

CLAT Express - May 2026: Answer Key

Multiple-choice passages

UAE Visit Outcomes Check

1	D. Mohammed bin Rashid Al Maktoum	The booklet lists Mohammed bin Rashid Al Maktoum as Prime Minister, while Mohammed bin Zayed Al Nahyan is listed as President.
2	D. Al Maktoum International Airport	The booklet names Al Maktoum International Airport in Jebel Ali, Dubai, as the world's largest airport terminal.
3	B. Only two	Statement III is wrong because the booklet places Al Maktoum International Airport in Jebel Ali, Dubai, while statements I and II match the booklet.
4	D. 30 million barrels	The booklet states India proposed storing up to 30 million barrels of ADNOC crude oil in its Strategic Petroleum Reserves.
5	B. Both A and R are true but R is not the correct explanation of A	The booklet states both facts, but the remittance share does not explain the UAE's place in India's Strategic Reserve Programme.
6	D. I and III only	Statement II is wrong because the booklet ranks the UAE as India's 3rd largest crude oil source, while statements I and III match the booklet.
7	D. Zayed Talwar	The booklet lists Zayed Talwar as the naval component, with Desert Cyclone as the military exercise and Desert Eagle as the air force exercise.
8	A. I-D, II-C, III-A, IV-B	The booklet gives US\$100 billion for trade, 18% for the remittance share, up to US\$1 billion for investment and 30 million barrels for the proposed storage.

OPEC and the UAE Exit: MCQ Set

1	D. Vienna, Austria	The booklet gives OPEC's headquarters as Vienna, Austria.
2	D. Baghdad Conference	The booklet states OPEC was established at the Baghdad Conference in 1960.
3	B. Only two	Statements I and II are stated in the booklet, while the claim that Ecuador rejoined in 1992 is wrong.
4	A. UAE	The booklet lists the founders as Iran, Iraq, Kuwait, Saudi Arabia and Venezuela, and says the UAE joined in 1967.
5	A. Both A and R are true and R is the correct explanation of A	The booklet says the UAE is a major oil producer, and its exit reduces the group's collective discipline over prices.
6	C. I and II only	Statements I and II match the booklet, while Russia was the 3rd-largest oil producer in 2022, so III is wrong.
7	D. I-B, II-C, III-D, IV-A	Peak Oil Theory is linked to M. King Hubbert, OFID to 1976, OPEC+ to 2016, and the pipeline connects Habshan to Fujairah.
8	A. Gabon	The booklet says Gabon terminated its membership in January 1995, while Ecuador was only suspended in 1992.

Panel recommendations check

1	D. Ten	The panel recommended creating 10 new posts related to administration, IT infrastructure and digital security.
2	C. I-C, II-D, III-B, IV-A	Governance reforms match the governing body, restructuring matches the 10 new posts, the Digi-Exam framework matches the authentication system, and the online shift matches Computer Adaptive Testing.

3	B. I and III only	The governing body with sub-committees and the gradual CAT proposal are recommended, while private coaching institutes are not mentioned as centres.
4	C. Only three	Statements I to III match the recommendations, while the panel said the NTA should not conduct recruitment examinations, so statement IV is wrong.
5	D. Three	The sub-committees are for Test Audits, Ethics and Transparency, and Staff Management and Appointments.
6	A. Higher education institutions	The panel said the NTA should focus only on entrance examinations for higher education institutions.
7	D. Digi-Yatra	The booklet describes the authentication system as similar to Digi-Yatra.

Court ruling: legal reasoning

1	A. Section 4(3)	Section 4(3) excludes ancient monuments under the AMASR Act, 1958 from the religious character freeze provision.
2	D. April 1937	The bench noted that the Government of India Act, 1935 was not enforced until April 1937.
3	D. Article 226	The case was treated as a Writ Petition under Article 226 seeking enforcement of the fundamental right to worship.
4	C. I-D, II-A, III-B, IV-C	Section 3 prohibits conversion, Section 4(1) freezes religious identity, Section 5 exempts ancient monuments and Section 6 sets penalties.
5	B. Only two	Statements A and D are correct; B is wrong because the Babri Masjid dispute was a title suit, and C is wrong because the bench rejected the proclamation.
6	D. P V Narasimha Rao-led Congress government	The Act was passed by the P V Narasimha Rao-led Congress government.

Expansion of the Supreme Court Bench

1	D. 38	The Bill expands the Court to 38 judges, which is the CJI plus 37 other judges.
2	A. Both A and R are true and R is the correct explanation of A	Article 124 is the constitutional provision that empowers Parliament to change the Court's strength by law.
3	C. I-D, II-C, III-B, IV-A	Soumitra Sen was impeached in Rajya Sabha and resigned, Ramaswami's motion failed when Lok Sabha abstained, Nagarjuna's failed for lack of signatures, and Dinakaran resigned before impeachment.
4	A. I and II only	Statements I and II match the text, while removal is on the recommendation of Parliament, not the Union Cabinet.
5	B. Only two	Statements II and III are correct, while the Court was inaugurated on 28 January 1950 and its advisory opinion is not binding on the President.
6	A. President of India	Article 127 requires consultation with the Chief Justice of the High Court concerned and the previous consent of the President.
7	D. Part 5	The text places Articles 124 to 147 in Part 5 of the Constitution.
8	D. HR Khanna	AN Ray was appointed by superseding JM Shelat, KS Hegde and AN Grover, while HR Khanna was superseded in 1977.

Mergers, Exceptions and Member Categories

1	A. 10th Schedule	The booklet states that the Anti-Defection Law is enshrined in the 10th Schedule of the Constitution.
---	------------------	---

2	C. A is true but R is false	Independent members are disqualified for joining a party after election, so A is true and R is false.
3	B. I-D, II-A, III-B, IV-C	The 52nd Amendment introduced the law, the 91st Amendment removed the split provision, and the Keisham ruling ideally sets 3 months.
4	C. I and II only	Statement III is wrong because the 91st Amendment removed the split provision, so only statements I and II are correct.
5	A. Only two	Statement II is wrong because the ideal timeframe is 3 months, so statements I and III are correct.
6	D. Articles 102(1) and 191(1)	The booklet states that a legislator can be disqualified on general grounds under Articles 102(1) and 191(1).
7	A. It restricts members from voting independently and expressing dissent in the legislature	The booklet lists curtailment of legislative freedom as a key issue because the law restricts MPs and MLAs from voting independently.
8	D. If prior permission is taken or the party condones the action within 15 days	Prior permission, or condonation by the party within 15 days, is the exception to disqualification for voting against the whip.

Reserves Under Pressure

1	A. 2nd largest	The booklet describes India as the 2nd largest gold consumer globally, after China.
2	D. About 89%	The booklet states that India imports around 89% of its crude oil requirement.
3	A. Domestic government securities	The booklet lists foreign currency assets, gold reserves, Special Drawing Rights and the reserve position with the IMF as components.
4	C. Import restrictions increase input costs, reducing export competitiveness	The booklet says import restrictions increase input costs, thereby reducing the competitiveness of exports.
5	C. A is true but R is false	Household gold imports directly worsen the CAD, but the booklet says they do not add to productive capacity, unlike sovereign reserves.
6	A. I-C, II-D, III-A, IV-B	India is the 2nd largest gold consumer, imports about 89% of crude oil, gold is about 9% of imports, and each USD 1 oil rise adds USD 1.5 to 2 billion to the import bill.
7	C. I and III only	Statement II is wrong because private consumption is a major GDP component, while statements I and III reflect the booklet's points.
8	B. Only two	Statements I and II match the booklet, while III reverses its point that foreign investors avoid economies lacking strong domestic demand.

Rankings and Key Findings 2026

1	C. Ten	The booklet states Norway was top-ranked for the 10th consecutive year.
2	D. 92.72	The booklet lists Norway with a score of 92.72 among the highest ranked.
3	C. 52.2 per cent	The booklet states that 52.2 per cent of countries face Difficult or Very Serious conditions.
4	A. Both A and R are true and R is the correct explanation of A	The booklet links the decline in press freedom to the majority of countries (52.2%) facing Difficult or Very Serious conditions.

5	B. I-B, II-D, III-A, IV-C	Syria had the sharpest rise, Niger the steepest fall, India ranked 157th with 31.96, and Netherlands scored 88.92.
6	D. I and II only	Syria registered the sharpest rise in rankings after its political transition, so statement III is incorrect.
7	A. Only one	The index covers 180 countries, and India ranked 157th in 2026 (151st was its 2025 rank), so only statement II is correct.
8	A. Netherlands	The top-ranked order given is Norway, Netherlands, Estonia, Denmark, Sweden.

LEADS basics check

1	B. I and III only	Statement I and statement III are correct, while LEADS was launched in 2018, not 2015.
2	B. Only two	Statements 1 and 3 are correct, while statement 2 gives the wrong launch year and statement 4 names the wrong ministry.
3	C. 2018	The booklet states that LEADS was launched in 2018.
4	D. 13	The LEADS 2025 Report is presented across 13 logistics-related categories.
5	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the two-year reporting cycle does not explain why LEADS draws inspiration from the index.
6	A. Logistics Excellence, Advancement and Performance Shield	LEAPS stands for Logistics Excellence, Advancement and Performance Shield.
7	A. PM GatiShakti and National Logistics Policy 2022	The booklet says the initiatives support PM GatiShakti and the National Logistics Policy 2022.

Pokhran and the 1998 milestones

1	C. Smiling Buddha	Pokhran-I, India's first nuclear test, was codenamed 'Smiling Buddha'.
2	C. Three	Pokhran-II began on 11 May 1998 with three nuclear tests under the codename Shakti.
3	A. Both A and R are true and R is the correct explanation of A	The booklet states that Pokhran-II (Operation Shakti) marked India's emergence as a nuclear weapons state.
4	A. I and II only	Statement III is wrong because Pokhran-I was conducted on 18 May 1974, and Operation Shakti refers to the 1998 tests.
5	B. Only two	Only two nuclear tests were conducted on 13 May 1998, so statement II is wrong while statements I and III are correct.
6	D. Abdul Kalam and R. Chidambaram	The booklet names Abdul Kalam and R. Chidambaram as the chief coordinators of Pokhran-II.
7	C. 6th	The booklet states that India became the 6th country to join the nuclear club.

Constitution and labour laws: practice set

1	A. Article 24	The booklet states that Article 24 prohibits employment of children below 14 years.
2	D. Article 43	The booklet states that Article 43 orders the State to secure a living wage, decent conditions of work and social and cultural opportunities.
3	B. I-C, II-A, III-D, IV-B	Article 19(1)(c) grants the right to form associations or unions, Article 39(a) gives the equal right to a means of livelihood, Article 43A covers worker participation and Article 41 covers work and education.

4	A. I and III only	Article 24, not Article 19(1)(c), prohibits employment of children below 14 years, so statement II is incorrect.
5	C. Only three	The booklet dates the Payment of Wages Act to 1936, so statement II is incorrect while the other three are correct.
6	A. Occupational Safety, Health and Working Conditions Code	The chart lists 13 laws under the Occupational Safety, Health and Working Conditions Code, the highest count among the four codes.
7	D. 1970	The booklet lists the Contract Labour Act as dated 1970.

ASEAN Basics and Forums

1	C. 1994	The ARF was established in 1994 as a platform for political and security dialogue.
2	C. Jakarta, Indonesia	ASEAN is headquartered in Jakarta, Indonesia.
3	A. 2005	The EAS was created in 2005 as a leaders-level forum with a varied agenda.
4	D. 15 December 2008	The ASEAN Charter's effective date was 15 December 2008.
5	B. Both A and R are true but R does not explain A	Both statements are true, but the Charter's legal status does not explain the consensus-based decision-making process.
6	D. I-B, II-D, III-A, IV-C	The ARF is a political and security dialogue platform, the Secretariat supports ASEAN's activities, the Coordinating Council oversees implementation, and the EAS is a leaders-level forum.
7	A. I and II only	The Charter took effect in 2008 and is legally binding, while AFTA was established in 1992, not 1967.
8	B. Only two	Statements I and III are correct, while the EAS was created in 2005 and the ARF was established in 1994.

Governance and Parliamentary Oversight

1	D. Front Runner (A)	Scores of 75-89 earn the Front Runner (A) grade under PAI 2.0.
2	D. Tripura	Tripura had the highest share of Front Runners, followed by Kerala and Odisha.
3	A. 22	The PAC has 22 members, 15 from the Lok Sabha and 7 from the Rajya Sabha.
4	C. A is true but R is false	The PAC examines spending only after it is incurred, but its recommendations are not binding, so only A is true.
5	A. I-D, II-C, III-A, IV-B	ASUSE is conducted by MoSPI, the PAC was constituted in 1921, PAI 2.0 was released by the Ministry of Panchayati Raj and Karnataka won the most awards.
6	C. I and III only	Statements I and III are correct, while II is wrong because the Front Runner grade covers scores of 75-89.
7	B. Only two	Statements I and II are correct, while III and IV are wrong because ASUSE moved to a calendar year and the PAC was constituted in 1921.
8	D. Opposition party	The PAC Chairperson is chosen from an Opposition party by convention.

Global Cooperation Check

1	C. Ministry of External Affairs	The booklet states that SEEDS is implemented by the Ministry of External Affairs.
2	A. 2026	The booklet lists Bulgaria as a recent addition in 2026, while Croatia joined in 2023.

3	B. I-B, II-C, III-D, IV-A	The Tea Act 1953 created the Tea Board, the ECB is headquartered in Frankfurt, the Eurozone has 21 members and SEEDS is run by the Ministry of External Affairs.
4	A. I and III only	Statement I matches the Article 24 mechanism and statement III matches the 1998 Maastricht Treaty entry, while Croatia joined in 2023 and Bulgaria in 2026.
5	D. Only two	Statements I and II are correct, while the Tea Board came from the Tea Act 1953 and the Eurozone has 21 members.
6	D. International Labour Organization	The booklet states that Article 24 belongs to the constitution of the International Labour Organization.
7	C. 1998	The booklet states that the Eurozone was established in 1998 under the Maastricht Treaty.

UAE: Trade, Energy and Community Links

1	A. Sponsorship	The booklet says Kafala means 'sponsorship' in Arabic.
2	D. I-D, II-C, III-A, IV-B	Barakah is the Arab World's first nuclear plant, the Order of Zayed is the highest civilian award, BAPS is the first traditional Hindu stone temple, and Al Dhafra gives India refuelling access.
3	A. I and II only	The booklet gives Abu Dhabi as the capital and a maritime border with Qatar, while Iran is only a maritime neighbour.
4	C. Oman and Saudi Arabia	The booklet states that the UAE shares land borders with Oman and Saudi Arabia.
5	B. Only two	Statements I and II match the booklet, while the UAE is a federation of 7 emirates, not 5.
6	D. Dirham	The booklet lists the Dirham as the UAE's currency.

Italy and Netherlands: Partnerships and Heritage

1	A. I-C, II-D, III-B, IV-A	Afsluitdijk transformed the Zuiderzee into IJsselmeer, Kalpasar lies across the Gulf of Khambhat, Tata-ASML supports Dholera, and IMEEC is an Asia-Europe corridor.
2	B. Italy Calls India	The booklet names this programme 'Italy Calls India'.
3	B. I and II only	The FAO was founded in 1945 and Amsterdam is the Netherlands' capital, while the Afsluitdijk is 32 km long, not 42.
4	C. Special Strategic Partnership	The booklet says India and Italy upgraded bilateral relations to a Special Strategic Partnership.
5	A. Rome	The booklet states that the FAO's headquarters is in Rome, Italy.
6	D. Both A and R are true and R is the correct explanation of A	The booklet says the year is declared to commemorate 80 years of diplomatic relations, which explains the declaration.
7	C. Only two	Statements I and II match the booklet, while the inscriptions are in both Tamil and Sanskrit.

Habshan-Fujairah pipeline: MCQ practice

1	B. Enable higher output	The booklet says the pipeline boosts UAE export flexibility and enables higher output.
2	A. Strait of Hormuz	The booklet says the pipeline bypasses the Strait of Hormuz.
3	A. I and III only	Statements I and III match the booklet, while statement II contradicts its view that the exit supports de-dollarisation.
4	C. A is true but R is false	The booklet says volatility could complicate India's budgeting, but it does not say India gains from rising prices.

5	B. I-C, II-A, III-D, IV-B	The booklet ties the pipeline to the Habshan fields, lower prices to lower import costs, the exit to bilateral negotiations, and volatility to budgeting risk.
6	D. A decrease	The booklet says India stands to gain from decreased oil prices.

NEET-UG 2026 cancellation: MCQ practice

1	C. National Testing Agency	The booklet says the National Testing Agency decided to void the initial results to maintain integrity and public trust.
2	D. Fraudulent 'guess papers'	Fraudulent 'guess papers' that closely mirrored the actual test were part of the evidence.
3	C. No further application cost	The booklet states that the test will be administered again without candidates paying any further application costs.
4	C. Both A and R are true and R is the correct explanation of A	The booklet describes a planned re-sitting that follows the official cancellation, so R explains A.
5	A. I-D, II-C, III-A, IV-B	Each pair matches a fact the booklet states about the initial results, the re-test cost, the guess papers and the circulation of material.
6	B. I only	Only statement I is supported, since the initial results were voided and no further application cost applies.
7	B. Only three	Three statements are correct, while the statement about a payable fee contradicts the booklet.

NEET, NTA and the 2024 controversy: MCQ

1	B. 2017	The booklet states that the NTA was established in 2017.
2	D. Dr K Radhakrishnan	The committee was headed by former ISRO Chairman Dr K Radhakrishnan.
3	C. New Delhi	The booklet lists the NTA headquarters in New Delhi.
4	A. Both A and R are true but R is not the correct explanation of A	Both statements are true in the booklet, but conducting JEE Main and CUET does not explain the NTA's autonomous status.
5	B. I-D, II-A, III-B, IV-C	Only two candidates scored full marks in 2023, no candidate did in 2022, Pradeep Kumar Joshi heads the NTA, and Dr K Radhakrishnan is a former ISRO Chairman.
6	D. I and III only	Statement I and statement III are correct, while the headquarters is in New Delhi, not Mumbai.
7	C. Only three	The NTA was established in 2017, so only the other three statements are correct.

Ripple effect of exam malpractice: MCQ

1	B. Systemic and institutional damage, and impact on students	The booklet groups the impacts into systemic and institutional damage, and impact on students.
2	D. Market value of degrees and merit rankings	Loss of system credibility reduces the market value of degrees and merit rankings.
3	C. A heavy financial burden	The booklet says re-conducting compromised examinations imposes a heavy financial burden on government institutions.
4	C. Both A and R are true but R is not the correct explanation of A	Both statements are true, but stress among honest candidates does not explain why cancellations delay admissions.
5	B. I-C, II-D, III-B, IV-A	Each cause is paired with the effect the booklet attributes to it.
6	D. I and III only	Statements I and III match the booklet, while statement II reverses the financial burden described.
7	A. Only two	The first two statements are correct, while the last two contradict the booklet's grouping and its account of costs.

Competing Claims over the Site

1	C. Raja Bhoj in 1034 AD	The booklet records Raja Bhoj as the builder of the site in 1034 AD.
2	D. British Museum, London	The booklet says the idol is housed in the British Museum, London.
3	D. 1514 AD	The booklet reports the conversion in 1514 AD under Muslim rule.
4	C. I and III only	Statements I and III match the booklet, while the image is in the British Museum, not New Delhi.
5	B. I-B, II-C, III-D, IV-A	The inscriptions are linked to K.K. Lele, the building to Goddess Saraswati, the conversion to Mehmudshah Khilji and the saint to Kamaluddin Chishti.
6	A. Only two	Statements I and II match the booklet, while the conversion year and ruler in III do not.

Architecture and Inscriptions

1	D. I-C, II-A, III-D, IV-B	Nagabhata I founded the empire, Kannauj was its capital, Raja Bhoj was its most illustrious emperor and Ashadhara was Madana's teacher.
2	D. Prakrit	The booklet says the odes on the walls are composed in Prakrit.
3	A. Madana	The booklet names royal tutor Madana as the author of Karpuramanjari.
4	B. Mandapa-style	The booklet says the structural remains indicate a Mandapa-style hall, characteristic of Hindu temple architecture.
5	A. Both A and R are true and R is the correct explanation of A	R gives the content of the pillar inscriptions, which explains why A holds.
6	B. Only two	Statements I and II match the booklet, while Nagabhata I's dates are 730-756 AD, not 1514 AD.

CJI Appointment and Collegium Rulings

1	B. Two judges	The Third Judges Case held that if two judges give an adverse opinion, no recommendation is sent to the Government.
2	B. 2014	Both the 99th Constitutional Amendment Act and the NJAC Act were enacted in 2014.
3	D. Second Judges Case (1993)	The Second Judges Case (1993) ruled that the CJI's advice on appointments is binding on the President.
4	C. A is true but R is false	A is true as stated in the 1993 ruling, but R is false because the Court declared the NJAC Act void in 2015.
5	B. I-D, II-C, III-B, IV-A	The CJI chairs the NJAC, eminent persons are nominated by CJI, PM and Leader of Opposition, the Law Minister is ex-officio, and the 2015 case voided the NJAC.
6	C. I and III only	Statements I and III are correct, while II is wrong because the Third Judges Case required consultation with a collegium of senior judges, not the CJI's sole opinion.
7	A. Only one	Only statement II is correct, since the 1981 case held that consultation only implies exchange of views and two adverse opinions, not one, stop a recommendation.

Jurisdiction and Temporary Benches

1	B. Article 32	Article 32 allows a direct approach to the Supreme Court for violation of Fundamental Rights.
2	C. Not binding on the President	The advisory opinion of the Supreme Court under Article 143 is not binding on the President of India.

3	A. Judge of the Supreme Court	The President can appoint a Judge of the Supreme Court as Acting CJI when the CJI's office is vacant or the CJI cannot perform duties.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but R describes the binding status of the opinion and does not explain why the President can seek it.
5	C. I-C, II-D, III-A, IV-B	Article 126 covers an Acting CJI, Article 127 ad hoc judges, Article 128 retired judges and Article 131 original disputes between the Union and States.
6	A. I and II only	Statements I and II are correct, while III is wrong because Article 127 requires the President's previous consent.
7	D. Only two	Statements I and III are correct, while II is wrong because the President, not the CJI, appoints an Acting CJI.

Origin and Objective: MCQ practice

1	C. I and III only	Statements I and III match the booklet, while the law was introduced through the 52nd Amendment, not the 91st.
2	A. The process by which legislators may be disqualified on grounds of defection	The booklet says the law lays down the process by which legislators may be disqualified on the grounds of defection.
3	B. Only two	Statements I and II are correct, while the phrase is linked to the 1960s, not the 1970s.
4	C. Both Parliament and State Legislatures	The booklet states that the law applies to both Parliament and State Legislatures.
5	B. 1960s	The booklet links the phrase to frequent party-switching by legislators in the 1960s.
6	D. 52nd Constitutional Amendment Act, 1985	The booklet says the law was introduced through the 52nd Constitutional Amendment Act, 1985.

Grounds for Disqualification: MCQ practice

1	A. Parliament	Disqualification under any law made by Parliament is listed as a ground.
2	D. Holding an office of profit	Holding an office of profit is listed as a ground under Articles 102(1) and 191(1).
3	B. I and III only	Abstaining contrary to the whip is a listed ground, so statement II is wrong.
4	C. Only two	Statements I and II are listed grounds, while criticising the party leadership is not among them.
5	B. Being declared of unsound mind by a court	Being declared of unsound mind by a court is listed as a ground for disqualification.
6	C. Showing allegiance to another country	Showing allegiance to another country is listed as a ground, alongside losing Indian citizenship.

Significance and Key Issues: MCQ practice

1	C. I-C, II-A, III-D, IV-B	Each issue is matched with its description in the booklet: I-A, II-B, III-C, IV-D.
2	D. Only two	Statements I and III are listed significances, while statement II reverses the booklet's point.
3	A. Office or material gain	The booklet says the law prevents defections for office or material gain.
4	C. I and III only	Statement II is wrong because courts typically intervene only after the Speaker's decision.

5	D. Both A and R are true and R is the correct explanation of A	Whips issued on non-critical matters are the reason the booklet gives for reduced intra-party democracy.
6	B. Large-scale defections enabled by the merger clause	The booklet says the two-thirds merger clause enables large-scale defections.
7	B. Making legislators accountable for their conduct	The booklet lists making legislators accountable for their conduct as a significance of the law.

Why Austerity Is Sought (MCQ)

1	A. USD 1.5 to 2 billion	The booklet states that every USD 1 increase in oil price adds USD 1.5 to 2 billion to the import bill.
2	C. Inelastic import demand	The booklet attributes the persistent current account deficit to inelastic import demand and increased dependence on external financing.
3	B. Reduced buffer against external shocks	The booklet says lower reserves mean a reduced buffer against external shocks and higher sensitivity to global capital flow fluctuations.
4	D. Both A and R are true but R does not explain A	Both statements appear in the booklet, but the fact that reserves are RBI-maintained assets does not explain why cutting imports conserves forex.
5	A. I and III only	The booklet lists reducing, not increasing, dependence on volatile regions as a goal, so only statements I and III are correct.
6	B. Only three	Statements I, III and IV match the booklet, while statement II reverses the twin import burden, which includes non-essential imports.

Costs of Excessive Forex Conservation (MCQ)

1	B. Lower industrial output and exports	The booklet says restricted imports lower industrial output and exports.
2	D. A is false but R is true	The booklet says reducing private consumption weakens growth, so A is false while R is a true statement from the booklet.
3	A. Imported capital goods, semiconductors and raw materials	The booklet states that Indian industry depends on imported capital goods, semiconductors and raw materials.
4	B. They avoid such economies	The booklet says foreign investors avoid economies lacking strong domestic demand and high growth potential.
5	A. I and III only	The booklet says investment inflows could be dampened and that suppressing consumption mirrors past slow-growth strategies, while restricted imports lower rather than raise output.
6	C. Only one	Only statement I matches the booklet, since the booklet says investment inflows could be dampened and past import substitution caused low competitiveness.

How the Press Freedom Index Works

1	B. Reporters Without Borders	The index is published by Reporters Without Borders (RSF), a non-profit organisation.
2	C. 0 (worst) to 100 (best)	Each country receives a score from 0 (worst) to 100 (best).
3	A. Safeguarding the right to freedom of information	The index aims at safeguarding the right to freedom of information.
4	C. A is true but R is false	The ranking statement is true, but the booklet names Reporters Without Borders, not the Press Council of India, as the publisher.

5	B. I-D, II-C, III-B, IV-A	The questionnaire covers five categories, the aim is safeguarding freedom of information, the publisher is a non-profit, and its headquarters is in Paris.
6	D. I and III only	Statement II is wrong because scores run from 0 (worst) to 100 (best), so a higher score means more freedom.
7	A. Only two	Statements (i) and (iii) are correct, while (ii) is wrong because the annual report has been published since 2002.

Press Freedom: Challenges and Role

1	A. Legislature, judiciary and executive	The booklet counts the press alongside the legislature, judiciary and executive.
2	C. A critical communication tool between government and citizens	During the pandemic, media was a critical communication tool between government and citizens.
3	D. Thomas Jefferson	The booklet quotes Thomas Jefferson's line that where the press is free and every man able to read, all is safe.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but Article 19(2) describes restrictions rather than explaining why the press is part of free speech.
5	D. I-B, II-D, III-A, IV-C	Article 19(2) allows reasonable restrictions, the Romesh Thappar case held the press is foundational, and the press gives visibility to the voiceless and sparks debate that leads to reform.
6	B. II and III only	Statement I is wrong because media freedom is not an absolute freedom, while II and III reflect the booklet.
7	A. Only two	Statements (i) and (iii) are correct, while (ii) is wrong because Article 19(2) allows reasonable restrictions.

LEADS 2025 State and UT Categories

1	A. Uttar Pradesh	Uttar Pradesh moved from Achiever status (2022 to 2024) to Exemplar status in LEADS 2025.
2	C. Jammu and Kashmir	The report states that Jammu and Kashmir improved from Fast Mover in 2024 to High Performer in 2025.
3	D. Growth-Seekers	Sikkim is listed as a North-East entry in the Growth-Seekers category.
4	B. A is false but R is true	Andhra Pradesh is an Accelerator, not a Growth-Seeker, while its Coastal tag is correct.
5	D. I-C, II-D, III-B, IV-A	Punjab is an Accelerator, Sikkim a Growth-Seeker, Tripura a High Performer and Delhi an Exemplar.
6	C. I and III only	Statements I and III match the report, while Jammu and Kashmir is a High Performer, not an Accelerator.
7	A. Only two	Statements I and II are correct, while Andaman and Nicobar Islands is a Growth-Seeker, not an Accelerator.

Logistics Initiatives and the LPI

1	C. Bharatmala Pariyojana	The booklet states that Bharatmala Pariyojana aims to improve road connectivity across India.
2	A. Logistic Efficiency Enhancement Programme	The Logistic Efficiency Enhancement Programme aims to enhance freight speed, reduce costs and improve tracking.
3	D. Customs procedures, logistics costs and infrastructure for overland and maritime transport	The booklet says the index analyses customs procedures, logistics costs and infrastructure quality for overland and maritime transport.

4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the reporting frequency of the index does not explain the policy's cost aim.
5	B. I-C, II-D, III-A, IV-B	GatiShakti promotes integrated planning, Bharatmala improves road connectivity, Sagarmala focuses on port-led development and E-Way mandates digital bills.
6	C. I and III only	Statements I and III are correct, while the National Logistics Policy aims to lower, not raise, logistics costs.
7	A. Only one	Only statement I is correct, since the programme aims to enhance freight speed and logistics costs are about 7.97% of GDP.

Origin of the day: MCQ practice

1	B. Responsible Innovation for Inclusive Growth	The booklet states that the 2026 observance carried the theme 'Responsible Innovation for Inclusive Growth'.
2	D. DRDO	The booklet says DRDO successfully test-fired the Trishul missile on that day.
3	C. 1998	The commemorated achievements date to 11 May 1998, the year of the Pokhran-II tests and the Hansa-3 flight.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the reason about the award's status does not explain why it is announced on this day.
5	C. I-C, II-A, III-D, IV-B	The booklet links Vajpayee with the declaration, Pokhran-II with the Thar Desert tests, Hansa-3 with a test flight and Trishul with a short-range missile.
6	A. I and III only	Statements I and III match the booklet, while II is wrong because the declaration was made in 1998.
7	D. Only two	Statements I and III are correct, while II is wrong because Trishul is a short-range surface-to-air missile.

Digital, farm and dairy milestones: MCQ practice

1	C. WIPO	The booklet cites the WIPO report for India's sixth-place position in intellectual property filings.
2	D. Global Innovation Index	The booklet cites the Global Innovation Index 2026 for India's innovation standing.
3	B. Aadhaar	The booklet describes Aadhaar as the world's largest biometric ID system.
4	A. Both A and R are true and R is the correct explanation of A	The booklet says the Green Revolution boosted production through high-yielding wheat and rice varieties, so R explains A.
5	C. I-B, II-A, III-D, IV-C	Each item matches its booklet description in option C: Aadhaar, UPI, the Green Revolution and the White Revolution.
6	A. I and III only	Statements I and III match the booklet, whereas II wrongly describes UPI as a biometric identity system.
7	B. Only two	Only statements II and III are correct, since Aadhaar is described as the world's largest, not smallest, biometric ID system.

Institutions and schemes: MCQ practice

1	D. I-D, II-C, III-B, IV-A	The booklet pairs iDEX with defence startups, NM-ICPS with R&D in AI and related fields, IN-SPaCe with private participation in space, and Atal Incubation Centres with startup support.
2	A. Atal Innovation Mission	The booklet states that the Atal Innovation Mission was launched by NITI Aayog to foster an innovation culture.

3	B. 1995	The booklet identifies the Technology Development Board as a statutory body under the Technology Development Board Act, 1995.
4	A. Only two	Statements I and II are correct, while III is wrong because iDEX promotes indigenous defence startups and MSMEs generally.
5	C. I and II only	Statements I and II match the booklet, while III is wrong because the mission also covers communication, sensing and materials.
6	B. Innovation labs in schools	The booklet describes Atal Tinkering Labs as innovation labs in schools.
7	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the second does not explain why the board gives financial assistance.

Origin of International Labour Day: MCQ practice

1	C. 8 hours	The booklet states that the 1886 demonstration demanded 8 hours of work on a daily basis.
2	A. Chennai (then Madras)	The booklet says the first May Day in India was celebrated in Chennai (then Madras) in 1923.
3	B. Europe	The booklet records that Socialist Parties in Europe made this decision in 1889.
4	D. I-C, II-D, III-A, IV-B	The Haymarket Affair marked the start of the day, the Labour Kisan Party organised the 1923 May Day, the 1889 decision is the socialist one, and Workers Day is another name.
5	B. I and III only	The booklet dates the first Indian May Day to 1923 and the Socialist Parties' decision to 1889, while the Haymarket Affair is linked to the 1886 demonstration.
6	C. Only two	Statements I and III match the booklet, but the 1886 demand was for 8 hours, so statement II is wrong and only two are correct.

ILO objectives, standards and reports: MCQ practice

1	C. Elimination of employment discrimination	The booklet lists elimination of employment discrimination among the declaration's focus areas.
2	A. Recommendations	The booklet describes Recommendations as non-binding guidelines, while Conventions and Protocols are legally binding.
3	D. An equal voice	The booklet states that the tripartite structure gives governments, employers and workers an equal voice.
4	A. Both A and R are true and R is the correct explanation of A	Because recommendations are non-binding guidelines, they do not operate as legal obligations, so R explains A.
5	D. I-D, II-C, III-A, IV-B	Forced Labour is No. 29, Equal Remuneration is No. 100, Discrimination is No. 111 and Worst Forms of Child Labour is No. 182.
6	B. I and III only	The booklet confirms the 2022 amendment and freedom of association as a focus area, while recommendations are non-binding.
7	C. Only two	Statements I and III match the booklet, while statement II is wrong because recommendations are non-binding, so only two are correct.

India's Partnerships: Vietnam, NZ and SAARC

1	B. 2012	The booklet states the SAARC currency swap framework was launched by the RBI in 2012.
2	C. USD 500 million	India has extended a USD 500 million defence line of credit to Vietnam.

3	D. USD 25 billion	Both countries set a target of USD 25 billion in bilateral trade by 2030.
4	C. A is true but R is false	Indian exports do get full duty elimination, but India opens only 70.03% of its tariff lines, so R is false.
5	A. I-B, II-C, III-D, IV-A	Sahyog is a Coast Guard exercise, VINBAX is an Army exercise, My Son is linked to ASI restoration, and the rare earths pact targets critical mineral supply chains.
6	D. I and II only	Statements I and II match the booklet, while the SAARC swap tenure is extendable only twice.
7	B. Only two	Statements I and III match the booklet, while the Joint Vision Statement seeks deeper, not reduced, defence cooperation.

Thucydides Trap, Ebola and Ecocide

1	C. Peloponnesian War	Thucydides analysed the Peloponnesian War, fought between Athens and Sparta.
2	B. Bundibugyo	The DR Congo outbreak is linked to the Bundibugyo strain.
3	A. Ituri	The outbreak is located in the Ituri region of DR Congo.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the 1976 identification does not explain why Ebola is zoonotic.
5	C. I-D, II-A, III-B, IV-C	Athens is the emerging power, Sparta the dominant established power, Yambuku the DR Congo site and Nzara the South Sudan site.
6	C. I and II only	Statements I and II match the booklet, while ecocide is not currently recognised under the Rome Statute.
7	B. Only two	Statements I and III match the booklet, while India has not signed the Rome Statute.

SCO and IORA: Practice MCQs

1	B. Uzbekistan	Uzbekistan's entry in 2001 turned the Shanghai Five into the SCO, while the other three were original members.
2	D. Tashkent	RATS is based in Tashkent.
3	C. 1997	IORA was established in 1997, while 1995 is the year of the visit that inspired its vision.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the language fact does not explain the body's decision-making role.
5	B. I-C, II-D, III-A, IV-B	RATS is in Tashkent, the IORA secretariat in Ebene, the SCO secretariat in Beijing, and the Dialogue was launched in Perth.
6	D. II and III only	The IORA secretariat is in Ebene and the Dialogue began in 2013, while the SCO secretariat is in Beijing.
7	A. Only two	Statements (a) and (c) are correct, while IORA was established in 1997, so statement (b) is wrong.

Korea, Komagata Maru and Sikkim: Practice MCQs

1	D. Indo-Sikkim Treaty	The Indo-Sikkim Treaty of 1950 made Sikkim an Indian protectorate, while the other three were British-era agreements.
2	B. A ceasefire without a peace treaty	The armistice produced a ceasefire without a peace treaty, so the two Koreas are technically still at war.
3	C. Syngman Rhee	Syngman Rhee led South Korea, while Kim Il Sung led North Korea.
4	A. Both A and R are true and R is the correct explanation of A	Both statements are true, and the 1974 amendment is why Sikkim first held Associate State status.

5	B. I-D, II-C, III-A, IV-B	The regulation dates to 1908, the armistice to 1953, Sikkim's statehood to 1975 and the invasion to 1950.
6	D. II and III only	Statement I is wrong because the 1953 armistice produced no peace treaty, while II and III match the booklet.
7	A. Only two	Statements (a) and (b) are correct, while Associate State status came from the 1974 amendment, not the 1950 treaty.

CDS, Peacekeeping and Awards: Practice MCQs

1	C. A is true but R is false	The age limit of 65 is correct, but the CDS has no fixed tenure, so R is false.
2	B. Appointments Committee of the Cabinet	The CDS is appointed by the Appointments Committee of the Cabinet, which the Prime Minister chairs.
3	D. I-D, II-C, III-B, IV-A	The Kargil Review Committee is 1999, Shekatkar 2016, UN Peacekeeping 1948, and the Day of UN Peacekeepers 29 May.
4	A. 2019	The CDS post was created in 2019 after the Kargil and Shekatkar committee recommendations.
5	D. Blue Berets	UN peacekeepers are often called Blue Berets or Blue Helmets.
6	C. II and III only	Statement I is wrong because the maximum age for holding office is 65, while II and III are correct.
7	C. Only two	Statements (a) and (b) are correct, while UN Peacekeeping was founded in 1948, so statement (c) is wrong.

Defence and Border Infrastructure: MCQ Practice

1	B. First	The booklet calls TARA India's first indigenous glide weapon system.
2	D. 1960	The booklet states that the Border Roads Organisation was established in 1960.
3	A. Ministry of Defence	The booklet says the conference was organised by the Ministry of Defence.
4	C. I-C, II-D, III-B, IV-A	TARA stands for Tactical Advanced Range Augmentation, Project Deepak is in the Western Himalayas, the BRO is the premier agency for border infrastructure, and JAI stands for Jointness, Aatmanirbharta and Innovation.
5	B. Both A and R are true but R is not the correct explanation of A	Both statements are supported by the booklet, but the headquarters location does not explain the kind of areas where the organisation works.
6	C. II and III only	Statement I is wrong because the booklet calls it the 3rd edition, while statements II and III match the booklet.
7	A. Only one	Only statement II matches the booklet, since the conference was held in New Delhi and Project Deepak is dated 1961.

Governance, Crime Data and Remembrance: MCQ Practice

1	A. Ministry of Information and Broadcasting	The booklet says the Ministry of Information and Broadcasting launched the initiative in collaboration with the Indian Institute of Creative Technologies.
2	D. 1986	The booklet states that the National Crime Records Bureau was established in 1986.
3	B. Ministry of Home Affairs	The booklet says the bureau functions under the Ministry of Home Affairs.
4	C. I-B, II-C, III-D, IV-A	The NCRB is the central repository of crime data, the institute is the implementing agency, Veera Pasi served as a commander, and the Crime in India 2024 report covers BNS offences alongside IPC.

5	D. A is false but R is true	Assertion A is false because the bureau functions under the Ministry of Home Affairs, while the reason is a true statement from the booklet.
6	C. I and II only	Statements I and II match the booklet, whereas III is wrong because the report also covers offences under the Bharatiya Nyaya Sanhita.
7	B. Only two	Statements I and II match the booklet, while III is wrong because Veera Pasi came from the Pasi community of Uttar Pradesh.

Type-in-the-answer passages
