

CLAT Express - March 2026: Answer Key

Multiple-choice passages

Iran-Israel Rivalry: Background

1	D. 1964	The booklet states that the Shah ordered Khomeini to leave Iran in 1964, after which Khomeini led the revolution from Iraq.
2	D. Little Devil	The booklet records that Khomeini considered Israel the 'Little Devil' and America the 'Big Devil'.
3	A. Ali Abdullah Saleh	The booklet says Ansar Allah emerged as an opposition movement in Yemen against President Ali Abdullah Saleh.
4	B. Both A and R are true but R is not the correct explanation of A	The booklet states both facts separately, but the creation of the Axis of Resistance does not explain the Shah's order to Khomeini.
5	A. I-D, II-C, III-A, IV-B	Hamas is based in Gaza City, Hezbollah in Beirut, Ansar Allah in Sanaa and Golestan Palace is in Tehran.
6	B. I and III only	Statement I and III match the booklet, while Ras Laffan is in Qatar, not the UAE.
7	B. Only two	Statements I and II match the booklet, while Hamas is based in Gaza City and Ansar Allah emerged in Yemen.
8	D. Hamas	The booklet lists Ismail Haniyeh as the Hamas leader.

Background of the open war

1	D. Operation Ghazab-Lil-Haq	The booklet states that Pakistan launched Operation Ghazab-Lil-Haq on Afghan military bases.
2	A. To create a buffer zone to prevent Russian expansion toward British India during the Great Game	The booklet says the line was intended to create a buffer zone against Russian expansion toward British India during the Great Game.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are true in the booklet, but the US intervention after 9/11 does not explain the Taliban's 1994 emergence.
4	D. I-B, II-C, III-D, IV-A	Salma Dam is in Herat, Shahtoot Dam supplies Kabul, the Zaranj-Delaram Highway links to Chabahar and the Parliament Building symbolises Indian support for Afghan democracy.
5	A. I and II only	The booklet describes TAPI as a 1814 km gas pipeline carrying gas from Galkynysh in Turkmenistan, not as a water pipeline.
6	D. Only two	The booklet states it was built in 2009 by India's Border Roads Organization and links Afghanistan to Iran's Chabahar Port, not to China's initiative.
7	D. Abdur Rahman Khan	The booklet names Afghan ruler Abdur Rahman Khan as the other party when the Durand Line was drawn.
8	B. Both I and II	The booklet says the Heart of Asia (Istanbul) Process, started in 2011, was an initiative of Turkey and Afghanistan.

Politics and Protests Check

1	D. I-C, II-D, III-B, IV-A	Koirala founded Nepali Congress, Oli leads CPN-UML, Dahal leads CPN-Maoist Centre and Shah leads the RSP.
2	D. President	The booklet describes the President as the ceremonial head of state, while the Prime Minister is head of government.
3	A. Indo-Tibetan Border Police	The booklet states that Kalapani is guarded by the Indo-Tibetan Border Police since 1962.

4	C. Only two	Statements I and III are correct, while the President is only ceremonial and just 165 of the 275 seats are elected through FPTP.
5	D. Gen Z Protests	The booklet states that the 2025 Gen Z Protests toppled the government of KP Sharma Oli.
6	D. Bihar	The booklet says Madhesh lies in the Terai plains and borders the Indian state of Bihar.
7	A. Both A and R are true and R explains A	The booklet says the social media ban cut off Gen Z's primary medium of expression, which explains the anger behind the protests.
8	B. I and II only	Statements I and II match the booklet, while the Treaty of Sugauli was concluded with the British East India Company, not the Mughal Empire.

Visit Outcomes Check

1	D. Cameco	The booklet names Cameco as the Canadian company that will supply uranium ore concentrates to India.
2	A. I and II only	Statement III is wrong because the Cameco supply runs from 2027 to 2035, while statements I and II match the booklet.
3	D. 2027	The booklet states that Cameco will supply uranium ore concentrates from 2027 to 2035.
4	B. Both A and R are true but R is not the correct explanation of A	The CEPA restart is a visit outcome, while the 1947 start of diplomatic ties is a separate fact that does not explain it.
5	D. National Institute of Food Technology Entrepreneurship and Management	The booklet states the Pulse Protein Centre of Excellence was established at the National Institute of Food Technology Entrepreneurship and Management.
6	B. I-D, II-C, III-B, IV-A	The Pulse centre focuses on fortified pulse products, the ACITI focus areas are the three technologies, and the other two rows are stated as full membership and G7 alignment.
7	D. \$50 Billion	The booklet sets the bilateral trade target at \$50 Billion by 2030.
8	B. Only two	Statements I and III match the booklet's listed focus areas, while statement II is not among them.

Article 3 and renaming States

1	D. The President of India	A Bill for renaming a State can be introduced in Parliament only with the prior recommendation of the President.
2	A. Both A and R are true and R is the correct explanation of A	Article 4 says laws made under Articles 2 and 3 are not considered amendments under Article 368, which is why no amendment is needed.
3	D. I-C, II-D, III-A, IV-B	Mysore became Karnataka, Madras became Tamil Nadu, Orissa became Odisha and Uttaranchal became Uttarakhand.
4	B. I only	Admission refers to States already in existence, and Article 4 says such laws are not amendments under Article 368, so only statement I is correct.
5	A. Only two	Hyderabad (police action) and Junagarh (referendum) are correct, while Kashmir was integrated by Instrument of Accession, so only two statements are correct.
6	D. 1975	Parliament passed the amendment formally recognising Sikkim as a State of the Indian Union on 16 May 1975.
7	D. 16 States and 3 Centrally Administered Territories	The Commission suggested abolishing the four-fold classification and creating 16 States and 3 Centrally Administered Territories.

Creamy layer ruling: MCQ set

1	C. 8 lakh for 3 consecutive years	A family is classified as creamy layer if its annual income exceeds 8 lakh for 3 consecutive years.
2	D. Jarnail Singh vs Lachhmi Narain Gupta case	The Jarnail Singh vs Lachhmi Narain Gupta case (2018) held that creamy layer exclusion extends to SCs and STs.
3	D. Caste-based reservations are in violation of Article 15	The Court ruled that caste-based reservations are in violation of Article 15.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the 1994 Tamil Nadu placement under the 9th Schedule does not explain the Nagaraj holding.
5	A. I-B, II-D, III-A, IV-C	The Kalelkar Commission identified backward classes other than SCs and STs, the Mandal Commission identified 3,743 castes, Nagaraj addressed promotions and Janhit Abhiyan upheld EWS reservation.
6	C. II only	The judgement barred reservation in promotions and capped total reservation at 50%, leaving only the creamy layer statement correct.
7	D. Only three	The judgement rejected the extra 10% for higher castes, so statements I, III and IV are the three correct ones.
8	D. 9th Schedule	The 1994 76th Amendment Act placed Tamil Nadu's 69% reservation policy under the 9th Schedule.

Amendment Bill: direct and reasoning check

1	C. District Magistrate	The booklet states that the District Magistrate will issue a certificate based on the Board's recommendation.
2	B. Both A and R are true but R is not the correct explanation of A	Revision after surgery and mandatory reporting are listed as separate provisions of the Bill.
3	D. I-D, II-A, III-B, IV-C	Life imprisonment is for forced mutilation of minors, up to 14 years for forcing children into begging, and certificate holders may change names in official documents.
4	A. I and II only	The booklet says the Bill omits Section 4(2) and the National Council is to include State and UT representatives, so only I and II are correct.
5	C. Only three	Provisions I, II and III are stated in the booklet, while the Bill revises the National Council rather than dissolving it.
6	D. A national database for healthcare planning and welfare	The booklet says mandatory reporting enables creation of a national database for healthcare planning and welfare schemes.
7	D. Rejected petitions to legalise same-sex marriage	The booklet states the 5-Judge Constitution Bench rejected petitions to legalise same-sex marriage in India.

Revised GDP Series Practice

1	C. Eighth	The text states that the 2026 revision was the 8th base year revision since 1948-49.
2	C. I-C, II-A, III-D, IV-B	Single deflation adjusts only output prices, double deflation adjusts both output and input prices, 2022-23 is the most recent normal year, and GDP is the total value of finished goods and services produced.
3	D. Annual Survey of Unincorporated Sector Enterprises	The new series uses the Annual Survey of Unincorporated Sector Enterprises as one of its data sources.
4	A. National Pension System and Old Pension Scheme	GDP now includes the National Pension System and the Old Pension Scheme in government sector accounting.

5	B. Only two	Statements I and II are in the text, while III is wrong because the Ministry of Statistics and Programme Implementation released the series.
6	B. I and II only	Statement III is wrong because double deflation adjusts both output and input prices, while statements I and II match the text.
7	D. PC Mahalanobis	The first National Income Estimates were compiled in 1949 by the National Income Committee led by PC Mahalanobis.
8	D. A is false but R is true	Nominal GDP for FY 2025-26 was revised down to 345.47 lakh crore, so A is false, while a base year does remove the inflation effect.

World Happiness Report: CLAT practice

1	C. A is true but R is false	Finland ranked 1st with a score of 7.764, so A is true and R is false.
2	B. I-B, II-A, III-D, IV-C	Afghanistan was lowest at 147th, Costa Rica rose from 23rd to 4th, India ranked 116th, and China was the highest-ranked BRICS nation at 65th.
3	B. Only two	Statements I and III are correct, while II is false because youth aged 15-24 report lower life satisfaction than those aged 60 and above.
4	A. 4.536	India scored 4.536 in the 2026 report, placing it at rank 116th.
5	C. 14th	The booklet describes the report released in 2026 as the 14th World Happiness Report.
6	D. Oxford Wellbeing Research Centre	The report was published by the Wellbeing Research Centre at the University of Oxford, in collaboration with Gallup and UN SDSN.
7	C. Care and Share	The 2026 report was released on the International Day of Happiness, whose 2026 theme is Care and Share.

Global arms transfers quiz

1	A. I and II only	Statement III is wrong because France, not Germany, followed the United States among the top exporters.
2	D. I-B, II-C, III-D, IV-A	The US held a 42% share of exports, European arms imports rose 210%, Russia's share is 6.8%, and transfers rose 9.2%.
3	C. 9.2%	The SIPRI report recorded a 9.2% increase in international arms transfers for 2021-25 over 2016-2020.
4	C. Russia	Russia accounted for 40% of India's supplier composition, ahead of France (29%) and Israel (15%).
5	B. Only two	Statement II is wrong because the United States was the top exporter, while Ukraine was the top importer.
6	A. Ukraine	Ukraine topped the importer list with a 9.7% share, with India placed second at 8.2%.
7	C. A is true but R is false	India's imports fell by 4%, but Ukraine (9.7%), not India, was the top importer.

Milano Cortina 2026 MCQ practice

1	D. I-D, II-C, III-B, IV-A	Norway had 41 medals, USA 33, Netherlands 20 and Italy 30, as listed in the booklet.
2	A. Ski Mountaineering (Skimo)	The booklet identifies Ski Mountaineering (Skimo) as the debut sport.
3	D. 16	The booklet lists a total of 16 winter sports for the Games.
4	B. Only two	Statements I and II are correct, while India sent 2 athletes, so statement III is wrong.

5	B. Both A and R are true but R is not the correct explanation of A	The booklet states India fielded 2 athletes and won no medals, and the two facts do not explain each other.
6	C. French Alps	The booklet names the French Alps as the venue for the 2030 Winter Games.
7	C. Norway	The booklet states Norway (41 medals, 18 gold) topped the final medal table.
8	A. I and II only	Statements I and II match the booklet, while the torchbearer was Abhinav Bindra, not Neeraj Chopra.

Global burden and progress check

1	C. India	The text states that India accounts for the highest share of global TB cases, at 25%.
2	A. 87%	The Global TB Report 2025 states that 87% of 2024 cases were concentrated in 30 high-burden countries.
3	D. 29%	The text states that global TB deaths declined by 29% over the same period.
4	C. I-B, II-A, III-D, IV-C	The App is a digital platform, Abhiyaan is a 100 Days campaign, the Urban Ward targets urban hotspots, and Ni-Kshay Poshan Yojana gives monthly DBT support.
5	A. I and III only	Statement II is wrong because extrapulmonary TB is less contagious, while statements I and III match the text.
6	B. Only two	Statements I and III are correct, while II wrongly uses the 12% incidence figure for deaths and IV wrongly gives 87% instead of 67%.
7	D. 187	The text states that India's incidence fell from 195 in 2023 to 187 per 100,000 in 2024.

Constitution and governance: MCQ practice

1	A. Both A and R are true and R is the correct explanation of A	In Common Cause v. Union of India (2018), the Court ruled that the right to die with dignity is part of Article 21 and legalised passive euthanasia on that basis.
2	C. Article 324(5)	Article 324(5) provides that the CEC can be removed in the same manner and on the same grounds as a Supreme Court judge.
3	D. Article 215	Article 215 declares every High Court a Court of Record, giving it contempt powers similar to those of the Supreme Court under Article 129.
4	D. I-D, II-A, III-B, IV-C	The motion needs 100 Lok Sabha or 50 Rajya Sabha members, the inquiry committee has three members, and the motion does not lapse on prorogation.
5	C. 200 crore	The text states that violations may attract financial penalties up to 200 crore under the DPDP Act's provisions on children.
6	A. 100	A removal motion needs support of 100 members in Lok Sabha or 50 members in Rajya Sabha to be introduced.
7	C. II and III only	Active euthanasia is illegal in India, while the 2023 modification introduced timelines for medical boards and passive euthanasia covers withdrawal of ventilators.
8	B. Only two	Statements I and IV are correct, while II is wrong because the motion does not lapse on prorogation and III is wrong because the President removes other ECs.

Oscars Quick Check

1	A. Wings	The booklet notes that Wings was the first Best Picture winner.
---	----------	---

2	D. 4	The booklet says Katharine Hepburn leads in acting wins with 4 Best Actress awards.
3	D. Louis B. Mayer	The booklet states the Oscars were conceptualised by Louis B. Mayer, co-founder of MGM Studios.
4	C. I and II only	Statements I and II match the booklet, while III is wrong because the statuette is gold-plated bronze.
5	B. Only two	Statements I and II are stated in the booklet, while III is wrong because One Battle After Another was the Best Picture winner.
6	B. I-C, II-D, III-B, IV-A	Walt Disney holds the most Oscars, Katharine Hepburn leads in Best Actress wins, Wings was the first Best Picture winner and Paul Thomas Anderson won Best Director.
7	C. Walt Disney	The booklet says Walt Disney holds the record for most Oscars (22).
8	A. Both A and R are true and R is the correct explanation of A	Both statements are true from the booklet, and the expansion from 12 to 24 categories explains the increase in categories.

International Bodies MCQ Set

1	C. Geneva	The booklet lists the WHO headquarters as Geneva, Switzerland.
2	A. 45	The booklet states the Commission has 45 member States, elected by ECOSOC for four-year terms.
3	D. Both A and R are true but R is not the correct explanation of A	Both statements are true per the booklet, but the Geneva headquarters does not explain the date the WHO came into force.
4	B. I and III only	Statement II is wrong because the Baltic Sea, not the Black Sea, is a branch of the North Atlantic Ocean.
5	A. I-B, II-D, III-A, IV-C	BIMSTEC was established in 1997, the Three Seas Initiative began in 2016, the CSW was established in 1946 and the WHO came into force in 1948.
6	B. Only one	Only statement I is correct, since the Commission works under ECOSOC and Argentina's exit followed a one-year notice.
7	D. UN Women	The booklet says UN Women provides secretariat support to the Commission.
8	C. Extend the same to all WTO members	The booklet states that such lower tariffs or favourable treatment must be extended to all WTO members.

Geneva Talks and the Strikes

1	B. Only two	Statements I and III are correct, while the booklet describes the Sejil as a two-stage missile.
2	A. Both A and R are true and R is the correct explanation of A	The booklet says the Sejil was dubbed the 'Dancing Missile' for its high-altitude manoeuvrability, so R explains A.
3	C. Nearly 90%	The booklet states that Kharg Island handles nearly 90% of Iran's crude oil exports.
4	D. I-D, II-C, III-A, IV-B	Kharg Island matches B, the Sejil matches C, the B-1B Lancer matches A and Dimona matches D.
5	A. Fordow and Natanz	The booklet says the Geneva talks broke down over demands to dismantle Fordow and Natanz and to halt enrichment.
6	D. B-2 bombers	The booklet says US B-2 bombers used bunker-buster bombs to strike Fordow.
7	C. I and III only	Statement I and statement III are stated in the booklet, while the US withdrawal from the JCPOA was in 2018, not 2015.

Office of the Supreme Leader

1	C. Assembly of Experts	The booklet says the leader is chosen by the Assembly of Experts.
2	A. Being a Marja, the highest-ranking Shia clerical authority	The booklet says the amendment relaxed the earlier requirement that the leader be a Marja.
3	D. Ruhollah Khomeini	The booklet says Ruhollah Khomeini institutionalised the doctrine and was Iran's first Supreme Leader.
4	C. Commander-in-chief of the armed forces	The booklet describes the Supreme Leader as Iran's de jure head of state and commander-in-chief of the armed forces.
5	A. Both A and R are true and R is the correct explanation of A	The booklet says the Assembly supervises the leader and can remove him if unfit, so R explains A.
6	C. I and III only	Statements I and III are stated in the booklet, while the 1989 amendment only relaxed a requirement and did not make the office hereditary.
7	B. Only two	Statements I and III are correct, while the booklet says the Supreme Leader oversees national security.

India's Energy Exposure

1	C. 90 days	The booklet gives the global norm as maintaining 90 days of net oil import reserves.
2	A. Chandikhol	The booklet lists Chandikhol (Odisha) among the new SPR sites, while Bikaner and Rajkot are only proposed sites.
3	D. Indian Strategic Petroleum Reserves Limited	The booklet says the SPR is managed by the Indian Strategic Petroleum Reserves Limited under the Ministry of Petroleum and Natural Gas.
4	C. A is true but R is false	A is true because the reserve is a buffer against shocks, but R is false because the reserve is used during supply disruptions.
5	A. Rajasthan	The booklet places the proposed Bikaner site in Rajasthan.
6	B. I and II only	Statements I and II are stated in the booklet, while the global norm is 90 days, not 60.
7	B. Only two	Statements I and II are correct, while the booklet lists Chandikhol as a new site rather than a proposed one.

Factors Behind the Open War

1	C. Colonial pressure	The booklet says Afghanistan argues the agreement was signed under colonial pressure.
2	A. Strategic depth	The booklet states that Pakistan's strategic depth doctrine has been eroded by the Taliban's outreach to India.
3	D. Iranian routes	The booklet says the Torkham closures pushed Kabul toward Iranian routes.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but Afghan resistance to fencing does not explain Pakistan's legal view of the boundary.
5	C. I-C, II-D, III-B, IV-A	The Durand Line divided Pashtun populations, Nur Khan is in Rawalpindi, 12th Division HQ is in Quetta, and strategic depth has been eroded by the Taliban's outreach to India.
6	A. II and III only	Statement I is false because Afghanistan does not officially recognise the Durand Line, while II and III are stated in the booklet.
7	D. Only two	Statements I and III match the booklet, while the monarchy ended in 1973, not 1979.

What the Conflict Means for India

1	C. Middle East	The booklet describes Afghanistan as a crossroad between South Asia and the Middle East as well as Central Asia.
2	D. Condemned them	The booklet states that India condemned Pakistan's attacks.
3	D. Independence	India reaffirmed Afghanistan's independence alongside its sovereignty and territorial integrity.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the risk of ISIS-K regrouping does not explain the risk of a refugee inflow.
5	B. I-B, II-D, III-A, IV-C	Connectivity risks affect INSTC access, terror spillover means ISIS-K expansion, refugee pressure means an Afghan refugee inflow, and LoC relief means reduced infiltration pressure.
6	C. II and III only	Statement I is false because Afghanistan does not officially recognise the Durand Line, while II and III are stated in the booklet.
7	A. Only two	Statements I and III match the booklet, while the monarchy ended in 1973, not 1979.

Nepal's Political System and Parties

1	C. Federal Democratic Republic with a Multi-Party System	The booklet describes Nepal as a Federal Democratic Republic with a multi-party system.
2	C. Bishweshwar Prasad Koirala	The booklet lists Bishweshwar Prasad Koirala as the founder of the Nepali Congress.
3	A. First-past-the-post	Under FPTP the candidate with the most votes wins, whereas PR allocates seats by party vote share.
4	A. Both A and R are true and R is the correct explanation of A	Bicameral means two chambers, and R names those two chambers.
5	C. I-D, II-A, III-B, IV-C	Nepali Congress was founded in 1947, CPN-UML in 1991, CPN-Maoist Centre in 1994 and the Constitution was adopted in 2015.
6	D. I only	Statement I matches the booklet, while II describes PR and III contradicts the bicameral Parliament.
7	B. Only two	Statements I and III match the booklet, while CPN-UML was founded in 1991, not 1947.

India-Nepal Ties: Relations and Strains

1	A. Neighbourhood First Policy	The booklet says RSP's technocratic approach may align with the Neighbourhood First Policy on cross-border infrastructure.
2	C. It could reduce India's traditional diplomatic leverage in Kathmandu	The booklet says revisiting the treaty could reduce India's traditional diplomatic leverage in Kathmandu.
3	A. China	The booklet says such projects may be redirected toward other partners, including China.
4	C. I and II only	Statements I and II match the booklet, while statement III contradicts the booklet's description of Madhesh's location.
5	B. Only two	Statements I and II match the booklet, while III contradicts its description of the treaty as outdated and unequal.
6	D. Terai plains of south-eastern Nepal	The booklet places Madhesh in the Terai plains of south-eastern Nepal.

Background of Bilateral Ties: MCQ practice

1	C. ISRO	The booklet names ISRO as the Indian partner in space collaboration with the Canadian Space Agency.
2	D. USD 30.9 billion	The booklet gives bilateral trade of USD 30.9 billion in 2024.

3	D. 1954	The booklet dates Canada's assistance with the CIRUS reactor to 1954.
4	B. Both A and R are true but R does not explain A	Both statements are in the booklet, but the 2013 date does not explain the agreement's purpose.
5	D. I-C, II-A, III-D, IV-B	Diplomatic ties date to 1947, the CIRUS reactor to 1954, the agreement to 2013, and the 2024 trade figure is USD 30.9 billion.
6	A. I and II only	Statement III is wrong because the booklet dates the Nuclear Cooperation Agreement to 2013.
7	C. Only three	The 1957 statement is wrong because the booklet gives 1947, so three statements are correct.

Khalistan Movement: MCQ practice

1	D. 1699	The booklet dates the Khalsa tradition to 1699.
2	C. Anandpur Sahib Resolution	The booklet says the Anandpur Sahib Resolution demanded greater autonomy for Punjab.
3	A. Operation Black Thunder	The booklet says Operation Black Thunder removed militants from the Golden Temple.
4	B. Both A and R are true but R does not explain A	Both statements are in the booklet, but the Black Thunder fact does not explain the Woodrose crackdown.
5	B. I-D, II-C, III-B, IV-A	The Anandpur Sahib Resolution, Black Thunder, Woodrose and Bhindranwale match demands, removals, crackdowns and militancy roles in that order.
6	C. Only three	The Air India statement is wrong because the booklet says the Sikh extremists were Canada-based, so three statements are correct.

Vienna Conventions and Diplomatic Immunity: MCQ practice

1	C. 1961	The booklet dates the Vienna Convention on Diplomatic Relations to 1961.
2	A. Arrest and legal processes	The booklet says diplomats are protected from arrest and legal processes.
3	D. Expelling diplomats and freezing consular services	The booklet says both countries expelled diplomats and froze consular services.
4	B. Both A and R are true but R does not explain A	Both statements are in the booklet, but the rule on entering missions does not explain why consular officers work without interference.
5	A. I-C, II-D, III-A, IV-B	Diplomatic immunity covers protection from arrest, inviolability covers missions, consular protection covers duties without interference, and the consular convention is dated 1963.
6	C. I and III only	Statement II is wrong because the booklet dates the Consular Relations convention to 1963.
7	B. Only two	Only two statements are correct, because missions cannot be entered without permission and the consular convention is dated 1963.

Union, New States and Article 4

1	A. States already in existence	Admission under Article 2 refers to States already in existence, while establishment refers to States not in existence before.
2	A. Article 1	Article 1 describes India, that is Bharat, as a Union of States rather than a Federation of States.
3	B. First Schedule	The names of States and Union Territories and their territorial extent are mentioned in the First Schedule.

4	D. A is false but R is true	Article 4 says such laws are not amendments under Article 368, so A is false while R is true.
5	C. I-C, II-D, III-B, IV-A	Article 1 deals with the name and polity, Article 2 with admission or establishment, Article 3 with reorganisation, and Article 4 with the non-amendment rule.
6	A. I and III only	Statement II is wrong because Article 4 says such laws are not amendments, while I and III are correct.
7	A. Only two	Statements I and III are correct, while statement II is wrong because Article 4 says such laws are not amendments under Article 368.

Early History of Caste-Based Reservation: MCQ

1	A. I and II only	Statements I and II match the booklet, while the Balaji judgement was delivered in 1963, not 1979.
2	C. A is true but R is false	A is true, but R is false because the Kalelkar Commission identified backward classes other than SCs and STs.
3	B. Depressed Classes, Women and Labour	The Government of India Act of 1935 extended separate electorates to the Depressed Classes, Women and Labour.
4	A. I-C, II-A, III-D, IV-B	IR Coelho matches the 9th Schedule ruling, Janhit matches upholding the 103rd Amendment, Kalelkar matches the first Backward Class Commission, and Poona Pact matches abandoning separate electorates.
5	D. William Hunter and Jyotirao Phule	The booklet names William Hunter and Jyotirao Phule as the proponents of caste-based reservation in 1882.
6	D. 1st Amendment, 1951	The 1st Constitutional Amendment of 1951 added Article 15(4).

Later Judgements and EWS Reservation: MCQ

1	C. Only two	Statements I and II are correct, while the Janhit Abhiyan judgement was delivered in 2022, not 2018.
2	B. I and II only	Statements I and II are Nagaraj conditions, while Jarnail Singh did not require quantifiable data, so III is incorrect.
3	D. A is false but R is true	A is false because Jarnail Singh held that quantifiable data is not required, while R is true for the Nagaraj case.
4	C. One-third	The 106th Amendment Act reserves one-third of seats for women in Parliament and State Legislatures.
5	C. 103rd Amendment	The 103rd Constitutional Amendment of 2019 provided 10 per cent reservation for EWS.
6	A. I-D, II-C, III-B, IV-A	Janhit upheld the 103rd Amendment, the EWS commission reported in July 2010, the 102nd Amendment gave NCBC constitutional status, and Jarnail Singh said no quantifiable data is needed.
7	A. 15 years	The reservation ceases to exist after 15 years from the date of implementation.

National Commission for Backward Classes: MCQ

1	C. 1993	The NCBC was set up in 1993 by an Act of Parliament.
2	D. Article 338B	Article 338B gave the NCBC constitutional status and increased the scope of its functions.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the year of setting up does not explain the President's power over service and tenure.

4	D. I-D, II-C, III-B, IV-A	Article 338B gives constitutional status, Article 342A empowers the President to specify backward classes, the NCBC has a Chairperson, Vice-Chairperson and three members, and members are appointed by warrant.
5	A. I and III only	Statements I and III are correct, while members are appointed by the President, not the Prime Minister.
6	A. Only one	Only statement I is correct, since the NCBC was set up by an Act of Parliament in 1993, not 1963 or by the original Constitution.
7	C. 102nd Amendment	The 102nd Constitutional Amendment Act of 2018 gave the NCBC constitutional status.

Penal and Council Provisions: MCQ

1	C. Central Government	The booklet says the members are nominated by the Centre Government.
2	A. Up to 14 years	The booklet states up to 14 years imprisonment for forcing children into begging.
3	D. Life imprisonment	The booklet lists life imprisonment as the punishment for forced mutilation of minors.
4	C. I-D, II-C, III-A, IV-B	Each item in List I matches its penalty, reporting authority or nominating authority as stated in the booklet.
5	A. I and II only	Statements I and II match the booklet, while statement III is wrong because the Centre nominates the members.
6	B. Only two	The first two statements are correct, and the third is wrong because the Centre nominates the members.

Significance and Criticism: MCQ

1	D. I-C, II-D, III-B, IV-A	Each item in List I matches the concern the booklet attaches to it.
2	D. NGOs and healthcare providers	The booklet warns that such broad terms could be used against NGOs and healthcare providers.
3	B. Only two	The first and third statements are correct, and the second is wrong because NALSA recognised gender identity as a Fundamental Right.
4	A. Mutilation, abduction and forced identity	The booklet says the stronger penal framework addresses mutilation, abduction and forced identity.
5	A. I and III only	Statements I and III match the booklet, while statement II is wrong because the booklet says removal contradicts NALSA.
6	D. They reduce the discretionary power of District Magistrates	The booklet says Medical Board-based certification reduces the discretionary power of District Magistrates.

Figures Under the Revised Series

1	B. 7.6%	The booklet states that real GDP growth is revised upward to 7.6% for FY 2025-26.
2	C. 9.5%	The booklet gives secondary sector growth in FY26 as 9.5%, up from 7.3% in FY25.
3	A. 4.51%	The booklet gives the revised fiscal deficit as 4.51% of GDP, against an earlier 4.36%.
4	D. A is false but R is true	The revised debt-to-GDP estimate of 57.5% is above the earlier target of 55.6%, so A is false while R is stated in the booklet.
5	B. I-C, II-A, III-D, IV-B	Primary growth is 2.8%, secondary 9.5%, tertiary 8.9% and real GDP growth 7.6% for FY26.
6	C. I and III only	Statement I matches the booklet and III is stated, while the earlier target was 55.6%, not 57.5%.

7	A. Only two	Statements I and III match the booklet, while II gives the earlier fiscal deficit figure rather than the revised one.
---	-------------	---

India and BRICS: MCQ Practice

1	C. China	China was the highest-ranked BRICS nation, placed 65th overall.
2	A. 118th	India improved from 118th in the previous ranking to its 2026 position.
3	D. Social support and healthy life expectancy	The report names social support and healthy life expectancy as India's areas of improvement.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but Sri Lanka's rank does not explain India's position relative to Nepal and Pakistan.
5	C. I-D, II-C, III-B, IV-A	Russia was 79th, Iran 97th, Nepal 99th and Pakistan 104th in the 2026 report.
6	B. I only	Only the first statement is correct, since China (65th) ranked above Russia (79th) and Iran (97th) ranked above Pakistan (104th).
7	B. Only two	Statements II and III are correct, while India ranked below Nepal (99th), so statement I is wrong.

Social Media and Youth: MCQ Practice

1	B. Adolescent girls using social media over 5 hours a day	The report identifies adolescent girls who use social media for more than five hours a day as the most vulnerable group.
2	C. United States, Canada, Australia and New Zealand	The pattern of lower youth life satisfaction was observed in the United States, Canada, Australia and New Zealand.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the report's coverage of mental health and digital trends does not explain the age gap.
4	D. I-B, II-D, III-A, IV-C	Digital access improves education in developing countries, excessive use causes stress, heavy use is linked with mental health decline, and youth report lower life satisfaction.
5	C. I and III only	Statements I and III are correct, while the most vulnerable group is those using social media for more than five hours a day.
6	A. Only one	Only statement I is correct, since youth report lower, not higher, life satisfaction and excessive use causes stress.
7	B. Decline in mental health and comparison-driven stress	The report links heavy use with a decline in mental health and comparison-driven stress.

India's Arms Import Sources

1	A. Only one	Only statement I is correct, since Russia's share was 40% and Israel's was 15%.
2	C. A is true but R is false	Israel's share was 15%, not 29% (which was France's share), so R is false while A is true.
3	C. 40%	The booklet states that Russia supplied 40% of India's arms imports during 2021-25.
4	A. Israel	The booklet lists Israel as supplying 15% of India's arms imports during 2021-25.
5	D. Increased domestic defence manufacturing and indigenisation	The booklet attributes the decline mainly to increased domestic defence manufacturing and indigenisation.
6	B. 29%	France accounted for 29% of India's arms imports during 2021-25, according to the booklet.
7	B. I and III only	Statements I and III match the booklet, while II wrongly gives Russia's share as France's 29%.

India's Defence Self-Reliance Push

1	B. Only two	Statements I and III are correct, while II is wrong since the automatic route permits 74%.
2	D. Rs 23,622 crore	The booklet records defence exports in 2024-25 as Rs 23,622 crore.
3	C. I and III only	Statements I and III are in the booklet, while II wrongly gives the automatic route's 74% limit as the government route's limit.
4	A. I-C, II-D, III-B, IV-A	Each item in List I matches its counterpart in List II as stated in the booklet.
5	C. Rs 3 lakh crore	The booklet sets the 2029 defence production target at Rs 3 lakh crore.
6	B. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the corridors do not explain the procurement priority.
7	A. 100%	The booklet states that 100% FDI is permitted through the government route.

Ancient Games and Modern Revival

1	C. Theodosius I	Theodosius I banned the Olympics along with Greek temples and statues of gods in 393 AD.
2	A. 261 AD	The record of the last ancient Olympic Games is found in 261 AD.
3	B. Margaret Abbott (Golf)	Margaret Abbott (Golf) became the first female Olympic champion.
4	D. A is false but R is true	Women first took part in 1900, so the assertion about the 1896 Athens event is false while the reason is true.
5	A. I-C, II-A, III-D, IV-B	The ancient Games began in 776 BCE, the Athens event was in 1896, the WWI cancellation was in 1916, and the IOC was established in 1894.
6	C. I and III only	Statement II is wrong because the IOC was established in 1894, while I and III are correct.
7	B. Only two	Statement II is wrong because the first modern international event was held at Athens in 1896, while I and III are correct.

Olympic Bodies and India's Sports Schemes

1	C. Fit India Movement	The Fit India Movement, launched in 2019, encourages mass participation in fitness activities.
2	A. I-B, II-A, III-D, IV-C	TOPS was launched in 2014, Khelo India in 2017, Fit India in 2019 and KIRTI in 2024.
3	D. I only	Statement II is wrong because the Mission Olympic Cell works under TOPS, and statement III is wrong because the Indian Olympic Association is headquartered in New Delhi.
4	B. Indian Olympic Association	The Indian Olympic Association was set up in 1927 and is headquartered in New Delhi.
5	C. Only two	The Fit India Movement was launched in 2019, so statement III is wrong while I and II are correct.
6	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the Mission Olympic Cell's role does not explain why the ministry is the nodal body.
7	A. Ministry of Youth Affairs & Sports	The Ministry of Youth Affairs & Sports is the nodal ministry for India's sports schemes.

Global Strategy and Partners: MCQ

1	B. I-D, II-C, III-B, IV-A	The WHO strategy is a long-term blueprint, Koch discovered the bacterium in 1882, the Global Fund and Stop TB Partnership give financial and technical support, and the urban ward initiative localises intervention.
2	B. March 24	The booklet states that World TB Day is observed on March 24 every year.
3	D. Yes! We Can End TB: Led by Countries, Powered by People	The 2026 theme is 'Yes! We Can End TB: Led by Countries, Powered by People'.
4	B. Only two	Statements I and II are correct, while III wrongly gives a 50% death reduction target instead of 90%.
5	A. I and II only	Statements I and II match the booklet, while the strategy's period runs to 2035, so III is wrong.
6	A. 90%	The WHO End TB targets for 2030 include a 90% reduction in TB deaths.

Disease and Drug Resistance: MCQ

1	D. Mycobacterium tuberculosis	TB is caused by Mycobacterium tuberculosis.
2	B. Pulmonary TB	Pulmonary TB affects the lungs and is highly contagious, while extrapulmonary TB is less contagious.
3	A. Ethambutol	Ethambutol is one of the four first-line treatment drugs listed in the booklet.
4	C. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the need for second-line drugs is a consequence of resistance, not its explanation.
5	B. I-C, II-D, III-A, IV-B	Pulmonary TB affects the lungs, extrapulmonary TB affects organs outside them, MDR-TB resists Rifampicin and Isoniazid, and Mycobacterium tuberculosis is the causing bacterium.
6	C. I and III only	Statements I and III are correct, while II reverses the booklet's contagiousness comparison.
7	A. Only one	Only statement I is correct, since Ethambutol is listed as a first-line drug and TB is curable with timely diagnosis.

Brazil, Israel and Finland Ties

1	D. Amazonia-1	India launched Amazonia-1 in 2021 as Brazil's first fully indigenous Earth observation satellite.
2	B. 1849	French whalers named the islets Liancourt Rocks in 1849.
3	A. 2006	The Brazil-India Strategic Partnership dates to 2006, while diplomatic relations were established in 1948.
4	A. Both A and R are true and R explains A	The booklet traces the dispute to the legacy of Japan's colonial rule over Korea, which lasted from 1910 to 1945.
5	C. I-D, II-C, III-A, IV-B	Israel will allow up to 50,000 Indian workers, South Korea has kept a coastguard detachment since 1954, Finland aims to double trade by 2030, and Brazil holds 94% of niobium reserves.
6	D. I and III only	Statement II is false because the treaty did not explicitly name the islets, while I and III match the booklet.
7	B. Only two	Statement 3 is false because the Critical Minerals MoU covers rare earths, lithium, graphite, niobium and nickel, while iron ore was in a separate steel MoU.

Immunisation and Water Programmes

1	A. Ministry of Health and Family Welfare	Mission Indradhanush was launched by the Ministry of Health and Family Welfare.
---	--	---

2	C. 2019	The Jal Jeevan Mission was launched in 2019 under the Ministry of Jal Shakti.
3	B. 2010	The Nagoya Protocol was adopted in 2010 at Nagoya, Japan, and entered into force in 2014.
4	C. A is false but R is true	The rural Jal Jeevan Mission was launched under the Ministry of Jal Shakti, while the urban version is implemented by the Ministry of Housing and Urban Affairs.
5	B. I-B, II-C, III-D, IV-A	Mission Indradhanush launched on 25 December 2014, IMI 1.0 targeted over 90% full immunisation by December 2018, the Jal Jeevan Mission sets 55 litres per capita per day, and JJM 2.0 targets 19.36 crore households.
6	B. I and II only	U-WIN is a digital platform to track vaccination records, not land records, so statement III is incorrect.

Reserves, Security and Navigation

1	C. ISRO	NavIC is India's indigenous regional navigation system developed by ISRO.
2	A. 1962	Mudh-Nyoma Air Force Station was built in 1962 in the Changthang region of eastern Ladakh.
3	B. Kargil War	NavIC was initiated after the Kargil War of 1999, when India lacked access to foreign GPS for defence use.
4	C. Both A and R are true and R explains A	The booklet attributes part of the reserve decline to the valuation effect of a stronger dollar on euro, yen and pound holdings.
5	A. I-D, II-A, III-B, IV-C	Mudh-Nyoma was upgraded by BRO under Project Himank, NavIC needs at least four operational satellites, PRAHAAR has seven pillars, and the Fiscal Health Index relies on CAG audited data.
6	D. I and II only	Foreign currency assets are the largest component of forex reserves, not the smallest, so statement III is incorrect.
7	B. Only two	Statement 3 is false because Mudh-Nyoma lies close to the southern bank of Pangong Tso, while statements 1 and 2 match the booklet.

BAFTA Awards 2026: practice

1	C. 1947	The booklet gives 1947 as the year BAFTA was established.
2	A. London	The booklet lists London, in the United Kingdom, as BAFTA's base.
3	D. Rohini Hattangadi	The booklet credits Rohini Hattangadi with this win for her role in Gandhi (1983).
4	B. Both A and R are true but R is not the correct explanation of A	Both statements appear in the booklet, but the director detail does not explain why the film won.
5	A. I-D, II-C, III-A, IV-B	The booklet pairs One Battle After Another with Best Film, Paul Thomas Anderson with Best Director, Hamnet with Outstanding British Film and Jessie Buckley with Best Leading Actress.
6	D. I and II only	Statements I and II match the booklet, while III is wrong because Best Film went to One Battle After Another.
7	B. Only two	Statement III is wrong because Hattangadi's award was for Best Supporting Actress, not Best Leading Actress.

ASMITA Initiative: practice

1	C. 2021	The booklet states that ASMITA was launched in 2021.
2	B. Khelo India Women's League	The booklet notes that ASMITA was earlier known as Khelo India Women's League.

3	D. Ministry of Youth Affairs and Sports	The booklet says ASMITA was launched by the Ministry of Youth Affairs and Sports.
4	B. Both A and R are true but R is not the correct explanation of A	Both are listed objectives in the booklet, and neither one explains the other.
5	C. I-C, II-D, III-A, IV-B	The booklet gives 2021 as the launch year, the Ministry of Youth Affairs and Sports as the launching body, Khelo India Women's League as the earlier name, and rural and tribal areas as the focus of talent search.
6	A. I and II only	Statements I and II match the booklet, while III contradicts the stated objective of promoting participation among girls and women.
7	B. Only two	Statement III is wrong because the earlier name was Khelo India Women's League.

Schemes and Electoral Options: MCQ Practice

1	A. Ministry of Jal Shakti	The booklet states that the Ministry of Jal Shakti launched the Sujal Gaon ID.
2	C. Ministry of New and Renewable Energy	The booklet lists the Ministry of New and Renewable Energy as the nodal ministry for this scheme.
3	B. 180	The booklet describes Namo Bharat RRTS as a semi-high speed system running at up to 180 km/h.
4	D. A is false but R is true	A is false because the booklet says NOTA lets voters take part in the democratic process, while R matches the booklet's account of its introduction.
5	C. I-D, II-C, III-A, IV-B	The booklet links the Sujal Gaon ID to rural water schemes, Namo Bharat to rail transit, NOTA to rejecting all candidates and PM Surya Ghar to a 40% subsidy.
6	A. I and II only	Statements I and II match the booklet, while III is wrong because the nodal ministry is the Ministry of New and Renewable Energy.
7	B. Only two	Statements I and II are correct, while III is wrong because NCRTC implements Namo Bharat RRTS.

Trade and Energy Items: MCQ Practice

1	B. Reliance Industries Limited	The booklet states that Reliance Industries Limited was announced as a key partner in the Texas refinery project.
2	D. America First Refining	The booklet names America First Refining as the developer of the Texas refinery.
3	A. Low	The booklet describes light shale oil as having a low sulphur content.
4	C. A is true but R is false	A is true because the booklet mentions a high hydrogen-to-carbon ratio, while R is false since the booklet describes light shale oil as trapped in shale or tight sandstone.
5	D. I-D, II-C, III-B, IV-A	The booklet pairs light shale oil with its crude description, MFN with equal treatment, the Permian Basin with the largest oil-producing region and Reliance with the key partner role.
6	C. I and II only	Statements I and II match the booklet, while III is wrong because the refinery is located in South Texas.
7	B. Only two	Statements I and II are correct, while III is wrong because America First Refining developed the refinery.

Sports and Border Trade: MCQ Practice

1	A. Mallakhamb and Kabaddi	The booklet lists Mallakhamb and Kabaddi as the sports included in the Tribal Games.
---	---------------------------	--

2	C. Six	The booklet says the resumption follows a six-year COVID-induced suspension of trade through the pass.
3	B. Kumaon	The booklet places Lipulekh Pass in the Kumaon region of Uttarakhand.
4	D. A is false but R is true	A is false because the booklet says the reopening concerns border trade with China, while R is a correct statement from the booklet.
5	C. I-B, II-A, III-D, IV-C	The booklet pairs the scheme with its 2016-17 launch, the mascot Morveer with the Tribal Games, the pass with its tri-junction and Chhattisgarh with hosting the Games.
6	B. I and II only	Statements I and II match the booklet, while III is wrong because Morveer represents the cultural identity of tribal communities.
7	B. Only two	Statements I and III are correct, while II is wrong because Morveer is the mascot of the Tribal Games.

Type-in-the-answer passages

Hormuz and India's Energy Exposure

1	Musandam Peninsula	The booklet says the strait lies between Iran (north) and the Musandam Peninsula of Oman (south).
2	20	The booklet states that nearly 20% of global oil supply transits this corridor.
3	1/5	The booklet states that about 1/5 of global LNG trade transits the corridor.
4	85	The booklet states that India imports about 85% of its crude oil.
5	1.5	The booklet states that each \$1 rise in oil price increases India's import bill by about \$1.5 billion a year.
6	40	The booklet states that nearly 40% of India's crude oil imports pass through the strait.
7	Qatar	The booklet states that Qatar supplies nearly half of India's LNG imports.

India and Afghanistan ties

1	TAPI	The booklet names this gas pipeline the TAPI (Peace) Pipeline.
2	1814	The booklet gives the TAPI gas pipeline length as 1814 km.
