 145 rules, and Section 25 of the Water Act requires prior consent of the State Board. Statement 4 is incorrect because Article 143 advisory opinions require a reference by the President. Three statements are correct, so the answer is Only three.
