5	B. I-C, II-D, III-B, IV-A	The State Election Commission supervises elections, the Finance Commission reviews finances, and the SC reservation provision does not apply in Arunachal Pradesh.
6	C. I and II only	Statement III is wrong because intermediate-level chairpersons are elected indirectly by the elected members.
7	B. Only two	Statements I and II are in the booklet, while III contradicts the six-month limit for fresh elections.

Exemptions, Union Territories and PESA

1	C. Delhi	The booklet says the provisions apply to all Union Territories except Delhi.
2	A. Provisions of the Panchayats (Extension to the Scheduled Areas) Act, 1996	The Provisions of the Panchayats (Extension to the Scheduled Areas) Act, 1996 is popularly called the PESA Act.
3	D. Sikkim	The booklet lists Assam, Meghalaya, Tripura and Mizoram as the Sixth Schedule states.
4	A. Both A and R are true, and R is not the correct explanation of A	Both statements are in the booklet, but the article under which PESA was enacted does not explain why it excludes Sixth Schedule areas.
5	B. I-B, II-C, III-D, IV-A	Article 243-L covers extension to Union Territories, PESA was enacted under Article 243-M, and the Darjeeling and Manipur items are tied to their councils.
6	D. I and II only	Statement III is wrong because the PESA Act was enacted under Article 243-M, not 243-L.
7	B. Only two	Statements I and II match the booklet, while statement III contradicts the booklet's list of Sixth Schedule states.

Repo Rate and the Economy: Practice Set

1	B. 25 basis points	The booklet records the December 2025 cut as 25 basis points, to 5.25%.
2	D. 125	The booklet says the December 2025 cut marked the fourth reduction of 2025, totalling 125 basis points.
3	A. Investment and money supply	A higher Repo Rate slows down investment and the money supply in the market.
4	C. Both A and R are true and R is the correct explanation of A	Cheaper loans and lower rates for borrowers are the mechanism that leads to increased borrowing and spending.
5	B. I-C, II-A, III-D, IV-B	A higher Repo Rate curbs excessive spending, a lower one increases money supply, high inflation calls for a raised Repo Rate, and pumping funds means lowering it.
6	D. I and III only	Statement II is reversed, since a higher Repo Rate makes loans costlier for banks, while I and III match the booklet.
7	A. Only one	Only statement I is correct, because the December 2025 cut was the fourth reduction and a lower Repo Rate makes loans cheaper.
