

CLAT Express - January 2026: Answer Key

Multiple-choice passages

Strike and Legal Debate

1	D. FARC	The booklet states the US alleges Cartel of the Suns collaborated with FARC to traffic cocaine.
2	D. Three	The booklet lists three core principles: non-colonisation, non-intervention and US non-interference in Europe.
3	C. I and II only	Statements I and II are stated in the booklet, while III is the opposite of its non-colonisation principle.
4	A. I-D, II-C, III-A, IV-B	The Monroe Doctrine was proclaimed in 1823, the Roosevelt Corollary came in 1904, Maduro's second term began in January 2019, and Guaido cited Articles 233 and 333.
5	D. 300	The booklet estimates Venezuela's proven crude oil reserves at over 300 billion barrels.
6	D. A is false but R is true	The Roosevelt Corollary justified US intervention, not European intervention, so A is false while R is true.
7	B. Only two	Statements I and II match the booklet, while III is wrong because NATO, AU and ECOWAS intervene without UNSC approval.
8	D. Head of National Assembly	The booklet identifies Juan Guaido as Head of the National Assembly when he declared himself Acting President.

Greenland's Status: Practice Set

1	D. Kaffeklubben Island	The booklet recognises Kaffeklubben Island as the world's northernmost point of land.
2	C. A is true but R is false	The GIUK Gap stands for Greenland, Iceland and United Kingdom, not Ireland, and it is a key chokepoint for monitoring naval movements.
3	A. I-B, II-C, III-D, IV-A	Pituffik was formerly Thule Air Base, the 1946 proposal was a \$100 million purchase offer, the 1951 agreement covered military access, and rare earths are crucial for semiconductors and defence systems.
4	B. Only two	Statements I and II are correct, while the US purchase proposal was made in 1946, not 1951.
5	D. I and III only	Statement I and III are correct, while the Anti-Coercion Instrument is primarily a deterrent tool rather than a military one.
6	D. Trade Bazooka	The booklet calls the Anti-Coercion Instrument the 'Trade Bazooka'.
7	A. North Atlantic Council	The booklet says the North Atlantic Council, NATO's principal political decision-making body, takes any decision to invite a country to join.
8	D. Both I and II	Both statements appear in the booklet's NATO section: the Article 5 provision and the 1949 founding by 12 countries.

Board of Peace: structure and purpose

1	A. Resolution 2803 (2025)	The booklet states that the Board is established under UN Security Council Resolution 2803 (2025).
2	D. 13	The booklet states that the charter contains 13 Articles covering membership, financial contributions and dispute redressal.

3	D. Only if he resigns voluntarily or is unanimously declared incapable by the Executive Board	The booklet says the chairman can be removed only if he resigns voluntarily or is unanimously declared incapable by the Executive Board.
4	C. I-C, II-D, III-B, IV-A	Mladenov is High Representative, Ali Shaath chairs the NCAG, the initial authorisation lasts until 31 December 2027, and the charter has 13 Articles.
5	B. I and III only	Statements I and III are correct, while the chairman is US President Donald Trump, not the Secretary of State.
6	C. Only three	Statements 1, 2 and 4 are correct, while statement 3 is wrong because the plan states that Israel won't occupy Gaza.
7	A. Only statement 1 is correct	Membership requires consent to be bound by the Charter, and the Gaza Executive Board includes no Palestinian representative.

Chagos Dispute Check

1	D. 1965	The UK declared the Chagos Islands a British Indian Ocean Territory in 1965, before Mauritius became independent in 1968.
2	D. 1968-1973	Between 1968 and 1973, the UK and US forcibly removed native Chagossians to make way for the military base.
3	A. UN Convention on the Law of the Sea (UNCLOS)	The Permanent Court of Arbitration ruled that the UK violated Mauritius' rights under UNCLOS.
4	B. I-D, II-A, III-B, IV-C	The Marine Protected Area dates to 2010, PCA proceedings to 2015, the UNGA vote to 2017 and the ICJ order to 2019.
5	C. I and III only	Statement II is wrong because Mauritius gained independence in 1968, while statements I and III match the booklet.
6	B. Only two	Statements I and III are correct, while statement II is wrong because the UNGA vote was in 2017, not 2015.
7	D. 2017	The UNGA voted on Mauritius' resolution to seek an ICJ advisory opinion in 2017.

UAE-Saudi rift: practice set

1	D. Ali Abdullah Saleh	Ali Abdullah Saleh, who had governed North Yemen since 1978, became president of the unified state.
2	D. Sanaa	The booklet lists Sana'a as Yemen's capital, currently under Houthi control.
3	C. Counter-terrorism operations	The UAE reiterated that its military presence is confined to counter-terrorism operations, not broader political or factional conflicts.
4	C. I-D, II-C, III-B, IV-A	The STC advocates autonomy since 2017, Al-Hirak formed in 2007, the Houthis come from northern Zaydi Shia, and AQAP captured southern and eastern territory.
5	B. I and III only	The two states merged in 1990, not 1994, so statement II is incorrect while I and III are correct.
6	B. Only two	Statements I and III are correct, while the UAE described its mandate as counter-terrorism, not political mediation.
7	D. Houthi movement	The Houthi movement is officially known as Ansar Allah.

Republic Day Chronology and History

1	D. Ursula von der Leyen and Antonio Costa	The text names Ursula von der Leyen and Antonio Costa as the Chief Guests for Republic Day 2026.
2	A. 131	The text states that 131 honours were conferred under the Padma Awards 2026.

3	D. Ashok Chakra	The text says Shubhanshu Shukla was honoured with the Ashok Chakra, India's highest peacetime gallantry award.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the 1950 institution of Wartime Gallantry does not explain why awards are announced twice a year.
5	C. I-D, II-A, III-B, IV-C	Parakram Divas is 23 January, Beating Retreat is 29 January, Constitution Day is 26 November and the Amar Jawan Jyoti homage is on 26 January.
6	D. I and II only	Statement III is wrong because Gallantry Awards are announced twice a year, while I and II match the text.
7	B. Only two	The President, not the Prime Minister, unfurls the flag on Republic Day, so only two statements are correct.
8	D. 26 January 1930	The text states the Declaration of Independence was officially promulgated on 26 January 1930.

Equity Regulations: Provisions and Checks

1	D. 15 working days	The Equity Committee must submit its inquiry report within 15 working days.
2	A. 3	The Equity Committee has 3 senior faculty members among its other members.
3	D. SC, ST, OBC, women and persons with disabilities	The representation requirements name SC, ST, OBC, women and persons with disabilities.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the chairperson role does not explain the 24-hour convening rule.
5	C. I-C, II-D, III-A, IV-B	The convening rule is 24 hours, the inquiry report is 15 working days, two student representatives sit on the committee, and the National Monitoring Committee meets at least twice a year.
6	A. I and III only	Statement II is wrong because Ombudsperson decisions are binding, while statements I and III match the text.
7	B. Only two	Statements I and III are correct, while the Ombudsperson is an independent authority outside the Equity Committee.
8	D. Neither I nor II	The inquiry period is 15 working days and the National Monitoring Committee meets at least twice a year, so both statements are wrong.

Incubation Schemes Check

1	A. Gen-Next Support for Innovative Startups	GENESIS stands for Gen-Next Support for Innovative Startups.
2	D. I and III only	GENESIS is aimed at Tier-II and Tier-III cities, so statement II is wrong while I and III match the booklet.
3	D. NITI Aayog	The booklet states that the Atal Innovation Mission operates under NITI Aayog.
4	A. ASPIRE	ASPIRE sets up a network of technology centres and incubation centres and promotes startups in agro-industry.
5	B. I-B, II-D, III-A, IV-C	GENESIS targets Tier-II and Tier-III cities, ASPIRE builds centre networks for agro-industry, NIDHI turns technology ideas into startups and TIDE 2.0 supports emerging technologies.
6	B. Only two	GENESIS is the 2024 scheme, so only statements I and III are correct.
7	D. NIDHI	NIDHI aims at socio-economic growth through wealth and job creation.

India-EU FTA: CLAT Practice

1	D. \$136.53 billion	Bilateral trade in 2024-25 was \$136.53 billion, of which India's exports were \$75.85 billion.
2	A. Both A and R are true and R is the correct explanation of A	The booklet states that the EU's 99.5% duty elimination brings labour-intensive sectors such as textiles to 0% duty, which explains the expected gain.
3	D. I-D, II-A, III-B, IV-C	The EU removes duties on 99.5% of Indian exports, car tariffs decline from 110%, the car quota is 250,000 units, and machinery tariffs are up to 44%.
4	B. I and III only	Dairy, wheat, rice and poultry remain outside India's tariff reduction framework, so statement II is false while I and III are correct.
5	C. Only two	Statements I and III are correct, while textiles are not in the CBAM sector list, so statement II is wrong.
6	A. 27	The European Commission is composed of 27 Commissioners, one from each member state.
7	A. European Parliament	The European Parliament is the EU's only elected legislative body and is elected every five years.
8	D. 1 January 2026	CBAM moved to full implementation with a carbon levy payable on imports from 1 January 2026.

Birth Control Policy in China

1	A. 1958-1962	The Great Leap Forward ran from 1958 to 1962 and aimed to boost production and living standards.
2	D. Later, Longer, Fewer	The slogan 'Later, Longer, Fewer' encouraged delayed marriages, longer intervals between births and fewer children.
3	B. I-C, II-A, III-D, IV-B	The Great Leap Forward resulted in famine, the slogan encouraged delayed marriage, the One-Child Policy restricted couples to one child, and the Three-Child Policy relaxed limits.
4	D. I and II only	Statement III is wrong because the Three-Child Policy came in 2021, while 2016 marked the Two-Child Policy.
5	B. Only two	Statements I and III are correct, while II is wrong because the One-Child Policy was formally introduced in 1980.
6	A. I only	Statement II is wrong because population growth rebounded only after the Great Leap Forward was rolled back.

BBNJ and the law of the seas

1	C. 83	The text states that the BBNJ Agreement has been ratified by 83 countries.
2	A. Signed, ratification pending	The text says India has signed the agreement and its ratification is pending.
3	D. A is false but R is true	Full sovereignty applies to the territorial sea, while the high seas are free for navigation by vessels of all nations.
4	A. I-B, II-D, III-A, IV-C	The BBNJ Agreement was adopted in 2023, has 83 ratifications, targets 30% protection by 2030 and has four pillars.
5	C. I and III only	Statement I and statement III are correct, while India has only signed the agreement with ratification pending.
6	B. Only two	Statements I and II are correct, since the agreement has four pillars and India's ratification is still pending.
7	D. Climate Change Mitigation	The four pillars are marine genetic resources, area-based management tools, environmental impact assessments, and capacity building and technology transfer.

8	A. 30% of land and sea by 2030	The text states the Kunming-Montreal framework targets 30% protection of land and sea by 2030.
---	--------------------------------	--

PSLV-C62 mission check

1	A. 8 months	The booklet states the PSLV-C62 failure followed the PSLV-C61 setback in 8 months.
2	C. DRDO	EOS-N1 (Anvesha) was developed for DRDO's Strategic Applications.
3	A. I-D, II-C, III-A, IV-B	Anvesha is a hyperspectral imaging satellite, KID is a re-entry prototype, AayulSAT is a refuelling payload, and Vikas is the second-stage liquid engine.
4	A. I and III only	Statement II is wrong because the booklet says solid propellants are used in the first and third stages.
5	B. Only two	Statements A and D are correct, while B (KID is from a Spanish startup) and C (104 satellites was a 2017 record) are wrong.
6	A. PSLV-C57	Aditya-L1 was aboard PSLV-C57 on 2 September 2023, while PSLV-C58 carried XPoSat.
7	D. OrbitAID Aerospace	AayulSAT was developed by OrbitAID Aerospace, a Bengaluru-based company.

Governance Act practice set

1	B. Both A and R are true but R is not the correct explanation of A	Both statements are in the text, but the tribunal's head does not explain why its appeals lie only to the Supreme Court.
2	A. I-B, II-C, III-D, IV-A	Each body matches its own fact: the NOC with Olympic sports, the NPC with Paralympic sports, the CAS with 1984 and the NADA with 2005.
3	B. I and II only	Statements I and II are in the text, whereas the appellate authority is the Supreme Court only, so III is wrong.
4	B. Only two	The committee's secretary member comes from the Ministry of Youth Affairs & Sports, not Finance, so only I and II are correct.
5	C. 4	The Rules require at least 4 Sportspersons of Outstanding Merit, aged 25 or more, in the General Body.
6	D. 2005	The National Anti-Doping Agency was set up in 2005 under the Ministry of Youth Affairs & Sports.
7	C. Aman Sehrawat	Aman Sehrawat won a bronze at the 2024 Paris Olympics as the youngest Indian individual Olympic medallist.
8	A. 2	The Tribunal has 2 other members, experts in sports, public administration or law, besides its head.

UN and Control Regimes Check

1	B. I only	North Korea withdrew from the NPT in 2003, so only statement I is correct.
2	B. I and II only	Statement III is wrong because the Wassenaar Arrangement (1996) came after the MTCR (1987).
3	A. A is false but R is true	The booklet describes the Australia Group as an informal arrangement that is not legally binding.
4	C. Only two	Statements I and III are correct, II is wrong because the General Assembly elects non-permanent members, and IV is wrong because Italy, Spain and others are the prime movers.

5	D. I-D, II-C, III-A, IV-B	NSG regulates nuclear-related exports, MTCR covers missile and drone technology, Wassenaar controls conventional arms and dual-use goods, and the NPT classifies states by their 1967 nuclear status.
6	C. 2018	The booklet notes that India joined the Australia Group in 2018.
7	D. Italy	Italy is listed among the prime movers of the Coffee Club, which opposes expansion of permanent seats.
8	A. 1996	The booklet dates the Wassenaar Arrangement to 1996.

Sanctions and Strategic Interests

1	C. Oil revenue	The booklet says the sanctions aimed to cut off Maduro's access to oil revenue, Venezuela's primary income source.
2	B. Both A and R are true but R is not the correct explanation of A	Both statements appear in the booklet, but the US view of these alignments does not explain what the partnerships cover.
3	D. I-D, II-C, III-A, IV-B	Maduro severed ties in retaliation, the US turned to maritime interdictions after sanctions failed, and the booklet pairs US policy with unilateral diplomacy and a counter-narcotics framing.
4	A. I and III only	Statements I and III match the booklet, while statement II is wrong because the partnerships also cover energy and finance.
5	B. Only two	Statements I and III are in the booklet, while statement II reverses the booklet's account of sanctions and exports.
6	A. Reduce dependence on West Asian oil	The booklet says such leverage could help the US diversify its energy sources and reduce dependence on West Asian oil.
7	C. Donald Trump	The booklet states that US President Donald Trump officially recognised Guaido as Venezuela's legitimate leader soon after his self-declaration.

Monroe Doctrine and the UN

1	D. Non-colonisation	The booklet lists non-colonisation as a core principle, barring European powers from establishing new colonies in North or South America.
2	A. Both A and R are true and R is the correct explanation of A	The booklet links the UN's difficulty in stopping interventions to the P5 members' power to block any resolution, so R explains A.
3	C. I-C, II-A, III-D, IV-B	NotPetya is the cyberattack example, the doctrine originally aimed to stop European re-colonisation, P5 members can block resolutions, and the reform calls for a binding accountability protocol.
4	D. I and II only	Statements I and II reflect the booklet, while statement III reverses the doctrine's original purpose of stopping European re-colonisation.
5	B. Only two	Statements I and II are in the booklet, while statement III is false because the Council has five permanent members.
6	A. Cyberattacks, private military companies and proxies	The booklet lists cyberattacks, PMCs and proxies as the tactics used in modern gray-zone conflicts.
7	C. To counter Soviet influence in the Americas	The booklet says the doctrine was used in the Cold War era to counter Soviet influence in the Americas.

US Ties with Greenland: MCQ

1	C. The Second World War	The booklet places the temporary US control of Greenland in World War II.
2	A. Nazi Germany	The booklet says the aim was to prevent Nazi Germany from exploiting the colony after Denmark's occupation.

3	D. Ballistic Missile Early-Warning System	The booklet says Greenland hosts critical infrastructure for the US Ballistic Missile Early-Warning System.
4	C. I-C, II-A, III-D, IV-B	Each item matches its booklet entry: the 1946 offer, the 1951 agreement, the GIUK chokepoint and the Pituffik monitoring base.
5	B. I and III only	The 1951 agreement was a US-Denmark arrangement, so only statements I and III are correct.
6	A. Only two	Statement I is wrong because the booklet places the seizure in World War II, so statements II and III are correct.

Great Power Competition and ACI: MCQ

1	D. Russia	The booklet says Russia has heavily militarised its Arctic coastline.
2	A. United States	The booklet links the French call to US tariffs during the Greenland dispute.
3	A. Trade and investment	The booklet says the instrument responds to measures that affect trade or investment.
4	C. I-D, II-A, III-B, IV-C	Each countermeasure in List I matches its booklet description in List II.
5	C. I and III only	Statement II is wrong because the booklet calls the instrument primarily a deterrent tool.
6	A. Only two	Statement II is wrong because the booklet says the instrument responds to non-EU countries, so statements I and III are correct.

US 20-point Gaza plan: features

1	C. International investment	The booklet says the special economic zone is supported by international investment and employment generation.
2	A. They are free to stay, leave or return	The plan rules out forced displacement, so residents may stay, leave or return.
3	C. International Stabilization Force	The International Stabilization Force (ISF) is deployed to secure Gaza and train police.
4	D. A is false but R is true	Hamas is excluded from governance under the plan, so A is false while R is true.
5	C. I-C, II-A, III-D, IV-B	The platform promotes religious harmony, the economic zone has favourable trade terms, decommissioning brings amnesty, and Rafah reopens under agreement.
6	A. I and II only	Statements I and II match the plan, while III contradicts the plan's release of detainees.
7	B. Only two	Statements I and III are in the booklet, while II contradicts the plan's position that Israel will not occupy Gaza.

Board of Peace: UN reform and significance

1	D. Paralysed timely action	The booklet says the prolonged deadlock over comprehensive Security Council reform has paralysed timely action.
2	D. Long-term political engagement	The booklet says the Board aims to institutionalise long-term political engagement.
3	C. An incremental innovation within existing structures	The booklet calls the Board an incremental innovation working within existing structures rather than a replacement.
4	A. Both A and R are true and R is the correct explanation of A	Article 22 is the provision that lets the General Assembly create subsidiary bodies without a Charter amendment, so R explains A.
5	B. I-D, II-C, III-B, IV-A	Ad hoc missions end once crises subside, the Board is reform from within, its purpose is preventing relapse, and its style favours rapid decisions over consensus.

6	C. II and III only	Statement I is false because the Board is presented as reform from within, not a replacement for the Security Council.
7	A. Only one	Only statement I matches the booklet, since the Board stresses rapid decisions and missions usually end once crises subside.

Chagos Sovereignty Deal and the Diego Garcia Base

1	A. Donald Trump	Trump criticised the UK plan, citing the strategic importance of the US military base.
2	C. 99 years	The agreement keeps the joint base operational for an initial period of 99 years.
3	D. 58	The booklet states that the Chagos archipelago comprises 58 islands.
4	B. Both A and R are true but R is not the correct explanation of A.	Both statements are true, but the UK retaining sovereign rights does not explain the US concern about base security.
5	A. I-C, II-D, III-A, IV-B	Trump criticised the plan, the joint base is operational for 99 years, Diego Garcia is the largest island, and the Chagos Islands comprise 58 islands.
6	C. I and II only	Statements I and II match the booklet, while the US concerns and Trump's criticism contradict statement III.
7	D. Only one	Only statement I is correct, since Diego Garcia is the largest island and the initial period is 99 years.

Colonial Passage of the Chagos Islands

1	C. 16th century	The booklet states that Portuguese navigators discovered the Chagos Islands in the 16th century.
2	A. Napoleon	Britain took control of both Chagos and Mauritius after Napoleon's defeat.
3	C. 1814	The booklet states that France ceded the islands to Britain in 1814.
4	B. I-C, II-D, III-B, IV-A	Portuguese navigators discovered the islands, France ceded them in 1814, Resolution 1514 prohibited colonial breakup, and the UK claimed the ICJ lacked jurisdiction.
5	D. I only	Only statement I is correct, since the UK argued the ICJ lacked jurisdiction and Mauritius gained independence in 1968.
6	C. Only one	Only statement I is correct, since the cession was in 1814 and the resolution was 1514.

MAHASAGAR and Maritime Initiatives

1	D. 2023	The booklet states that MAHASAGAR was launched by the Indian Navy in 2023.
2	B. African	AIKEYME is a large-scale naval exercise with African nations.
3	A. INS Sunayna	IOS Sagar uses the INS Sunayna platform to deepen naval cooperation with Indian Ocean littorals.
4	B. Both A and R are true but R is not the correct explanation of A.	Both statements are true, but the focus areas do not explain why the scope was widened.
5	A. I-B, II-C, III-D, IV-A	SAGAR is the 2015 doctrine, MAHASAGAR widens scope to the Global South, AIKEYME is an African naval exercise, and IOS Sagar uses INS Sunayna.
6	C. I and II only	Statements I and II match the booklet, while the SAGAR doctrine dates from 2015, not 2023.
7	D. Only one	Only statement I is correct, since MAHASAGAR extends beyond the immediate neighbourhood and AIKEYME involves African nations.

India-UAE Partnership: Trade and Energy

1	C. 2032	The booklet says the two countries agreed to double bilateral trade to over USD 200 billion by 2032.
2	A. India	The booklet states that India became the first country with which the UAE signed a CEPA in 2022.
3	D. 18%	The booklet says the UAE accounted for 18% of India's remittance flows.
4	B. A is false but R is true	The booklet describes a 10-year LNG supply, so A is false while R is true.
5	B. I-C, II-A, III-D, IV-B	Desert Cyclone is the military, Zayed Talwar the naval, Desert Eagle the Air Defence Force, and the BAPS temple is in Abu Dhabi.
6	A. I and III only	Statement II is wrong because bilateral trade was US\$ 100 billion in FY 2024-25, while I and III match the booklet.
7	C. Only two	Statements 1 and 3 match the booklet, while statement 2 is wrong because the Prime Minister is Mohammed bin Rashid Al Maktoum.

The UAE and Its Migrant Workers

1	C. Mohammed bin Zayed Al Nahyan	The booklet names Mohammed bin Zayed Al Nahyan as President and Mohammed bin Rashid Al Maktoum as Prime Minister.
2	A. Oman and Saudi Arabia	The booklet says the UAE shares land borders with Oman and Saudi Arabia.
3	D. The in-country sponsor, typically the employer	Under Kafala, the in-country sponsor, typically the employer, controls the worker's visa and legal status.
4	B. Both A and R are true and R is the correct explanation of A	Because workers need the sponsor's permission to leave, the restriction in R explains the restricted movement named in A.
5	A. I-D, II-C, III-B, IV-A	Kafala means sponsorship in Arabic, Barakah is the Arab world's first nuclear power plant, Abu Dhabi is the capital, and the dirham is the currency.
6	D. I and II only	Statements I and II match the booklet, while III is wrong because Kafala workers cannot change jobs without the sponsor's permission.
7	B. Only one	Only statement 2 matches the booklet, since the capital is Abu Dhabi and the currency is the dirham.

Republic Day: History and Origins

1	A. I only	Only statement I is correct, since Republic Day is on 26 January and Constitution Day is on 26 November.
2	D. I-C, II-D, III-A, IV-B	The Constitution was adopted on 26 November 1949, took effect on 26 January 1950, India gained independence on 15 August 1947, and the Poorna Swaraj resolution was passed in December 1929.
3	D. Only two	Statements I and III are correct, while II is wrong because the Constitution was adopted on 26 November 1949.
4	C. Independence Day or Poorna Swaraj Day	From 1930 to 1947, 26 January was celebrated as Independence Day or Poorna Swaraj Day.
5	B. Total self-rule, sovereignty and complete independence from British rule	The Poorna Swaraj resolution called for total self-rule, sovereignty and complete independence from British rule.
6	B. Indian Independence Act 1947 and Government of India Act 1935	The Constitution repealed the Indian Independence Act 1947 and the Government of India Act 1935.

Flag Unfurling and Hoisting

1	C. President of India	The President, as Head of State, unfurls the Tricolour on 26 January.
2	A. Rise of a new nation, patriotism and freedom from colonial rule	Hoisting symbolises the rise of a new nation, patriotism and freedom from colonial rule.
3	D. At the bottom of the pole	On 15 August the flag is positioned at the bottom of the pole and raised from bottom to top.
4	B. Both A and R are true and R is the correct explanation of A	The flag is attached at the top of the pole in folded form before unveiling, which is why it is unfurled rather than hoisted.
5	C. I-C, II-D, III-B, IV-A	Republic Day involves unfurling, Independence Day involves hoisting, the Head of State is the President and the Union Government is headed by the Prime Minister.
6	B. I and III only	Statements I and III are correct, while II is wrong because the flag is raised from bottom to top on 15 August.
7	C. Only two	Statements II and IV are correct, while I and III are wrong because unfurling is done on 26 January and hoisting on 15 August.

UGC: Origins and Early Functions

1	B. 1953	The UGC was formally inaugurated in 1953, while 1945 is the year the earlier University Grants Committee was set up.
2	D. Dr. S. Radhakrishnan	Dr. S. Radhakrishnan chaired the University Education Commission, which is dated 1948 in the text.
3	A. 1952	In 1952, the government entrusted the UGC with oversight of higher education grants.
4	C. Both A and R are true, and R correctly explains A	The UGC is a statutory body because it was constituted under the UGC Act, 1956.
5	A. I-D, II-C, III-B, IV-A	The Sargeant Report is 1944, the committee was set up in 1945, its expansion came by 1947 and the commission was in 1948.
6	C. I and III only	Statements I and III are correct, while the UGC was formally inaugurated in 1953, not 1945.
7	B. Only two	Statements I and III are correct, while the headquarters is in New Delhi, not Mumbai.

Concerns About the Equity Rules

1	C. Criminal consequences	Critics say students and faculty could fear criminal consequences.
2	A. The social and demographic composition of campuses	Critics fear the framework may indirectly influence the social and demographic composition of campuses.
3	D. Excessive fees charged to complainants	Excessive fees for complainants is not a concern in the text, while the other three are listed concerns.
4	B. Both A and R are true and R correctly explains A	The automatic linkage to police is cited as a reason why open reporting may be discouraged.
5	A. I-B, II-C, III-D, IV-A	Each concern is paired with the consequence the text links to it.
6	C. I and III only	Statements I and III reflect the concerns, while the regulations are criticised for lacking confidentiality for the accused.
7	B. Only two	Statements I and III are correct, while the regulations lack confidentiality for the accused.

Launch, Aim and Management: MCQ practice

1	C. Fostering startup culture and building an inclusive ecosystem for innovation and entrepreneurship	The initiative aims to foster startup culture and build an inclusive ecosystem for innovation and entrepreneurship.
---	--	---

2	B. Soonicorn	A soonicorn is a startup with the potential to reach a valuation of 1 billion dollars in the near future.
3	B. 100 billion dollars	A hectocorn is a startup with a valuation of 100 billion dollars.
4	D. A is false but R is true	The initiative was launched on 16 January 2016, so A is false, while R matches the booklet's management details.
5	C. I and III only	Statement II is wrong because a soonicorn is only expected to reach 1 billion dollars, so only I and III are correct.
6	A. Only one	Only statement II is correct, since DPIIT manages the initiative, while the other two contradict the booklet.
7	A. Department for Promotion of Industry and Internal Trade	DPIIT stands for Department for Promotion of Industry and Internal Trade.

Eligibility and Core Features: MCQ practice

1	B. Single-window clearances	The initiative offers single-window clearances to streamline processes for startups.
2	C. I-C, II-A, III-D, IV-B	The booklet pairs the age limit with under 10 years, turnover with under 100 crore, tax exemption with 3 years, and sector policies with biotechnology, agriculture and renewable energy.
3	A. Simplified compliance	Simplified compliance is listed as one of the ease of doing business measures.
4	A. Only two	Statements I and III are correct, while II wrongly gives five years instead of three.
5	C. A is false but R is true	A is false because headquarters in India is required, which R states.
6	B. I and II only	Statement III is wrong because the turnover condition requires annual turnover less than 100 crore.
7	D. Early-stage funding	The booklet says the Fund of Funds for Startups supports early-stage funding.

Mentorship, Networking and Events: MCQ practice

1	C. Non-metro cities	The booklet says the BHASKAR Platform aims to empower non-metro cities.
2	A. Intelligent matchmaking between mentors and startups	MAARG offers intelligent matchmaking between mentors and startups.
3	D. A is false but R is true	BHASKAR was launched in 2024, so A is false, while R is true.
4	B. Bharat Startup Knowledge Access Registry	BHASKAR stands for Bharat Startup Knowledge Access Registry.
5	C. I and III only	Statement II is wrong because MAARG stands for Mentorship, Advisory, Assistance, Resilience and Growth.
6	B. Only two	Statements I and III are correct, while II wrongly gives 2022 instead of 2024.
7	A. Startup Mahakumbh	Startup Mahakumbh is the flagship event that brings together these participants.

Farm Safeguards and CBAM

1	C. Poultry	Poultry is one of India's four excluded items, along with dairy, wheat and rice.
2	A. Beef	The EU's negative list covers beef, sugar and rice, while dairy and wheat are on India's list.

3	D. Textiles and apparel	CBAM covers cement, aluminium, fertilisers, iron and steel, hydrogen and electricity, while textiles instead gain zero-duty access to the EU.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the ETS-linked price explains how certificates are priced rather than why importers must buy them.
5	C. I-D, II-C, III-B, IV-A	Each correct pairing follows the booklet's CBAM timeline, credit rule and negative lists.
6	C. I and III only	India got an MFN assurance but not a full exemption, and wheat is on India's negative list.
7	B. Only two	Iron and steel and rice are correct, while beef is on the EU's list rather than India's.

Towards 2030 Agenda Pillars

1	D. Security and Defence	The Security and Defence pillar focuses on maritime security in the Indo-Pacific region.
2	A. Enablers: Skills and Mobility	The Enablers pillar, covering skills and mobility, includes a European Legal Gateway in India.
3	C. Technology and Innovation	The Technology and Innovation pillar covers joint development in semiconductors, 6G and quantum computing.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but adoption at a summit does not explain why the framework runs for five years.
5	B. I-B, II-D, III-A, IV-C	Each initiative sits under the pillar the booklet places it in: green hydrogen under Prosperity, Horizon Europe under Technology, IMEC under Connectivity and drones under Security.
6	D. I and III only	Qualification recognition is targeted by 2030 and the Trade and Technology Council sits under Technology and Innovation, while the security focus is the Indo-Pacific rather than the Arctic.
7	C. Only two	IMEC and the Enablers pillar are correctly placed, but the agenda was adopted at the 16th summit, not the 15th.

EU Institutions and Ties

1	C. I and III only	The EU received the Nobel Peace Prize in 2012 and the European Council is composed of heads of state or government, whereas Malta is the smallest member.
2	C. I-C, II-D, III-B, IV-A	The booklet's key institutions section assigns each body its function: Council sets direction, the Court ensures uniformity, the ECB manages the euro and Parliament co-legislates.
3	B. Only two	Parliament elections are held every five years and Ireland is one of the two EU exceptions to Schengen membership, so only the second statement is wrong.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the currency's status does not explain the launch year.
5	A. France	The booklet says France is the largest by area, while Germany has the largest population.
6	B. European Commission	The European Commission is the executive body that proposes laws, enforces rules and manages the budget.
7	D. 2020	The UK's withdrawal in 2020 reduced EU membership from 28 to 27.

Demographic Winter: Indicators and Key Terms

1	B. 2.1	The booklet gives 2.1 children per woman as the replacement level for population stability.
2	C. An inverted population pyramid with a shrinking young population and an expanding elderly population	The booklet lists an inverted population pyramid, with a shrinking young population and an expanding elderly population, as a key indicator.
3	A. Shrinking workforce threatening future labour supply	The booklet says a shrinking workforce threatens future labour supply as youth replacement falls short over time.
4	D. A is false but R is true	The booklet says a rebound is unlikely below replacement level, so A is false while R is true.
5	C. I-D, II-C, III-B, IV-A	Demographic winter is a persistent decline, total fertility rate is average births per woman, the dividend is growth potential, and fertility covers births at ages 15-49.
6	A. I and II only	Statements I and II match the booklet, while III contradicts its finding that a rebound is unlikely below replacement level.
7	B. Only two	The first two statements match the booklet, and the third reverses the description of an inverted pyramid.

Causes and Impacts of Demographic Winter

1	D. High housing and education costs	The booklet cites career priorities, economic insecurity, and high housing and education costs as reasons for delayed marriage and parenthood.
2	A. Greater reproductive autonomy	The booklet says greater access to family planning gives greater reproductive autonomy and reduces unintended births.
3	C. Greater isolation of the elderly	The booklet states that smaller families disrupt traditional support systems, leading to greater isolation of the elderly.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the overpopulation problem of high-fertility states does not explain youth shortages elsewhere.
5	D. I-D, II-C, III-A, IV-B	Delayed milestones match later marriages, urbanisation matches costlier housing, family planning reduces unintended births, and societal shifts include female workforce participation.
6	C. I and III only	Statements I and III match the booklet, while II reverses its finding that a rebound is unlikely once rates fall below replacement.
7	B. Only two	The first two statements are in the booklet, and the third reverses its point that family planning reduces unintended births.

Reasons Behind China's Population Decline

1	A. One-Child Policy	The booklet credits the One-Child Policy with reducing the total fertility rate from 2.75 in 1979.
2	A. I-C, II-D, III-B, IV-A	Female education enhances women's autonomy, COVID-19 accelerated the decline, job competition discourages marriage, and changing norms reduce pressure to marry early.
3	C. I only	Only the first statement matches the booklet; the other two reverse its findings on rebound and family pressure.
4	D. 2016	The booklet says the One-Child Policy officially ended in 2016 with the Two-Child Policy.
5	B. Only two	The first two statements match the booklet, and the third is contradicted by its finding that fertility did not rebound.
6	C. Growing disengagement from traditional family structures	The booklet links growing disengagement from traditional family structures to reduced pressure to marry early or have several children.

Fisheries Sector in India: MCQ Practice

1	C. I-D, II-C, III-B, IV-A	The booklet gives 197.75 lakh tonnes, 6,327 dolphins, Rs 6,000 crore and the 2023-24 to 2026-27 period for these items.
2	B. 7.43%	The booklet states that fisheries contribute 7.43% to agriculture GVA, the highest among agriculture and allied sectors.
3	A. 2006	The booklet says the National Fisheries Development Board was established in 2006.
4	C. Only three	Statements I to III match the booklet, while IV is wrong because the Sagarmala Programme focuses on port-led development.
5	A. I and II only	Statements I and II match the booklet, while III confuses National Fish Farmers Day (July 10) with World Fisheries Day (Nov 21).
6	D. United States	The booklet names the United States as the largest importer of Indian seafood.

WTO Fisheries Subsidies: MCQ Practice

1	B. Overfished stocks	The booklet lists subsidies for fishing on overfished stocks among the prohibited subsidies.
2	D. Illegal, Unreported and Unregulated (IUU) fishing	The booklet states that subsidies linked to IUU fishing are prohibited.
3	A. Unregulated high seas	The booklet lists support for fishing in unregulated high seas as prohibited.
4	C. Both A and R are true and R is the correct explanation of A	The booklet gives protection of small fishers, livelihoods and food security as India's reason for not joining.
5	B. I-C, II-D, III-A, IV-B	Members must submit fisheries-related data, subsidies for overfished stocks are prohibited, India did not join, and developing countries get flexibility within common rules.
6	D. I and III only	Statements I and III match the booklet, while II contradicts the flexibility the booklet gives developing countries within common rules.
7	A. Only two	Statements I and IV match the booklet, while II and III are wrong.

PSLV-C62 payloads: MCQ practice

1	C. Strengthen space-based Earth observation and monitoring	The booklet says EOS-N1 is meant to strengthen space-based Earth observation and monitoring.
2	A. Mauritius	The booklet lists commercial payloads from India, Mauritius, Luxembourg, UAE, Singapore, Europe and the US.
3	D. Kestrel Initial Demonstrator	The booklet expands KID as Kestrel Initial Demonstrator.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements appear in the booklet, but the developer of KID does not explain the orbit intended for EOS-N1.
5	A. I-D, II-C, III-A, IV-B	The booklet pairs EOS-N1 with hyperspectral imaging, AayulSAT with refuelling, KID with a Spanish startup, and KID's mission with splashdown in the South Pacific Ocean.
6	C. I and II only	Statements I and II match the booklet, while AayulSAT was developed by Bengaluru-based OrbitAID Aerospace, not a Spanish startup.
7	B. Only two	Statements I and II are in the booklet, while III and IV contradict it, since EOS-N1 was developed for DRDO's Strategic Applications and AayulSAT is a refuelling payload.

Launch vehicles and private players: MCQ practice

1	C. SSLV	The booklet says the SSLV is suited to launching multiple microsatellites and shifts that burden from the PSLV.
2	B. 30 tonnes	The booklet gives the NGLV's maximum payload capability as 30 tonnes.
3	D. SubOrbital Technology Demonstrator	The booklet says SORTeD stands for SubOrbital Technology Demonstrator.
4	A. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the 2022 failure of SSLV-D1 does not explain the later success of SSLV-D2.
5	A. I-B, II-C, III-D, IV-A	The booklet matches SLV with ISRO's first satellite launch vehicle, GSLV with deep-space payloads, SSLV with multiple microsatellites, and RHUMI-1 with India's first reusable hybrid rocket.
6	C. I only	Only statement I matches the booklet, since the NGLV's maximum payload is 30 tonnes and SSLV-D1 failed in 2022.
7	D. Only two	Statements I and II match the booklet, while Agnikul Cosmos was founded in 2017 and the NGLV costs 1.5 times LVM3.

Rules 2026 and Sports Bodies

1	C. 50%	Under the Rules, 50% of the Sportspersons of Outstanding Merit in the General Body must be women.
2	D. Union Government	The Union Government notified the Rules, 2026.
3	B. I-D, II-A, III-B, IV-C	The National Paralympic Committee is the sole body for Paralympic sports, and the term, Executive Committee women and minimum age facts match II-A, III-D and IV-C.
4	C. I and II only	Statements I and II reflect the Rules, while III wrongly gives Paralympic sports to the National Olympic Committee instead of the National Paralympic Committee.
5	B. National Olympic Committee	The National Olympic Committee is the sole governing body for Olympic sports in India.
6	B. Only two	Statements I and III are correct, while II wrongly assigns Olympic sports to the National Paralympic Committee.

National Sports Tribunal

1	A. Effective and cost-efficient	The Tribunal is meant to provide independent, speedy, effective and cost-efficient resolution of sports disputes.
2	C. National Anti-Doping Act 2022	Doping-related disputes fall exclusively under the National Anti-Doping Act 2022, outside the Tribunal.
3	A. Medicine	The two other members are experts in sports, public administration or law.
4	D. A is false but R is true	Disputes during major international events like the Olympic Games are excluded, so A is false while R is true.
5	B. I-C, II-D, III-A, IV-B	Election disputes are within the Tribunal's jurisdiction, doping disputes fall under the National Anti-Doping Act 2022, Asian Games disputes are excluded, and the head is a sitting or retired Supreme Court judge or High Court Chief Justice.
6	C. I and III only	Governance matters and athlete selection issues are within the jurisdiction, but Commonwealth Games disputes are excluded.
7	B. Only two	Statements I and III are correct, while II is wrong because doping disputes fall outside the Tribunal under that Act.

Sports Initiatives and Performance

1	C. TOPS	TOPS identifies and supports athletes with potential to win Olympic medals.
2	B. Fit India Movement	The Fit India Movement encourages mass participation in fitness activities.
3	D. Manu Bhaker	Manu Bhaker won bronze in the Women's and Mixed 10 metre air pistol events at Paris.
4	C. A is true but R is false	Gukesh was the second Indian Grandmaster to win the title, after Viswanathan Anand, so R is false while A is true.
5	B. I-D, II-C, III-A, IV-B	Khelo India works at grassroots and elite levels, the Mission Olympic Cell is within the ministry, Praveen Kumar won Paralympic high jump gold, and Gukesh beat Ding Liren.
6	C. I and III only	KIRTI targets children aged 9 to 18 and Khelo India began in 2017, while India won only one silver medal at Paris.
7	A. Only two	Statements I and III are correct, while II is wrong because KIRTI targets school children aged 9 to 18.

Pax Silica and Critical Minerals: MCQ practice

1	B. Ministry of Mines	The booklet names the Ministry of Mines as the nodal ministry for the mission.
2	C. Reasi	The booklet places Salal-Haimana in Reasi district of Jammu and Kashmir.
3	A. Chhattisgarh	The booklet names Korba in Chhattisgarh as the first lithium auctioned site.
4	D. Both A and R are true but R is not the correct explanation of A	Both statements are true, but Singapore's membership does not explain Israel's membership.
5	A. I-D, II-C, III-B, IV-A	The Minerals Security Partnership has India as its only developing member, iCET covers semiconductors, AI and wireless communication, KABIL acquired five brine blocks in Argentina, and the lithium triangle is Argentina, Bolivia and Chile.
6	B. II and III only	Statement I is wrong because the mission runs from FY 2024-25 to 2030-31, while II and III are stated in the booklet.
7	B. Only two	Statements I and III are correct, while iCET was launched in 2022, not 2024.

Schemes and Governance Platforms: MCQ practice

1	B. 2015	The booklet says Swadesh Darshan was launched in 2015.
2	D. Nearly 20%	The audit found that nearly 20% of funds released for state components remained unspent.
3	D. Mission Shakti	The booklet says PMMVY was incorporated into Mission Shakti in 2022.
4	C. I-B, II-A, III-D, IV-C	PRASHAD funds pilgrimage and heritage site infrastructure, Swadesh Darshan 2.0 is destination-centric, PM SVANidhi offers working capital loans, and PMMVY is a conditional cash transfer.
5	A. I only	Only statement I is correct, since PM SVANidhi was launched in 2020 and PRAGATI is a three-tier platform.
6	B. Only two	Statements I and III are correct, while Swadesh Darshan 2.0 shifted from circuit-based to destination-centric infrastructure.

Defence, Diplomacy and Resources: MCQ practice

1	B. Only two	Statements I and II are correct, while the India-Pakistan agreement was signed on 31 December 1988.
---	-------------	---

2	D. OCCAR	The booklet states that DRDO partners with Europe's OCCAR for the Eurodrone programme.
3	A. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the India-Germany trade figure does not explain the nuclear list exchange.
4	C. I and III only	Statement II is wrong because the Indus Waters Treaty was signed in 1960, while I and III are stated in the booklet.
5	C. 1990	The booklet states that the IPKF was withdrawn in March 1990.
6	B. World Bank	The booklet says the Indus Waters Treaty was signed in 1960 with the World Bank as broker.
7	B. I-C, II-D, III-B, IV-A	Pinaka is a long-range artillery weapon system, Sawalkot is a 1856 MW project on the Chenab, the eastern rivers have full rights for India, and the Chancellor's visit was in Gandhinagar.

Type-in-the-answer passages

Crisis and Sanctions Recall

1	PDVSA	The booklet says US sanctions targeted PDVSA (Petroleos de Venezuela, S.A.) to cut off Maduro's oil revenue.
2	2018	The booklet identifies the 2018 presidential elections as widely criticised as unfair and non-transparent.
3	Bolivar	The booklet's country profile lists the Venezuelan Bolivar as the currency.
4	Usurper	The booklet says the National Assembly rejected the election results and called Maduro a 'Usurper'.
5	2019	The booklet states Maduro was sworn in for a controversial second term in January 2019.
6	1823	The booklet gives the Monroe Doctrine as proclaimed in 1823.

Minerals and Arctic Routes: Typed Answers

1	China	The booklet describes the rare earth elements market as China-dominated.
2	Transpolar Sea Route	The booklet names the Transpolar Sea Route as an emerging route opened by melting Arctic ice.
3	Panama	The booklet says new Arctic routes could bypass the Panama Canal and Suez Canal.
4	Near-Arctic State	The booklet states that China labels itself a 'Near-Arctic State'.
5	GIUK	The booklet explains that GIUK stands for Greenland, Iceland and United Kingdom.
6	Thule Air Base	The booklet says Pituffik Space Base was formerly known as Thule Air Base.

Membership and Gaza governance bodies

1	Nickolay Mladenov	The booklet names Bulgarian diplomat Nickolay Mladenov as High Representative for Gaza and on-the-ground liaison.
2	Ali Shaath	The NCAG is chaired by Ali Shaath, a former Palestinian Authority Deputy Minister.
3	15	The NCAG is described as a 15-member committee of politically independent Palestinian technocrats.
4	8	The listed members are the US, UK, Turkey, Qatar, Egypt, UAE, Cyprus and Netherlands, which is eight countries.

5	3	Rotational membership has a 3-year tenure without mandatory financial contribution.
6	1	Permanent membership is available through a reported contribution of USD 1 billion.
7	2027	The Board's initial authorisation lasts until 31 December 2027.

India-Mauritius Recall

1	1948	India and Mauritius established diplomatic relations in 1948.
2	1901	Mahatma Gandhi visited Mauritius in 1901.
3	1987	The Indira Gandhi Centre for Indian Culture was established in 1987 and is India's largest cultural centre abroad.
