

CLAT Express - February 2026: Answer Key

Multiple-choice passages

Supreme Court Verdict Practice

1	A. Brett Kavanaugh	Justice Brett Kavanaugh was one of the three dissenting Justices, along with Clarence Thomas and Samuel Alito.
2	A. I and III only	IEEPA replaced the Trading with the Enemy Act and requires a formal National Emergency declaration, but it is primarily a sanctions tool, not a general tariff law.
3	D. Only one	Only statement I is correct, since the tariffs were invalidated by the Court and were declared under IEEPA, not Section 232.
4	A. Section 122 of the Trade Act 1974	The President used Section 122 of the Trade Act 1974 to impose the 10% temporary tariff on goods from all countries.
5	A. Select automotive components	The booklet states that a 25% tariff on select automotive components remains in force under Section 232.
6	D. 55%	The rollback benefits nearly 55% of India's exports to the US, which had previously faced an 18% levy.

New START Expiry Check

1	A. Vienna, Austria	The booklet lists the IAEA's headquarters as Vienna, Austria.
2	A. Nihon Hidankyo	Nihon Hidankyo received the 2024 Nobel Peace Prize for its efforts toward a nuclear-free world.
3	B. Only two	Statements I and II are correct, while the 1998 Pokhran-II tests were not India's first nuclear test.
4	A. 5 February 2026	New START was valid until 05 Feb 2026 after its extension in 2021.
5	B. I and III only	The ABM Treaty restricted missile defence and Wassenaar has 42 members, while the United States never ratified SALT II.
6	A. 1550	New START placed a ceiling of 1550 deployed strategic nuclear warheads for each country.
7	C. I-B, II-C, III-D, IV-A	Each treaty or regime is matched to the objective the booklet gives for it.

Tarique Rahman's Rise: Practice MCQs

1	A. 17 years	The booklet states that he returned to Bangladesh after 17 years.
2	A. General Ziaur Rahman	The booklet states the BNP was founded by General Ziaur Rahman in 1978.
3	B. Both A and R are true but R is not the correct explanation of A	The booklet lists a unicameral legislature, and direct election of 300 members does not explain that structure.
4	D. I-C, II-D, III-B, IV-A	The Upper House has 100 seats, the Lower House 400, the PM lifetime cap is 10 years and the referendum yes vote was 65.3%.
5	B. I and III only	Mujibur Rahman was assassinated in 1975 and Hasina's first swearing-in was in 1996, while Ziaur Rahman was assassinated in 1981.
6	B. Only two	Statements I and II match the booklet, while the booklet says the Teesta empties directly into the Upper Padma (Ganga) River.
7	A. United Liberation Front of Assam	The booklet says India accused the regime of sheltering ULFA and NDFB.
8	D. 1991	The booklet states she was sworn in as the first female Prime Minister on 20 March 1991.

New Government Check

1	D. Manipur	Manipur has had President's Rule 11 times, the most of any state listed in the booklet.
2	A. Mao	Losii Dikho is the Naga MLA from Mao constituency.
3	B. Only two	Statements I and III are correct, while II is wrong (no approval is needed for revocation) and IV is wrong (J&K had the longest single period).
4	A. I and II only	Statements I and II are correct, while III is wrong because a proclamation can be revoked by the President without Parliamentary approval.
5	A. Yumnam Khemchand Singh	Yumnam Khemchand Singh (BJP) was sworn in as the 13th Manipur Chief Minister.
6	C. A is true but R is false	Manipur became a Union Territory in 1956, but the Meitei demand for ST status has persisted since 2012, so R is false.
7	A. Article 365	Article 365 covers a state's failure to comply with or give effect to directions from the Centre.
8	D. I-D, II-A, III-B, IV-C	Manipur became a Princely State in 1891, the Treaty of Accession came in 1947, Union Territory status in 1956, and the ST demand has persisted since 2012.

Manufacturing and Infrastructure Check

1	A. Strategy for Healthcare Advancement through Knowledge, Technology and Innovation	The booklet expands SHAKTI as Strategy for Healthcare Advancement through Knowledge, Technology & Innovation.
2	D. 2047	The booklet states this tax holiday runs until 2047 to incentivise data localisation.
3	A. 5,000 crore	Each City Economic Region receives 5,000 crore over 5 years through a competitive challenge-based mechanism.
4	D. A is false but R is true	The booklet says the container scheme aims to reduce dependence on Chinese imports, so A is false and R is true.
5	C. I-B, II-D, III-A, IV-C	The booklet links the risk fund to lender guarantees, CCUS to steel and cement, VISTAAR to a multi-lingual AI platform, and the SME fund to Champion enterprises.
6	B. I and II only	The booklet lists seven High-Speed Rail corridors, so the five-corridor claim in statement III is wrong.
7	B. Only two	Statements I and II match the booklet, while statement III contradicts its MSME focus.
8	D. USD 300 Billion	The booklet sets a target of USD 300 Bn for the bio-economy by 2030.

Devolution and fiscal recall

1	A. 17.5%	The 16th Finance Commission raised the Population (2011) weight from 15% to 17.5%.
2	D. 3.5% of GDP	The Commission recommends reducing the Centre's fiscal deficit to 3.5% of GDP by 2030-31.
3	D. I-C, II-A, III-D, IV-B	Statutory grants are under Article 275, discretionary grants under Article 282, the Commission is set up under Article 280 and its report is laid under Article 281.
4	A. I and II only	Statements I and II match the report, while III is wrong because other States follow a 75:25 cost-sharing formula.

5	C. Only one	Only statement I is correct, since cesses and surcharges are excluded from the divisible pool and the Commission was set up under Article 280.
6	D. Cess	A cess is a 'tax on tax' levied by the Central Government for specific purposes such as education and health.

CPI revision: reasons and method

1	A. Ministry of Statistics & Programme Implementation	The booklet states that the Ministry of Statistics & Programme Implementation revised the CPI base year to 2024.
2	D. 2012	The booklet says the revision replaces the 2012 benchmark.
3	A. Biswanath Goldar	The booklet names Biswanath Goldar as the Chairman of the 26-member Advisory Committee.
4	D. A is false but R is true	The booklet says 2024 was identified using 2023-24 Household Consumer Expenditure Survey data, not Census data.
5	B. I-D, II-C, III-A, IV-B	The booklet links 2024 to the revised base year, 2012 to the replaced base, Biswanath Goldar to the chairmanship and the Laspeyres Index to the formula.
6	C. I and III only	Statement II is wrong because CPI 2012 did not cover online markets, while statements I and III match the booklet.
7	B. Only two	Statements I and III are correct; II is wrong because rural inflation (2.73%) was below urban (2.77%), and IV is wrong because tape recorders were removed.
8	A. OTT Subscriptions	The booklet lists OTT subscriptions among the newly added items, while cassettes, radios and second hand clothing were removed.

Declaration and Commitments

1	D. Global AI Impact Commons	The Global AI Impact Commons shares successful AI solutions and enables global replication of best practices.
2	D. Progress	Progress is the Sutra defined as Sustainable Societal Impact.
3	A. 87	The Declaration was endorsed by 87 countries and 2 international organisations.
4	C. A is true but R is false	A is true because the 'A' stands for Accountable Governance, while R is false because the 'N' stands for National Sovereignty.
5	B. I-C, II-A, III-D, IV-B	VoicERA is the national execution layer, BODH is a privacy-preserving health AI benchmarking platform, Vachana is a 12-language TTS model and Param2 17B is BharatGen's multilingual model.
6	D. II and III only	BODH is positioned under the Ayushman Bharat Digital Mission, so statement I is false while II and III are correct.
7	C. Only two	The framework was unveiled at the India AI Impact Summit 2026, so statement b is false while a and c are correct.
8	A. 22	Bharat GenAI models are tailored to 22 Indian languages, cultural contexts and societal needs.

CPI 2025 Global Picture and Bodies

1	D. Berlin, Germany	The booklet's profile of Transparency International gives its headquarters as Berlin (Germany).
2	B. Both A and R are true but R is not the correct explanation of A	India moved from 96th to 91st, but a score below the global average does not explain that rank improvement.
3	A. Prevention of Corruption Act, 1988	The Prevention of Corruption Act 1988 provides penalties for corruption by public servants and for abetment of corruption.

4	D. 1993	The booklet states that Transparency International was founded in 1993.
5	C. I-D, II-A, III-B, IV-C	CBI was formed in 1963, ED was set up in 1956, the CVC got statutory status under the CVC Act 2003, and the CAG is cited under Art 148.
6	C. I and II only	The booklet says the Secretary-General is appointed by the General Assembly, so statement III is incorrect.
7	B. Only three	Statements I, II and IV are correct, while III is wrong because India ranked 91st in 2025.
8	A. 6 years or up to the age of 65 years	The booklet states that the CAG holds office for 6 years or up to the age of 65 years.

Project and Clearance Practice

1	A. Campbell Bay and Galathea Bay	The booklet names Campbell Bay and Galathea as the two national parks on the island.
2	D. Only three	The booklet lists the terminal, the gas and solar power plant and the airport, but not a nuclear power plant.
3	D. A retired Supreme Court judge or High Court Chief Justice	The booklet says the Chairperson is a retired Supreme Court judge or High Court Chief Justice, appointed in consultation with the Chief Justice of India.
4	A. 2021	The booklet records the project's launch year as 2021, credited to NITI Aayog.
5	A. Tropical rainforest	The booklet says the island is mostly tropical rainforest and that the project diverts it.
6	C. I-C, II-A, III-D, IV-B	Shompen is a PVTG, Barren Island is an active volcano, Indira Point is the southernmost point and Campbell Bay is a national park.

Wetlands and the Ramsar Framework

1	A. Bolivia	The booklet states that Bolivia has the largest area under Convention protection.
2	D. Every 3 years	The booklet says the Conference of Parties meets every 3 years.
3	A. 1990	The booklet states that the Montreux Record was launched in 1990.
4	C. A is true but R is false	The booklet classifies wetlands into three segments, one of which is human-made, so R is false while A is true.
5	B. I-B, II-D, III-A, IV-C	Patna Bird Sanctuary is in Etah District, Chhari-Dhand is known for Chir Batti lights, accreditation is valid for 6 years, and COP15 was held in Victoria Falls.
6	D. I and II only	Statement III is wrong because the booklet says Chilka Lake was placed on the record but was later removed from it.
7	C. Only three	Statement II is wrong because the Convention came into force in 1975, so statements I, III and IV are correct.
8	A. Chilka Lake	The booklet notes that Chilka Lake (Odisha) was placed in the record but was later removed from it.

Parliament, Governor and Speaker

1	A. Only one	Only statement I is correct, since a passed amendment is an indirect censure and defeat does not automatically lead to resignation.
2	C. I-D, II-C, III-A, IV-B	Article 87(1) covers the President's address, Article 176 the Governor's address, Article 163 aid and advice, and Article 94 the removal of the Speaker.

3	B. Speaking and voting in the first instance	The Speaker can speak, participate and vote in the first instance during their own removal, but cannot preside or use a casting vote.
4	C. The President's address to both Houses of Parliament	Article 87(1) requires the President to address both Houses at the commencement of the first session after each general election and at the first session of each year.
5	D. None	The booklet states that none of the instances (G.V. Mavalankar, Sardar Hukam Singh and Balram Jakhar) led to an actual removal.
6	D. 14 days	Notice of at least 14 days must be given in writing to the Secretary-General before the resolution is moved.
7	B. I and III only	Statement I and III are correct, while statement II is wrong because the Speaker has no casting vote during their own removal.

Defence and missiles: MCQ practice

1	A. Biennial	The booklet lists the World Defence Show frequency as biennial.
2	D. A is true but R is false	The booklet lists nuclear warheads as a payload option but names DRDO, not the Gas Turbine Research Establishment, as the developer.
3	B. LCA Tejas	The booklet ties the Kaveri programme to fighter aircraft and names LCA Tejas.
4	A. I-D, II-A, III-B, IV-C	Kaveri progress was reviewed at GTRE, Agni-III was developed by DRDO, GAMI organises the show, and the show was held in Riyadh.
5	D. Cyber	The booklet lists the five domains as Air, Land, Sea, Space and Security, so Cyber is not one of them.
6	A. Beyond 3000 km	The booklet states the Agni-III range as beyond 3000 km.
7	D. I and II only	Statements I and II match the booklet, while III is wrong because the show is biennial, not annual.
8	B. Only two	Statement I is wrong because the booklet lists nuclear warheads too, while II and III are correct.

IEEPA: Scope and Purpose

1	B. Jimmy Carter	The booklet states that the Act was enacted by President Jimmy Carter in 1977.
2	D. Trading with the Enemy Act (1917)	The booklet says the IEEPA was enacted to replace the Trading with the Enemy Act of 1917.
3	A. Formally declare a National Emergency	The booklet states that the President must formally declare a National Emergency before invoking IEEPA.
4	D. 02 April 2025	The booklet dates the Liberation Day Executive Order to 02 April 2025.
5	C. I and III only	Statement I and III are stated in the booklet, while II is wrong because the Act replaced the Trading with the Enemy Act.
6	A. Only one	Only statement III is correct, since the Act replaced the Trading with the Enemy Act and requires a declared emergency.

Rollback and the 2026 Trade Deal

1	B. 18%	The booklet states that the benefitting goods previously faced an 18% levy.
2	D. A 25% penalty for purchasing Russian oil	The booklet states that the 25% penalty previously imposed for purchasing Russian oil has been eliminated.
3	A. Cotton and nuts	The booklet names cotton and nuts as the US agricultural exports for which India aims to remove barriers.

4	C. Both A and R are true and R explains A	Both statements are true, and the procurement commitments are the non-tariff commitments that show the deal goes beyond tariff relief.
5	C. 50%	The booklet states that Section 232 tariffs of 50% on steel and aluminium remain in force.
6	D. I and III only	Statements I and III match the booklet, while II is wrong because the penalty has been eliminated.
7	B. Only two	Statements I and III are in the booklet, while II is wrong because the penalty has been eliminated.

US Congress Structure

1	B. 435	The booklet states that the House of Representatives has 435 seats.
2	C. One-third	The booklet says elections are held every 2 years for one-third of the Senate's seats.
3	A. Six years	The booklet states that senators are elected for six years.
4	D. Both A and R are true, and R explains A	Both statements are true, and the difference in term lengths is the reason House members face voters more often.
5	C. I-D, II-C, III-A, IV-B	The Senate has 100 seats, the House has 435, senators serve 6 years and House members serve 2 years.
6	A. I and II only	Statements I and II are in the booklet, while III is wrong because House members serve two years and senators six years.
7	B. Only one	Only statement I is correct, since the House has 435 seats and Congress is bicameral.

Cold War Arms Control Milestones: MCQ Practice

1	D. Anti-Ballistic Missile (ABM) Treaty	The first SALT round (1969-1972) resulted in the Anti-Ballistic Missile (ABM) Treaty.
2	B. Soviet military intervention in Afghanistan	The United States never ratified SALT II owing to Soviet military intervention in Afghanistan.
3	C. 6,000	START I capped nuclear warheads at 6000 and also enforced inspections.
4	A. Both A and R are true and R is the correct explanation of A	Russia's withdrawal after the US exit from the ABM Treaty triggered the collapse of START II.
5	B. I-C, II-A, III-D, IV-B	SALT II set limits on delivery systems, START I enforced inspections, START II aimed at 3,500 weapons, and SORT is also known as the Moscow Treaty.
6	C. I and III only	SORT was an interim agreement and START I expired in 2009, while START II's target was 3,500, not 6000.
7	A. Only one	Only the first statement is correct, since SORT is the Moscow Treaty and the US never ratified SALT II.

Nuclear Treaties and Control Regimes: MCQ Practice

1	C. Outer Space Treaty	The Outer Space Treaty (1967) bans deployment of weapons of mass destruction in outer space.
2	A. Nuclear-weapon and non-nuclear-weapon states	The NPT classifies nations as nuclear-weapon states and non-nuclear-weapon states.
3	B. Ratification by key nuclear-armed states is pending	The CTBT remains non-operational because ratification by key nuclear-armed states is still pending.
4	D. Both A and R are true and R is the correct explanation of A	The Australia Group was established after chemical weapons use in the Iran-Iraq War, which is the reason for its formation.

5	B. I-C, II-A, III-D, IV-B	The NPT is dated 1968, the CTBT 1996, the TPNW 2017, and the MTCR 1987.
6	C. I and III only	The MTCR is an informal understanding and the CTBT seeks a testing ban, while the TPNW bans rather than permits possession.
7	B. Only two	Statements I and III are correct, while the Australia Group is an informal forum rather than a formal treaty.

2026 Election Results: Practice MCQ

1	B. Bangladesh Nationalist Party	The booklet states that the Bangladesh Nationalist Party, led by Tarique Rahman, won the 13th General Election.
2	C. Parliament South Plaza in Dhaka	The booklet says he took the oath at Parliament South Plaza in Dhaka.
3	A. Awami League	The booklet says the election ended the Awami League's two-decade dominance.
4	D. Both A and R are true but R is not the correct explanation of A	Both statements appear in the booklet, but direct election by first-past-the-post does not explain why the legislature has one house.
5	C. I-D, II-A, III-B, IV-C	The booklet gives the BNP 209 seats, Jamaat-e-Islami 68, the National Citizen Party 6, and 50 seats reserved for women.
6	D. I and III only	Statements I and III are in the booklet, while Jamaat-e-Islami won 68 seats against the BNP's 209.
7	B. Only two	Statements I and III match the booklet, while the BNP won 209 seats, not 68.

India-Bangladesh Ties: Practice MCQ

1	B. Bharat Bangla Maitri Bridge	The booklet describes the Bharat Bangla Maitri Bridge as built over the Feni River, connecting Sabroom with Ramgarh.
2	C. Sampriti	The booklet lists Sampriti as the army joint exercise, while Bongosagar is the navy exercise.
3	A. US\$ 14.01 billion	The booklet records trade in FY 2023-24 at US\$ 14.01 billion.
4	C. Both A and R are true and R is the correct explanation of A	The booklet links the strained ties of 2001-2006 to India's accusation that the regime sheltered insurgent groups.
5	D. I-D, II-C, III-B, IV-A	The booklet dates the Land Boundary Agreement to 2015, the Golden Chapter to 2009-2024, the interim period to 2024-2026, and the BNP-led government to 2001-2006.
6	D. I and III only	Statements I and III are in the booklet, while the bridge is over the Feni River, not the Teesta.
7	B. Only two	Statements I and II match the booklet, while Bongosagar is a navy exercise.

Kuki-Zomi and Meitei Tensions

1	B. Meitei community	The Meitei community's demand for ST status, persisting since 2012, is listed as an immediate trigger of the violence.
2	A. Resignation of the Chief Minister	While the Meitei community backed Chief Minister Biren Singh, the Kukis demanded his resignation.
3	C. Forest encroachment	The state evicted 16 Kuki households over forest encroachment, which sparked protests from tribal groups.
4	B. I-C, II-D, III-A, IV-B	The demand persisted since 2012, tribal status was lost after the 1949 merger, the union petitioned the High Court, and the state withdrew from the agreement in March 2023.

5	D. I and II only	Statements I and II match the text, while statement III is wrong because the state withdrew from that agreement.
6	C. Only two	Statements I and III are correct, while statement II is wrong because the evicted households were Kuki.

Manipur's Long-Standing Divides

1	B. 52 per cent	Meiteis comprise 52 per cent of Manipur's population.
2	D. Only two	Statements I and III are correct, while statement II is wrong because Meiteis are restricted from buying land in much of the state.
3	A. Imphal Valley	Tribals can buy land in the Imphal Valley, while Meiteis are restricted from buying land in about 90 per cent of Manipur.
4	C. I and III only	Statements I and III are correct, while II is wrong because hill areas hold only 20 of the 60 seats.
5	C. Armed Forces (Special Powers) Act	The booklet describes the Armed Forces (Special Powers) Act as granting extensive powers to the military, linked to allegations of human rights abuses.
6	B. I-C, II-D, III-B, IV-A	Village growth is linked to migrants, the coup to the refugee crisis, the Golden Triangle to drug trafficking, and the Nagas and Kukis to autonomy demands.

Records of President's Rule

1	C. Article 356	Article 356 empowers the President to issue a proclamation when a state government cannot be carried on per the Constitution.
2	B. Only suspend it	Till Parliament approves, the President can only suspend the Legislative Assembly.
3	D. The President	The President can declare that the powers of the State Legislature are to be exercised by Parliament.
4	C. A is true but R is false	A is true because a revocation needs only a subsequent proclamation, so R, which says approval is required, is false.
5	B. I-B, II-D, III-A, IV-C	Punjab was 1951, Pepsu 1953, Andhra 1954, and the 38th Amendment Act was 1975.
6	B. I and III only	Statements I and III are correct, while II is wrong because the President issues the proclamation.
7	A. Only one	Only statement I is correct, since Punjab was first and revocation needs no parliamentary approval.

Vision and Pillars MCQ

1	C. I-B, II-D, III-A, IV-C	The budget was tabled on Sunday, prepared in Kartavya Bhawan, and the two pillars aim at regional growth and manufacturing respectively.
2	C. Sunday	The booklet says the first-ever Union Budget was tabled on a Sunday, a Parliamentary first.
3	A. Only three	Statements I, III and IV are correct, while statement II is wrong because the budget was tabled on a Sunday.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the MSME pillar does not explain why the budget was tabled on a Sunday.
5	D. I and III only	Statement II is wrong because the budget was tabled on a Sunday, while I and III match the booklet.
6	D. Sabka Saath, Sabka Vikas	The three Kartavyas are Sustain Economic Growth, Fulfill Aspirations, and Sabka Saath, Sabka Vikas.

7	A. Ensuring long-term security and stability in economic and financial systems	The pillar on ensuring long-term security and stability covers economic and financial systems.
---	--	--

Budget Process and Parliament MCQ

1	B. Article 112	Article 112 in Part V requires the annual statement of estimated receipts and expenditure.
2	D. Department of Economic Affairs	The Budget Division sits in the Department of Economic Affairs of the Ministry of Finance.
3	C. 2017	The Railway Budget, presented separately for 92 years, was merged with the Union Budget in 2017.
4	D. I-B, II-D, III-A, IV-C	Money bills start in Lok Sabha, Rajya Sabha returns them within 14 days, the Railway Budget was presented separately, and Chetty presented the first post-independence budget.
5	C. I and III only	Statements I and III are correct, while Rajya Sabha has no power to vote on demands for grants.
6	A. Only two	Statements I and II are correct, while Part B covers taxation proposals and Money bills are introduced in Lok Sabha.
7	A. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the 14-day return rule does not explain why such bills start in Lok Sabha.

Grants, Cess and Surcharge

1	D. A is false but R is true	Cesses are excluded from the divisible pool and not shared with States, so A is false and R is true.
2	D. Surcharge	The booklet states the surcharge is not shared with State Governments and is at the exclusive disposal of the Union Government.
3	C. Discretionary grants	The booklet says the Centre is under no obligation to give discretionary grants, which lie within its discretion.
4	B. II only	Only statement II is correct, since statutory grants are not given to every State and the Centre has no obligation for discretionary grants.
5	C. I-C, II-D, III-B, IV-A	The surcharge matches the high-income tax, SASCI matches the interest-free loans, Article 282 matches discretionary grants, and Article 275 matches statutory grants.
6	A. Only one	Only statement II is correct, since the surcharge is not shared with States and charged grants are statutory, not discretionary.
7	B. Statutory grants	The booklet states that statutory grants under Article 275 are charged on the Consolidated Fund of India every year.

Impact, Concerns and the Commissions

1	C. 50%	The booklet notes that the States' share stays at 41 per cent despite demands for 50 per cent.
2	C. I and II only	Statements I and II are correct, while statement III is false because K.C. Neogy chaired the First Commission.
3	D. I-B, II-C, III-D, IV-A	The First Commission was chaired by K.C. Neogy, the Second by K. Santhanam, the Eighth by Y.B. Chavan and the Fifteenth by N.K. Singh.
4	B. Only two	Statements I and III are correct, while statement II is false since Finance Commissions have been appointed since 1951.
5	D. Southern States	The booklet says the reduced demographic weight raises Ageing Before Prosperity fears, particularly in Southern States.

6	A. Both A and R are true and R is the correct explanation of A	Both statements are in the booklet, and the structural disadvantages are the reason the discontinued grants would hurt these States.
---	--	--

CPI Measures and Their Significance

1	C. 2% to 6%	The current inflation target is 4%, with a band of 2% (2% to 6%).
2	B. Urban areas at 2.77%	Urban inflation was 2.77% against 2.73% for rural areas in January 2026.
3	D. Retail inflation	CPI is the main indicator of retail inflation.
4	A. Both A and R are true and R is the correct explanation of A	The booklet links the need for CPI base revision to the structural shifts in consumption since 2012.
5	C. Greater statistical credibility	Base revision brings greater statistical credibility, along with better reflection of the cost of living and improved monetary policy transmission.
6	A. I and II only	Statements I and II are correct, while CPI includes both goods and services, so III is wrong.
7	D. Only two	Statements I and II are correct, but the current inflation target is 4%, so III is wrong.

CPI and WPI Compared

1	C. National Statistical Office	The CPI is released by the National Statistical Office (NSO).
2	B. 2011-12	The WPI base year is 2011-12.
3	D. Wholesale Price Index	The WPI does not reflect up-to-date expenditure patterns, whereas the CPI does.
4	B. Both A and R are true; R does not explain A	Both statements are true, but the WPI covering only goods does not explain the CPI's coverage.
5	A. Ministry of Commerce and Industry	The WPI is released by the Office of Economic Adviser, Ministry of Commerce and Industry.
6	C. I and II only	Statements I and II are correct, while the WPI includes only goods and does not cover services, so III is wrong.
7	A. Only two	Statements I and II are correct, but the CPI base year is 2024, so III is wrong.

Summit Theme and Objectives: MCQ practice

1	C. Bharat Mandapam, New Delhi	The booklet states the summit was held at Bharat Mandapam in New Delhi.
2	B. Geneva	The booklet says Switzerland will host the 2027 World Summit on AI in Geneva.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the reason describes one objective and does not explain why the summit set out four objectives.
4	C. 7	The booklet lists seven Chakras (Priority Cooperation Areas) for the summit.
5	A. I and II only	Statements I and II match the booklet, while III wrongly places the summit in Europe.
6	C. Only three	Statements I, II and III are correct, while IV wrongly names Paris instead of Geneva.
7	D. Building partnerships between governments, startups, academia and industry	Objective 3 is to build partnerships between governments, startups, academia and industry.

Previous Summits and M.A.N.A.V.: MCQ practice

1	C. United Kingdom	The booklet states that the UK hosted the 1st AI Safety Summit and adopted the Bletchley Declaration.
2	D. 2025	The booklet lists the 3rd AI Action Summit as held in 2025 in Paris, France.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the reason defines Sovereign AI and does not explain the 'V' principle.
4	C. Accessible and Inclusive AI	The second 'A' stands for Accessible and Inclusive AI, which aims to bridge the digital divide and reach marginalised populations.
5	A. I and II only	Statements I and II match the booklet, while III is wrong because the 'M' principle makes AI subject to human oversight.
6	B. Only two	Statements I and II are correct, while III is wrong because the Seoul Summit was co-hosted by the Republic of Korea and the UK government.
7	D. I-C, II-A, III-D, IV-B	Bletchley aligns AI with human intent, Seoul was co-hosted by Korea and the UK, the 3rd AI Action Summit was in Paris, and 'V' covers trust, safety and legal compliance.

Sovereign Models and Platforms: MCQ practice

1	A. Seed or foundation	The booklet states that Mulankur means 'Seed' or 'Foundation' in Sanskrit.
2	D. Gnani.ai	The booklet identifies Vachana as a text-to-speech model by Gnani.ai.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the reason describes a different model and does not explain the first.
4	C. IIT Kanpur	The booklet says BODH was developed by IIT Kanpur in collaboration with the National Health Authority.
5	B. Only two	Statements I and II are correct, while III is wrong because Vikram is a multilingual chatbot.
6	A. I-D, II-C, III-B, IV-A	BODH is a privacy-preserving benchmarking platform, SAHI is a national healthcare framework, VoicERA is an open-source voice stack, and Mulankur Hubs integrate AI with biotechnology.
7	A. I and III only	Statements I and III match the booklet, while II is wrong because Param2 17B was developed by BharatGen.

India's position in the CPI 2025

1	B. 42	The booklet gives the global average CPI score as 42, the lowest level in over a decade.
2	C. Highly corrupt	The CPI scale runs from 0, meaning highly corrupt, to 100, meaning very clean.
3	B. 182	The booklet says the index covers 182 countries.
4	D. A is false but R is true	The booklet says India lags behind China, so A is false while R is true.
5	A. I and II only	Statements I and II match the booklet, while III is false because India's score is below the global average.
6	B. Only two	Statements I and II match the booklet, while III wrongly gives India's 2024 rank as its 2025 rank.
7	D. Bangladesh	The booklet says India performs better than Bangladesh, while Bhutan and China rank above India.

Bodies and instruments against corruption

1	A. Indonesia	The booklet says Indonesia officially became a full member of the FATF.
2	C. North Korea	The booklet names Iran, North Korea and Myanmar as the countries on the Black List.
3	D. Share effective strategies to combat corruption, especially through emerging technologies	The booklet says the G20 working group shares effective strategies to combat corruption, especially through emerging technologies.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true in the booklet, but India's ratification in 2011 does not explain why the convention is the only binding universal instrument.
5	C. I and III only	Statements I and III match the booklet, while II is false because the G20 working group dates from 2010.
6	B. Only two	Statements I and II match the booklet, while III is false because the Black List names Iran, North Korea and Myanmar.
7	C. I-B, II-D, III-A, IV-C	The booklet links each body or instrument to exactly one of the descriptions in List II.

PVTGs and PM-JANMAN: Practice Quiz

1	C. I and III only	Technological backwardness and low literacy are listed features, whereas the booklet describes population growth as stagnant or declining.
2	C. I-C, II-D, III-B, IV-A	PVTGs were previously Primitive Tribal Groups, are a sub-classification of Scheduled Tribe, PM-JANMAN aims at holistic development, and the Dhebar Commission set up the PTG category in 1973.
3	A. Only two	Statements I and III match the booklet, while the outlay in statement II is Rs. 24,000 crore, not Rs. 2,400 crore.
4	B. Both A and R are true but R is not the correct explanation of A	Both are listed as salient features, but the booklet does not link the living conditions to the economy.
5	C. Ministry of Tribal Affairs	The booklet states that the Ministry of Tribal Affairs has identified the PVTGs.
6	D. 450 MVA gas and solar-based power plant	Safe housing, water and sanitation, health and nutrition, and road and telecom connectivity are PM-JANMAN facilities, while the 450 MVA power plant is a component of the wider Great Nicobar project.

National Green Tribunal: Practice Quiz

1	B. Forest Rights Act 2006	The booklet says the Tribunal's civil jurisdiction excludes the Wildlife Protection Act 1972 and the Forest Rights Act 2006.
2	B. Polluter pays principle	The booklet lists the polluter pays principle alongside relief, compensation and sustainable development.
3	D. Australia and New Zealand	The booklet says India is the third country after Australia and New Zealand to set up a specialised environmental tribunal.
4	D. A is false but R is true	The booklet says appeals go to the Supreme Court within 90 days, so the High Court statement is wrong while the reason is right.
5	B. I-D, II-C, III-B, IV-A	The booklet links the NGT Act to 2010, appeals to 90 days, disposal of appeals to 6 months, and the Wildlife Protection Act to 1972.
6	C. Only two	Statements I and III match the booklet, while statement II is wrong because appeals go to the Supreme Court.

World Wetlands Day 2026: MCQ

1	C. 1991	The booklet states that the Patna Bird Sanctuary was established in 1991.
---	---------	---

2	B. Wetlands and Traditional Knowledge: Celebrating Cultural Heritage	The booklet gives the 2026 theme as Wetlands and Traditional Knowledge: Celebrating Cultural Heritage.
3	D. Banni Grasslands	The booklet says the Chir Batti night lights of Chhari-Dhand are seen across the Banni Grasslands.
4	A. Both A and R are true but R is not the correct explanation of A	Both statements are true in the booklet, but the year the Convention came into force does not explain India's signing date.
5	D. I-D, II-C, III-A, IV-B	Patna is in Etah District, Chhari-Dhand is in the Rann of Kutch, the Convention was signed in Iran, and the day is observed on 2 February.
6	C. I only	Only statement I matches the booklet, since Patna is the state's smallest sanctuary and the Convention was signed in 1971.
7	A. Only one	Only the first statement is correct, since the booklet places Patna in Uttar Pradesh and the day on 2 February.

Wetlands: Meaning and Classification MCQ

1	B. Three	The booklet states that wetlands are classified into three segments.
2	D. Glaciers	The booklet's list includes peatlands, mangroves and rivers, but not glaciers.
3	C. A is true but R is false	The booklet says the water cover may be seasonal or permanent, but it does not say all wetlands are covered by salt water.
4	A. Coral reefs	The booklet includes coral reefs together with other coastal areas in the wetland definition.
5	C. I and III only	Statements I and III match the booklet, while statement II is wrong because the water cover may be seasonal.
6	B. Only two	Lakes and deltas are listed as wetlands, but mangroves are only named as an example and not as a separate segment.
7	A. Aquifers	The booklet lists underground aquifers among the water bodies included in the wetland definition.

India-France Partnership: MCQ practice

1	A. TRISHNA	The booklet says India is collaborating with France on the joint Earth Observation Mission TRISHNA.
2	C. 30	The booklet says Namaste France 2028 will celebrate 30 years of the Strategic Partnership.
3	D. International Space Summit	The booklet says India is to attend the International Space Summit in July 2026 in France.
4	D. A is false but R is true	The HAMMER joint venture is between Bharat Electronics and Safran, not Dassault, so A is false while R is true.
5	B. I-C, II-D, III-B, IV-A	H125 is at Vemagal in Karnataka, Jaitapur is in Maharashtra, the AI in Health centre is at AIIMS Delhi, and HAMMER is made by the BEL-Safran joint venture.
6	C. I and II only	Statements I and II are true, while III is false because the declaration concerns critical minerals.
7	C. Only two	Statements I and III are correct, while the India-France Year of Innovation is 2026, not 2027.

Chabahar Port and Arab League: MCQ practice

1	B. Sistan-Baluchistan	The booklet places Chabahar Port on the Makran Coast of Sistan-Baluchistan Province.
---	-----------------------	--

2	A. 2002	The booklet says discussions on Indian participation in Chabahar began in 2002.
3	D. International North-South Transport Corridor	The booklet says Chabahar is an integral part of the International North-South Transport Corridor.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the 2018 takeover by India Ports Global does not explain Iran's reaffirmation.
5	C. I-D, II-C, III-B, IV-A	The Arab League was established in 1945 in Cairo, Chabahar is Iran's only ocean-facing deep-water port, STREAM is the Suez Canal-Red Sea initiative, and Gwadar is part of CPEC.
6	D. I and III only	Statement I and III are true, while II is false because formal recognition came in 2003.
7	C. Only one	Only statement I is true, since Palestine is a member and India Ports Global took control in 2018.

Malaysia and Seychelles Visits: MCQ practice

1	A. USD 175 million	The booklet says India announced a USD 175 million assistance package for Seychelles.
2	D. 50	The booklet says the SESEL joint vision marks 50 years of diplomatic relations.
3	D. Only two	Statements I and III are correct, while the Su-30 Forum was created for air forces, not navies.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, and Malaysia's accession to the Big Cat Alliance does not explain Seychelles' agreement to join the coalition.
5	C. 5th	The booklet describes the Harimau Shakti joint military exercise with Malaysia as its 5th Edition.
6	B. I-C, II-D, III-A, IV-B	Harimau Shakti is a joint military exercise, the Digital Council covers fintech and AI, the Colombo Security Conclave is a regional security grouping, and the Big Cat Alliance is a conservation alliance.
7	C. I and II only	Statements I and II are true, while the USD 175 million package was announced for Seychelles, not Malaysia.

Kavach and the North-East Tunnel

1	C. Research Designs & Standards Organisation (Indian Railways)	The booklet says Kavach was developed by the Research Designs & Standards Organisation of Indian Railways.
2	D. Replacing manual signalling	The booklet lists collision prevention, avoiding signal passing at danger and situational awareness for loco pilots as objectives.
3	A. 15.79 km	The underwater twin tube tunnel is 15.79 km within a total project length of 33.7 km.
4	C. A is true but R is false	The tunnel is under the Brahmaputra, but its underwater section is 15.79 km, not the full 33.7 km.
5	A. I-D, II-C, III-B, IV-A	Kavach is developed by RDSO, Gohpur is on NH-15, Numaligarh is on NH-715 and the underwater tube is 15.79 km.
6	D. I only	Only statement I matches the booklet, since Kavach was developed by RDSO and the underwater tube is 15.79 km.
7	B. Only two	Two statements are correct, and the underwater tube is 15.79 km rather than 33.7 km.

Mercury, Summits and Cyber Initiatives

1	C. I-D, II-A, III-B, IV-C	The summit concluded in New Delhi, the AI programme has an EC Council partnership, the alliance addresses quantum computing risks and the CoE covers connected, autonomous and electric vehicles.
2	B. Only two	Two statements are correct, because Mercury has no moons and the other two statements match the booklet.
3	C. Iron	The booklet states that Mercury has a large, iron-rich core.
4	D. MESSENGER	The booklet credits NASA's MESSENGER mission with revealing the bright streaks on Mercury's surface.
5	D. I only	Only statement I is correct, since the summit concluded in New Delhi and was organised by CyberPeace.
6	A. Permanently shadowed polar craters	The booklet says water ice was confirmed in permanently shadowed polar craters.
7	B. Both A and R are true but R is not the correct explanation of A	Both statements are true in the booklet, but Mercury's small size does not explain the absence of moons or rings.

Pharmacopoeia, APEDA and Rafah

1	C. 1986	The booklet says APEDA was established in 1986.
2	C. New Delhi	The booklet lists the APEDA headquarters in New Delhi.
3	D. Ministry of Health & Family Welfare	The booklet names the Ministry of Health & Family Welfare as the administrative ministry of the Commission.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true in the booklet, but the year of establishment does not explain why the compendium is legally binding.
5	C. I-C, II-D, III-A, IV-B	The National Formulary promotes rational use of medicines, APEDA is a statutory body, Rafah is called Gaza's Lifeline and the Commission is headquartered in Ghaziabad.
6	B. I only	Only statement I is correct, since the Commission signed three MoUs and is headquartered in Ghaziabad.
7	B. Only two	Two statements are correct, since APEDA was established in 1986 rather than 1975.

Type-in-the-answer passages

Alternative Tariff Laws Recall

1	150	Section 122 allows temporary tariffs for up to 150 days.
