

CLAT Express - December 2025: Answer Key

Multiple-choice passages

Aravalli Range: Facts and Rulings

1	D. Guru Shikhar, Rajasthan	The booklet names Guru Shikhar, at 1722 m near Mount Abu, as the highest peak, in Rajasthan.
2	A. About 2 billion years	The booklet dates the Aravalli system to about 2 billion years, in the Precambrian era.
3	D. 692 km	The booklet states that the range extends 692 km from Gujarat (Champaner) through Rajasthan and Haryana to Delhi.
4	B. Both A and R are true but R is not the correct explanation of A	The booklet lists copper, zinc, lead and silver as minerals and separately names the Luni and Banas as rivers from the range, so the rivers do not explain the minerals.
5	C. I-D, II-C, III-A, IV-B	The booklet links Champaner to the Gujarat start, Raisina Hill to the Delhi end, Guru Shikhar to the highest peak, and the Luni to the range's rivers.
6	A. I and II only	The booklet defines the hill and range thresholds in statements I and II, while it bans mining in core or inviolate areas, which makes statement III wrong.
7	B. Only two	Statements I and III match the booklet, while Guru Shikhar lies in Rajasthan, not Haryana.

Key features check

1	D. 125 days	The booklet states the bill guarantees 125 days per household per financial year, up from 100 days under MGNREGA.
2	A. Both A and R are true and R is the correct explanation of A	The booklet says the suspension is allowed to ensure availability of agricultural labour during sowing and harvesting seasons.
3	D. I-B, II-C, III-D, IV-A	The correct pairs are I-B, II-A, III-C and IV-D, in line with the scheme descriptions in the booklet.
4	B. I and III only	Statement II is incorrect because the booklet lists four national priorities, not five.
5	C. Only three	Statement IV is incorrect because the bill envisages weekly wage payments, while the 15-day deadline applied to MGNREGA.
6	D. 90%	The booklet states the Centre-State ratio is 90:10 for North-Eastern and Himalayan States.
7	D. Digital Banking Infrastructure	The four priorities are Water Security, Core Rural Infrastructure, Livelihood-related Infrastructure and Special Works for Extreme Weather Events.
8	A. 15 days	The booklet says an unemployment allowance is payable if work is not provided within 15 days of a household's application.

Lok Adalat basics

1	A. 1982	The booklet states the first Lok Adalat in India was organised in Gujarat in 1982.
2	D. Legal Services Authorities Act, 1987	Lok Adalats have been given statutory status under the Legal Services Authorities Act, 1987.
3	C. A is true but R is false	Offences that are non-compoundable under any law fall outside the purview of Lok Adalat.

4	C. I-C, II-D, III-B, IV-A	Permanent Lok Adalats handle public utility disputes, National Lok Adalat is held on a single day, and the CJI is NALSA's Patron-in-Chief.
5	B. I and II only	Statement III describes FASTER, whereas SUPACE collects relevant facts and laws and makes them available to a judge.
6	B. Only two	Statement II is wrong because Permanent Lok Adalats have no jurisdiction over offences not punishable by law.
7	D. State of Punjab vs Jalour Singh (2008)	The booklet cites State of Punjab vs Jalour Singh (2008) for holding that a Lok Adalat is purely conciliatory.
8	A. Fast and Secured Transmission of Electronic Records	FASTER stands for Fast and Secured Transmission of Electronic Records, a secure channel for communicating orders to authorities.

Assam Bill: practice MCQs

1	A. Meghalaya	Meghalaya has the highest polygamy rate in India at 6.1 per cent in NFHS-5 (2019-21).
2	D. Validates pre-law marriages compliant with personal or customary laws	The Grandfather Clause validates pre-law marriages that comply with personal or customary laws.
3	C. I-D, II-A, III-B, IV-C	The correct pairs are I-A (10 years), II-B (NFHS-5), III-C (Section 82 of the BNS) and IV-D (Article 342).
4	A. I and II only	Statement III is incorrect because the bar also covers benefits and electoral participation, while I and II are correct.
5	B. Only two	The Bill bars convicted individuals from electoral participation, so only statements I and II are correct.
6	D. State Victim Relief Fund	The Bill introduces the State Victim Relief Fund to compensate women affected by polygamous marriages.
7	A. Family law ensuring monogamous marriages	The Bill aims to strengthen family law that ensures monogamous marriages.

Why the rupee weakened in 2025

1	D. Gold, electronics, crude and machinery	The booklet lists increased imports of gold, electronics, crude and machinery as widening the trade deficit and amplifying USD demand.
2	A. Foreign Portfolio Investors (FPIs)	The booklet states that Foreign Portfolio Investors (FPIs) withdrew funds aggressively, causing capital outflows.
3	D. 50%	The booklet cites steep US tariffs of up to 50% on Indian exports, which reduced their competitiveness.
4	B. I-D, II-C, III-B, IV-A	The booklet links FPI withdrawals to capital outflows, higher crude prices to a worse import bill, front-loaded purchases to speculative demand, and trade deal delays to tariff and export concerns.
5	C. I and II only	The booklet supports statements I and II, while higher crude oil prices worsened the import bill rather than reducing it (statement III).
6	B. Only two	Statements I and III match the booklet, while II wrongly names exporters (the booklet says importers) and IV misstates the tariff, which is up to 50%.
7	D. Over 5%	The booklet says the rupee depreciated over 5% in 2025 as it crossed 90 per US dollar.

Repo Cut and Goldilocks: MCQ Practice

1	B. Only two	Statements I and III are correct, while the quorum is four members and decisions are by majority vote, so only two statements hold.
---	-------------	---

2	A. 25 basis points	The booklet states the RBI cut the repo rate by 25 basis points in December 2025.
3	D. 0.3%	Inflation dipped to 0.3% in October 2025, well below the 2% lower tolerance band.
4	A. I and II only	Statement III is incorrect because the Bank Rate is a long-term rate, while the repo rate is the short-term one.
5	D. 125 basis points	The December 2025 cut was the 4th reduction in 2025, totalling 125 basis points.
6	D. I-D, II-A, III-B, IV-C	Repo rate is the rate RBI lends to banks (D), Bank Rate is the long-term lending rate (A), CRR is the cash deposit share (B), and MSF is the overnight window (C).

Summit economics and payments

1	A. External Affairs Minister of India	The text states the IRIGC-TEC is chaired by India's External Affairs Minister and Russia's Deputy Prime Minister.
2	A. \$100 billion	Programme 2030 sets a trade target of \$100 billion by 2030, against \$68.7 billion in 2024-25.
3	D. SWIFT	The text says work on payment-system interoperability and CBDCs aims to bypass Western financial systems such as SWIFT.
4	B. Both A and R are true but R is not the correct explanation of A	Russia formally joined the Big Cat Alliance and India welcomed Russia's interest in the Solar Alliance, but the two facts are unrelated.
5	B. I-C, II-D, III-A, IV-B	Programme 2030 diversifies ties beyond defence and energy, payment work bypasses SWIFT, the trade target is \$100 billion and Kudankulam is built with Russian cooperation.
6	D. I and II only	Statements I and II are correct, while the trade of \$68.7 billion in 2024-25 shows that the \$100 billion target has not been reached.
7	B. Only two	Statements I and III are correct, while II wrongly claims formal membership of the Solar Alliance and IV confuses the 2024-25 trade figure with the target.
8	A. 40 per cent	The corridor is aimed at reducing transportation time to Russia by 40 per cent.

The Durand Line Border

1	D. Durand Agreement	The Durand Agreement of 1893 between Sir Henry Mortimer Durand and Emir Abdur Rahman Khan drew the line.
2	D. Treaty of Rawalpindi	The Treaty of Rawalpindi ended the 1919 war and restored Afghanistan's foreign policy autonomy.
3	A. A strategic buffer separating British and Russian spheres	The booklet says the Wakhan Corridor was created as a strategic buffer to separate British and Russian spheres of influence.
4	C. 1947	The booklet says Pakistan inherited the Durand Line after Partition, from 1947 onwards.
5	C. I-B, II-D, III-A, IV-C	Gandamak (1879) gave Britain control of foreign affairs, Rawalpindi (1919) restored autonomy, and the 1893 agreement drew the line.
6	B. I and II only	Afghanistan refused to formally recognise the line, so statement III is incorrect while I and II are supported by the booklet.

Courts, Waqf and Competition Law

1	D. Article 129, for the Supreme Court	Article 129 makes the Supreme Court a Court of Record with power to punish for its own contempt, while Article 215 covers High Courts.
---	---------------------------------------	--

2	D. Contempt of Courts Act, 1971	The Contempt of Courts Act, 1971 governs contempt proceedings in India.
3	C. A is true but R is false	Criminal contempt covers acts that lower a court's authority, whereas wilful disobedience of a court order is civil contempt.
4	B. I-D, II-A, III-B, IV-C	Article 129 is for the Supreme Court, Article 215 for High Courts, the CCI under the Competition Act 2002, and UMEED under the Waqf Act 1995.
5	C. I and II only	Statement III is wrong because the CCI was established in 2003, not 2002.
6	B. Only two	Statement II is wrong because the Ministry of Minority Affairs is the nodal agency for UMEED, while I and III are correct.
7	D. IndiGo	The CCI took cognisance of IndiGo flight disruptions to probe a possible abuse of dominant position.

Ecological Services of the Range: MCQ

1	A. Thar Desert	The booklet calls the range a natural Great Green Wall against the eastward spread of the Thar Desert.
2	D. Over 300	The booklet states the range is habitat for over 300 plant species.
3	A. Central Asia	The booklet says these winter winds originate in Central Asia.
4	C. Both A and R are true, and R is the correct explanation of A	The booklet links the fractured, weathered rocks to rainwater infiltration and aquifer recharge in these semi-arid regions.
5	B. I-D, II-C, III-A, IV-B	Green lungs match PM2.5 trapping, the monsoon modulator matches eastward deflection, the winter shield matches protection from cold winds, and groundwater recharge matches aquifer recharge.
6	D. I only	Only statement I is correct, since the rocks enable infiltration and the range does deflect monsoon winds.

Mining Curbs and the 2025 Ruling: MCQ

1	C. 2009	The booklet dates the Supreme Court's blanket mining ban in parts of Haryana to 2009.
2	C. Central Empowered Committee	The 2024 order tasked the Central Empowered Committee with a scientific review.
3	A. Ministry of Environment, Forest and Climate Change	The booklet says the 2025 definition is based on an MoEF&CC expert committee.
4	B. I-C, II-A, III-D, IV-B	MC Mehta matches the wide restrictions and bans, the calibrated approach matches strict regulation over blanket bans, the risks match groundwater depletion and dust storms, and ecological continuity matches unprotected foothills and valleys.
5	C. I only	Only statement I matches the booklet, since the definition uses 100 m and the ban covers core areas rather than all Aravalli areas.
6	B. Only two	Statements I and II match the booklet, while statement III reverses the Court's calibrated approach.

Case for Replacing MGNREGA

1	C. Low-utility or non-durable assets	The booklet records criticism over the creation of low-utility or non-durable assets under MGNREGA.
2	A. Centrally Sponsored Scheme	The booklet describes the bill as creating a Centrally Sponsored Scheme with shared financial responsibility.
3	D. Farmers	The booklet states that farmers report labour shortages during sowing and harvest seasons.

4	B. Both A and R are true but R is not the correct explanation of A	Both statements are supported by the booklet, but introduction in the Lok Sabha does not explain the national-vision framing.
5	B. I-C, II-A, III-D, IV-B	The booklet links digital technologies with biometric authentication, VGPPs with Gram Panchayat preparation, the Councils with review and monitoring, and the Steering Committees with financial recommendations.
6	A. I and II only	The booklet says grading uses development indicators, not population size, and higher allocations go to underperforming panchayats.

MGNREGA and the Proposed Bill

1	C. 100%	The booklet states that under MGNREGA the central government bore 100% of the cost of unskilled labour wages.
2	A. Schematic entitlement	The booklet calls the proposed entitlement a schematic entitlement, with the guarantee limited by a fixed budget cap.
3	D. The Centre	The booklet says the Centre will determine a fixed, state-wise annual funding allocation.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements appear in the booklet, but weekly wage payment does not explain the fixed budget cap.
5	D. I-D, II-A, III-B, IV-C	MGNREGA budgeting follows a labour budget, its operating period is continuous, its right is justiciable, and the bill uses a fixed state-wise allocation.
6	C. I and III only	Statement II is wrong because the booklet calls the proposed entitlement schematic, not justiciable.
7	A. Only three	The first three statements match the booklet, while the proposed bill's entitlement is schematic, so citizens cannot sue under it.

NALSA and legal aid structure

1	D. Chief Justice of India	The Chief Justice of India is the Patron-in-Chief of NALSA.
2	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the fact that Parliament enacted the Act does not explain why it was enforced in 1995.
3	C. I-C, II-A, III-D, IV-B	The Act gives the statutory base, the High Court committee is headed by the State High Court Chief Justice, the District Judge chairs the district authority, and NALSA is constituted under the Act.
4	D. Free legal aid to poor and weaker sections	Article 39A provides for free legal aid to poor and weaker sections of society.
5	B. I and III only	Statement I and statement III are in the booklet, while the Act was enacted by Parliament, not State Legislatures.
6	A. CILAS	CILAS (Committee for Implementing Legal Aid Schemes) was the national committee set up in 1980 to supervise legal aid programmes.
7	A. Only two	Statements I and II are correct, while the Act came into force on 9 November 1995, not 1 January 1987.

e-Courts Project and digital tools

1	C. National Informatics Centre	The National Judicial Data Grid was developed by the National Informatics Centre.
2	C. Collecting relevant facts and laws and making them available to a judge	SUPACE collects relevant facts and laws and makes them available to a judge.
3	A. Phase I	Phase I of the e-Courts Project was implemented during 2007-2015.

4	A. Both A and R are true and R is the correct explanation of A	Both statements are true, and the Swapnil Tripathi holding under Article 21 explains why live streaming is protected as access to justice.
5	C. I-C, II-D, III-B, IV-A	SUVAS is a translation tool, SUPACE collects facts and laws for judges, the National Judicial Data Grid is an online database, and the e-Courts Project enables courts through ICT.
6	D. I and III only	Statements I and III are in the booklet, while the National Informatics Centre developed tools but the project is funded by the Department of Justice.

Polygamy rates and types

1	C. 2.4 per cent	Assam's rate is 2.4 per cent, compared with the national figure of 1.4 per cent.
2	D. Muslims	Muslims in Assam record 3.6 per cent against 1.8 per cent for Hindus.
3	C. Polyandry	Polyandry is the arrangement in which one woman has several husbands.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the Christian-Muslim comparison does not explain Assam's rate.
5	D. I only	Only statement I is correct, since Others record 2.5 per cent against 1.9 per cent for Muslims.
6	B. Only one	Only statement II is correct, since the national rate for Hindus is 1.3 per cent.

Personal laws and marriage

1	C. Muslim Personal Law (Shariat) Application Act, 1937	The Shariat Application Act of 1937 is the Act under which polygamy is permitted for Muslims.
2	D. 1937	The Shariat Application Act was enacted in 1937.
3	D. A is false but R is true	The Shariat Act permits polygamy, so A is false while R is true.
4	A. I and III only	Statements I and III are correct, while II is wrong because the Shariat Act permits polygamy.
5	A. Legally challenged	Marriages under the Shariat Act that violate Fundamental Rights can be legally challenged.
6	B. A punishable offence	Contracting a second marriage while the first subsists is a punishable offence under the Hindu Marriage Act.
7	C. Only two	Statements I and III are correct, while II is wrong because the Special Marriage Act does not permit polygamy.

The 90 Per Dollar Breach

1	A. 8.2%	The booklet cites India's strong 8.2% GDP growth alongside the rupee's fall.
2	D. Psychological importance	The booklet says the 90 level holds substantial psychological importance for traders.
3	C. Cumulative pressures built over time	The booklet says the breach reflects the cumulative effect of pressures that built over time.
4	A. Buy-stop orders	The booklet says crossing 90 can activate buy-stop orders.
5	A. Only two	Statements I and III are in the booklet, while II contradicts its description of cumulative pressures.
6	D. Both A and R are true, and R is the correct explanation of A	Buy-stop orders triggered at 90 are what intensify the downward momentum, so R explains A.

7	C. I and II only	Statements I and II match the booklet, while III reverses its point that crossing 90 can activate buy-stop orders.
---	------------------	--

Depreciation or Devaluation

1	D. Fixed or pegged exchange rate	The booklet says devaluation happens under fixed or pegged exchange rate systems.
2	A. Current account deficit	The booklet lists the current account deficit among the causes of depreciation, along with FPI outflows, inflation and global shocks.
3	A. Both A and R are true and R is the correct explanation of A	The booklet defines devaluation as a deliberate reduction by the government or RBI, which is why it is a policy action.
4	C. Boosting exports and reducing the deficit	The booklet calls devaluation a policy tool to boost exports and reduce the deficit.
5	D. I-C, II-D, III-B, IV-A	Depreciation is driven by market forces, devaluation is a deliberate act, and each exchange system goes with its matching term.
6	B. I only	Statement I matches the booklet's causes of depreciation, while II and III describe depreciation rather than devaluation.
7	C. Only two	Statements I and III match the booklet, while II is wrong because devaluation is a deliberate policy action.

Effects of a Weaker Rupee

1	D. Repayment and interest costs	The booklet says companies with dollar-denominated loans face higher repayment and interest costs.
2	B. I-B, II-C, III-D, IV-A	Each consequence matches the item it is linked to in the booklet, such as costlier fertiliser imports driving a larger subsidy burden.
3	B. NRIs	The booklet says NRIs send money at a more favourable exchange rate when the rupee weakens.
4	A. II and III only	Statements II and III match the booklet, while I reverses its point that Indian goods become cheaper abroad.
5	D. Only two	Statements II and III match the booklet, while I is wrong because a weaker rupee raises the subsidy burden.
6	A. Higher subsidy burden	The booklet lists a higher subsidy burden under the negative impacts of depreciation.
7	C. Both A and R are true, and R is the correct explanation of A	Expensive imports pushing local production is the mechanism through which depreciation encourages domestic manufacturing.

Repo Rate and Other Tools

1	C. Repurchasing Option	The booklet states that Repo stands for Repurchasing Option or Repurchase Agreement.
2	B. Reverse repo rate	The reverse repo rate is the rate at which RBI borrows money from commercial banks.
3	D. Marginal Standing Facility	The Marginal Standing Facility is a window for banks to borrow overnight funds at a higher rate than the repo rate.
4	A. Both A and R are true and R is the correct explanation of A	The booklet links a lower repo rate to cheaper loans for banks and a higher supply of money, which is why RBI uses it to pump funds.
5	C. I only	Only statement I is correct, since Bank Rate is the long-term rate, the repo rate is the short-term one, and the MSF is priced above the repo rate.
6	A. Only two	Statements I and II are correct, while III reverses the definition of the reverse repo rate.

Price Indices and Their Coverage

1	B. 2012	The booklet lists the CPI base year as 2012.
2	C. Office of Economic Advisor, Ministry of Commerce and Industry	The booklet states that the WPI is released by the Office of Economic Advisor, Ministry of Commerce and Industry.
3	D. CPI	The booklet's comparison table says CPI reflects up-to-date expenditure patterns, unlike WPI.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the exclusion of services is a feature of coverage rather than the reason WPI measures wholesale prices.
5	A. I only	Only statement I is correct, since WPI is released by the Office of Economic Advisor and inflation is a rise in prices, not a fall.
6	A. Only one	Only statement I is correct, since CPI is released by the NSO and the GDP deflator is not limited to wholesale prices.

Origins and Functions of the RBI

1	B. Hilton Young Commission	The booklet states that the Hilton Young Commission recommended the creation of the RBI.
2	C. The Reserve Bank of India	The booklet says the RBI's concept was inspired by Dr. Ambedkar's strategies in his book on the rupee.
3	B. April 1	The booklet states that the RBI was established on April 1 in Calcutta.
4	A. Both A and R are true and R is the correct explanation of A	Both statements are true, and managing the government's financial operations is the reason the RBI serves as its banker.
5	C. I and III only	Statements I and III are correct, while II is false because the RBI was nationalised after being owned by private stakeholders.
6	A. Only two	Statements I and III are correct, while II is false because the booklet credits Dr. Ambedkar's book.

Corridors and Connectivity with Russia

1	B. Diamonds and shipping	The booklet lists agriculture and mining, manpower and pharmaceuticals, and diamonds and shipping as the key Far East and Arctic areas.
2	C. Iran, Russia and India	The INSTC was established in 2000 in St Petersburg by Iran, Russia and India.
3	D. Malacca Strait	The proposed sea route passes through the Sea of Japan, the South China Sea and the Malacca Strait.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the multi-modal nature of the route does not explain the aim of promoting cooperation.
5	A. I-B, II-D, III-A, IV-C	Each item in List I matches its own description in List II: Northern Sea Route for Arctic shipping, the proposed sea route, India as Arctic Council observer, and the 2024-2029 programme.
6	C. I and II only	Statements I and II match the booklet, while III is wrong because India is only an Observer in the Arctic Council.
7	B. Only two	Statements I and II are correct, while III is wrong because the Far East programme covers 2024-2029.

Diplomacy, Honours and Dialogue

1	A. Tsar Peter the Great	The booklet states the Order was established by Tsar Peter the Great in 1698.
2	B. Russian Revolution	The booklet says the Order was abolished in 1918 following the Russian Revolution, which overthrew the Tsarist regime.

3	C. Ministry of External Affairs	The Ganga-Volga Dialogue was organised by the Ministry of External Affairs with the Dr Syama Prasad Mookerjee Research Foundation.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the call for action against terrorist groups does not explain Russia's support for India's Security Council seat.
5	D. I-D, II-C, III-B, IV-A	The Order was reinstated in 1998, the Ganga-Volga Dialogue was conceptualised in 2018, the emblem is a double-headed eagle, and both parties denounced the Pahalgam attack.
6	C. I and III only	Statements I and III match the booklet, while II is wrong because the Ministry of External Affairs organises the Ganga-Volga Dialogue.
7	B. Only two	Statements I and II are correct, while III is wrong because the Order was reinstated in 1998.

Karbi Anglong and Workplace Rights

1	C. Article 244(A)	Article 244(A) allows Parliament to create an Autonomous State within Assam for certain tribal areas.
2	B. France	France's El Khomri Law of 2017 was the first national law recognising the right to disconnect.
3	C. 10 or more	An Internal Complaints Committee is mandatory in every workplace employing 10 or more persons.
4	C. I-C, II-D, III-A, IV-B	The UDHR is not legally binding, OHCHR was set up under the Vienna Declaration, the HRC was formed in 2006 and the Paris Principles set criteria for national institutions.
5	D. I and II only	Statements I and II match the PoSH framework, while III is wrong because France was the first country, in 2017.
6	B. Only two	Only statements II and III are correct, since the UDHR is not binding and members cannot be immediately re-elected after two terms.

Seismic Zones, Forests and Nuclear Bill

1	C. IV and V	The Himalayan arc was previously split between Zones IV and V before Zone VI covered it entirely.
2	D. 75 per cent	75 per cent of India's population lives in seismically active regions.
3	B. SHANTI Bill 2025	The SHANTI Bill 2025 would replace the Atomic Energy Act 1962 and the Civil Liability for Nuclear Damage Act 2010.
4	C. Both A and R are true and R is the correct explanation of A	The alliance was launched in 2023 to mark 50 years of Project Tiger, so R explains A.
5	C. I-C, II-D, III-B, IV-A	Pink fire retardant is an ammonium phosphate slurry, the Bambi bucket is a helicopter-hung container, the National Action Plan is a comprehensive plan and the scheme is centrally sponsored.
6	A. I and II only	Statements I and II are correct, while III describes Appendix I rather than Appendix II.
7	B. Only three	Statements I, II and IV are correct, while III is wrong because Appendix I prohibits commercial trade.

Vande Mataram, HIV and Heritage

1	B. Anandamath	Vande Mataram was published in the 1882 Bengali novel Anandamath.
2	D. Dr Rajendra Prasad	Dr Rajendra Prasad made the declaration on 24 January 1950.
3	A. Prevention of Insults to National Honour Act 1971	Vande Mataram is not enforceable under the Prevention of Insults to National Honour Act 1971, unlike the national anthem.

4	B. I-D, II-C, III-B, IV-A	Vajpayee is linked to the Pokhran-II tests, Malaviya founded BHU, Goa Liberation Day commemorates Operation Vijay, and Vande Mataram's famous tune is by Tagore.
5	C. III only	Only statement III is correct, since the 1937 decision limited national use to two stanzas and the song is not enforceable under the 1971 Act.
6	A. Only three	Statements I, II and IV are correct, while III is wrong because Goa attained full statehood in 1987.

Fuel Norms, Reports and Defence Tests

1	B. Energy Conservation Act, 2001	The booklet states that the CAFE norms are notified under the Energy Conservation Act, 2001.
2	D. Pratap Singha	The booklet credits Ahom ruler Pratap Singha with establishing the Charaichung Royal Bird Sanctuary in 1633.
3	A. Nairobi	The booklet lists the headquarters of GEO-7 as Nairobi, Kenya.
4	C. Both A and R are true but R is not the correct explanation of A	Both statements match the booklet's phase descriptions, but the Phase II change does not explain the Phase I targets.
5	B. I-B, II-C, III-D, IV-A	Siliserh Lake is in Rajasthan, Kopra Reservoir in Chhattisgarh, Samudra Pratap was inducted by the Indian Coast Guard, and BlueBird Block-2 was built for AST SpaceMobile.
6	A. I and II only	Statements I and II match the booklet, while Phase I was in 2017-18, not 2022-23.
7	C. Only two	Statements I and II are in the booklet, while Samudra Pratap is a pollution control vessel, not the hydrogen fuel-cell passenger vessel.

Silicon Initiative, Solar Irrigation and Treaties

1	B. Bangladesh	The booklet lists India, Bangladesh, Kenya and Ethiopia as the countries covered by SoLAR Phase II.
2	D. UNESCO Convention against Discrimination in Education	The booklet describes the UNESCO Convention against Discrimination in Education as the first legally binding treaty exclusively devoted to the right to education.
3	A. Conflict diamonds	The booklet defines conflict diamonds as rough diamonds used by rebel groups or their affiliates to finance armed conflicts against legitimate governments.
4	B. I-C, II-A, III-D, IV-B	The booklet gives 1972 for the BWC, 1966 for the ADB, January 2026 for India's Kimberley chair, and 2019 for SoLAR Phase I.
5	C. I and II only	Statements I and II match the booklet, while the ADB revised the FY26 forecast upward to 7.2 per cent from 6.5 per cent.
6	C. Only two	Statement I is wrong because Pax Silica covers the entire value chain, while statements II and III match the booklet.

Type-in-the-answer passages

Restoring the Green Cover

1	1.1	The booklet sets a target to restore 1.1 million hectares by 2027.
2	2019	The booklet states that the Green Wall Project was launched in 2019.
3	29	The booklet says the project covers 29 districts across Haryana, Rajasthan, Gujarat and Delhi.
4	National Mission for a Green India	The booklet lists the National Mission for a Green India as part of the National Action Plan on Climate Change.
