

CLAT Express - June 2026: Answer Key

Multiple-choice passages

Islamabad MoU: practice set

1	A. It is an interim diplomatic framework rather than a permanent peace treaty	The booklet states the MoU serves as an Interim Diplomatic Framework rather than a Permanent Peace Treaty.
2	D. 60 days	The MoU provides for a 60-day negotiation process covering nuclear issues, regional security and sanctions relief.
3	C. A is true but R is false	The IAEA was founded in 1957; the Atoms for Peace speech to the UNGA was in 1953.
4	B. I-D, II-C, III-A, IV-B	The IAEA was founded in 1957, is headquartered in Vienna, won the Nobel Peace Prize in 2005, and is headed by Rafael Grossi.
5	D. I and III only	Statement II is wrong because the JCPOA was concluded in 2015; statements I and III match the booklet.
6	A. Only two	The MoU was signed in Islamabad, so statement III is wrong while statements I and II match the booklet.
7	D. 2018	The booklet states that in 2018 the United States withdrew from the nuclear agreement.
8	D. International Atomic Energy Agency	The International Atomic Energy Agency was founded in 1957, is headquartered in Vienna and promotes peaceful use of nuclear energy.

Visit Outcomes MCQ

1	B. Both A and R are true but R is not the correct explanation of A	Both statements are true in the booklet, but Myanmar's membership of the Mekong-Ganga Cooperation does not explain India's Act East engagement.
2	B. Only three	BIMSTEC, the Mekong-Ganga Cooperation and AITIGA are correct, while Myanmar is only a SAARC observer, so only three statements are correct.
3	C. I and III only	Statement I and III are correct, while statement II is wrong because the booklet describes Myanmar as a SAARC observer.
4	D. General Sir Archibald Campbell	The booklet states that General Sir Archibald Campbell signed the Treaty of Yandaboo on behalf of the British.
5	B. I-B, II-C, III-D, IV-A	The booklet dates are: Treaty of Yandaboo 1826, Treaty of Friendship 1951, Rupee-Kyat framework since 2024, and the seizure of power on February 1, 2021.
6	D. 1,360 km	The booklet gives the length of the India-Myanmar-Thailand Trilateral Highway as 1,360 km.
7	A. Arunachal Pradesh, Nagaland, Manipur and Mizoram	The booklet lists Arunachal Pradesh, Nagaland, Manipur and Mizoram as the Indian states bordering Myanmar.
8	D. Sittwe Seaport (Rakhine)	The booklet states that the Kaladan project links Kolkata with Sittwe Seaport in Rakhine, Myanmar.

Modi's Milestone and the PM's Office

1	D. 29 February	The booklet states that Morarji Desai was born on 29 February, which is why his birthday came once every four years.
2	C. A is true but R is false	The booklet says the President cannot dismiss the PM at any time, and the PM cannot be dismissed while he has majority support in the Lok Sabha.

3	A. Jawaharlal Nehru	The booklet says Modi surpassed the previous uninterrupted tenure record held by Jawaharlal Nehru.
4	D. Article 74	The booklet states that Article 74 provides for a Council of Ministers headed by the Prime Minister to aid and advise the President.
5	D. 4,399 days	The booklet states that Modi completed 4,399 consecutive days in office since 26 May 2014.
6	B. I-B, II-C, III-D, IV-A	The booklet lists Desai as the oldest PM, Rajiv Gandhi as the youngest, V.P. Singh as the first to leave after a no-confidence vote, and Vajpayee as the shortest-tenure PM.
7	B. Only two	Statements I and III are stated in the booklet, while Morarji Desai, not Modi, was India's first Non-Congress PM.

Passport and Proof of Citizenship

1	C. I-D, II-C, III-B, IV-A	Each case is paired with its holding: Maneka Gandhi (A), Abdul Khader (B), Lal Babu Hussein (C) and Sonowal (D).
2	A. Clause 6	Clause 6 of the Assam Accord mandates these safeguards for Assamese identity and heritage.
3	A. I and II only	India does not permit dual citizenship and the Act has been amended six times since 1986, while birth or descent holders get no certificate.
4	D. A is false but R is true	The booklet says a passport is strong evidence of nationality but not conclusive proof of citizenship in legal disputes.
5	B. Only two	Statements I and II match the booklet, while the Ration Card indicates residence and welfare eligibility, not citizenship.
6	D. Article 324	The Supreme Court upheld SIR under Article 324 and Section 21(3) of the Representation of People Act, 1950.
7	A. Section 20	Section 20 of the Passports Act, 1967 permits passports to non-citizens in the public interest.

VB-G RAM G Practice Set

1	D. 60 days	States may declare a cumulative 60-day No-Work Period during peak sowing and harvesting seasons.
2	A. 125 days	Guaranteed wage employment increases from 100 days to 125 days annually per rural household.
3	D. 15 days	Mandatory wage payment is due within 15 days of work completion.
4	A. I-C, II-D, III-B, IV-A	The Season Pause allows a cumulative 60-day no-work period, and performance-linked funding begins from the 2nd year.
5	C. I and III only	The Steering Committee is chaired by the Union Rural Development Secretary, not the Union Minister for Rural Development.
6	B. Only two	Statements I and III are correct, while General States have a 60 per cent Centre share, not 90 per cent.
7	D. Yuktdhara Portal	Technology integration in decentralised planning uses the Yuktdhara Portal, which is integrated with PM Gati Shakti.

Party System and Symbols Practice

1	A. Reserved symbols	Reserved symbols are exclusively allotted to recognised National or State Parties, while free symbols are available to unrecognised parties and independent candidates.
2	A. Election Commission of India	The ECI is the sole authority empowered to adjudicate disputes arising from splits within recognised parties and mergers.

3	D. Bahujan Samaj Party	BSP is named among the national parties, while DMK, Shiv Sena and Mizo National Front are given as state parties.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but R describes free symbols and does not explain why a recognised party holds exclusive rights over its symbol.
5	C. I-C, II-D, III-A, IV-B	Sadiq Ali held legislative majority is not the sole criterion, Kanhaiyalal Omar upheld the Order, a freeze follows when no clear majority exists, and free symbols come from a notified list.
6	A. I and II only	The Order was issued by the Election Commission in 1968, so statement III is incorrect while statements I and II match the text.
7	B. Only two	Statements I and III match the booklet, while statement II is wrong because the USA is given as a two-party system.
8	C. When neither faction demonstrates a clear majority	ECI may freeze the original symbol when neither faction demonstrates a clear majority, and direct both groups to contest under new names and symbols.

Telegram ban: misuse and blocking context

1	C. Data Principal	The booklet defines the Data Principal as the individual whose data is processed.
2	C. I-C, II-A, III-D, IV-B	Section 69A dates from 2008, Section 79(3)(b) covers direct orders, Tanul Thakur sought disclosure of blocking orders, and the DPDP Act allows penalties up to 250 crore.
3	D. Rule 16	The booklet states that Tanul Thakur challenged the blanket confidentiality of Rule 16 and mandated disclosure of original blocking orders.
4	A. I and II only	Statements I and II match the booklet, while Shreya Singhal upheld Section 69A and struck down the vague Section 66A.
5	C. 2008	The booklet states that Section 69A was introduced in 2008.
6	B. I only	Interim Blocking Directions are permitted in urgency, but safe harbour is available only to intermediaries that act upon notified violations.

Revision and PPI: MCQ Practice

1	D. 260	The revised series covers 957 items against 697 in the 2011-12 series, an increase of 260 items.
2	A. Output Producer Price Index	The Output PPI measures changes in prices received by producers for goods and services they sell.
3	D. From Primary Articles to Fuel and Power	The booklet states that Crude Petroleum and Natural Gas shifted from the Primary Articles category to the Fuel and Power category.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but R describes the earlier method and does not explain why the revised series uses Gross Value of Output.
5	D. I-C, II-D, III-B, IV-A	Input PPI matches B, Output PPI matches C, Service PPI matches A and Carry-Forward matches D.
6	A. I and III only	Statement II is false because Crude Petroleum and Natural Gas moved to Fuel and Power, while I and III match the booklet.
7	C. Only three	Statement II is wrong because Carry-Forward was the previous approach, while I, III and IV are stated in the booklet.
8	A. Carry-Forward Method	The revised series replaced the Carry-Forward Method, which used the last available price, with Targeted Mean Imputation.

G7 Evolution Check

1	D. 1975	The booklet states the G7 was established in 1975 in response to global economic turbulence and the oil crisis.
2	A. Canada	The booklet states Canada joined the grouping in 1976, creating the G7.
3	C. Annexation of Crimea	The booklet states Russia's participation was suspended in 2014 following the annexation of Crimea.
4	A. Both A and R are true and R is the correct explanation of A	The booklet states the suspension came in 2014 following the annexation of Crimea, so R gives the reason for A.
5	B. I-D, II-C, III-B, IV-A	The booklet dates the establishment to 1975, Canada's entry to 1976, Russia's entry to 1998 and the suspension to 2014.
6	C. I and III only	Statement I and statement III are stated in the booklet, while the European Union is not counted as a formal member.
7	A. Only two	Statements II and III are supported by the booklet, while Canada joined in 1976 and the 52nd Summit was held in Evian-les-Bains.
8	C. I only	The founding members were France, West Germany, Italy, Japan, United Kingdom and United States, and Canada joined later in 1976.

Quad at a glance: MCQ set

1	B. Both A and R are true but R is not the correct explanation of A	The booklet states both points, and the expansion of the name does not explain why the grouping is informal.
2	B. Only two	Statements I and III are correct, while South Korea is only a Quad Plus participant and the 2026 exercise is hosted by Australia.
3	A. Unmanned Aerial Vehicle threats	Its focus areas are state-sponsored terrorism, Unmanned Aerial Vehicle threats and joint crisis response planning.
4	D. I-C, II-A, III-D, IV-B	Malabar is the annual naval exercise, AI-ENGAGE covers agriculture, the counterterrorism exercise is hosted by Australia, and the outreach is with Fiji.
5	A. 2026	The booklet gives the outreach target as completion by 2026.
6	C. New Delhi	The booklet states that the 11th Quad Foreign Ministers' Meeting was held in New Delhi.
7	C. I and II only	Statement III is wrong because the 2026 counterterrorism exercise is to be hosted by Australia.
8	D. Shinzo Abe	The booklet states the concept was championed by former Japanese Prime Minister Shinzo Abe in 2007.

E85 Basics Check

1	A. Ministry of Petroleum and Natural Gas	The booklet names the Ministry of Petroleum and Natural Gas as the nodal ministry.
2	C. 85% ethanol and 15% petrol	The booklet defines E85 as a fuel blend of 85% ethanol and 15% petrol (gasoline).
3	A. 2025	The booklet says the E20 target set for 2030 was achieved in 2025.
4	C. About 99.9%	The booklet describes ethanol as highly purified alcohol with approximately 99.9% purity.
5	D. A is false but R is true	The booklet says E85 can be used only in Flex-Fuel Vehicles, so A is false and R is true.
6	B. I-D, II-C, III-A, IV-B	The booklet gives 2003 for the pilot, 2030 for the E20 target, 2023 for the Alliance and 2018 for the National Policy on Biofuels.
7	C. I and III only	Statements I and III match the booklet, while statement II contradicts its note that E85 needs Flex-Fuel Vehicles.

8	B. Only two	Statements I and II match the booklet, while the Repurpose Used Cooking Oil initiative was launched by FSSAI, not the petroleum ministry.
---	-------------	---

Forests, Wetlands and Wildlife Drives

1	C. 1973	Project Tiger was launched in 1973, while Project Elephant followed in 1992.
2	D. 100	The booklet states that India expanded its Ramsar Site count to 100 as of now.
3	C. 2023-24	MISHTI was announced in the Union Budget 2023-24 to promote and conserve mangroves.
4	C. I-B, II-C, III-D, IV-A	Each scheme matches its stated purpose or launch detail: Ek Ped Maa Ke Naam with memory planting, MISHTI with mangroves, CAMPA with waste and barren land, and Project Elephant with 1992.
5	B. I and II only	Statement III is wrong because Project Tiger (1973) came before Project Elephant (1992), so only I and II are correct.
6	A. Only two	Statement III is wrong because the booklet says India ranks 3rd, not first, in net forest area gain, so only I and II are correct.
7	A. I only	The Aravalli Green Wall is 1,400 km long from Porbandar (Gujarat) to Panipat (Haryana), so statement II is wrong.

Defence and Nuclear Developments

1	D. National Security Advisor	The Executive Council is chaired by the National Security Advisor and executes the directives of the Political Council.
2	B. Both A and R are true but R does not explain A	Both statements are given in the booklet, and the Almaz-Antey design credit does not explain the 2018 procurement deal.
3	D. I-D, II-C, III-A, IV-B	Iron Dome is Israeli, S-500 Prometey is Russian, HQ-9 is Chinese and THAAD is American, per the booklet's air defence list.
4	A. I and III only	Statement II is wrong because the booklet lists BrahMos as conventional only and not nuclear.
5	C. Only three	The booklet dates the nuclear doctrine to 2003, so statement IV is wrong while I, II and III are correct.
6	D. About 86%	The booklet states that the US and Russia together hold around 86% of all warheads.
7	A. Lithuania	The booklet records Lithuania as the first state to withdraw from the Convention on Cluster Munitions in 2025.
8	A. Lucknow	The booklet places the BrahMos Integration and Testing Facility Centre in Lucknow, Uttar Pradesh.

Iran-U.S. Nuclear Diplomacy: Background

1	C. I and III only	Statements I and III match the booklet, while the JCPOA's conclusion year is 2015, not 2013.
2	B. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the scaling back of compliance does not explain why Iran accepted inspections.
3	D. Uranium enrichment and nuclear monitoring	The booklet says the scaled-back commitments related mainly to uranium enrichment and nuclear monitoring.
4	C. 2015	The booklet dates the Joint Comprehensive Plan of Action (JCPOA) to 2015.
5	B. Only two	Statements I and III are correct, while II is wrong because the JCPOA was with the P5+1 countries.

6	D. P5+1 countries	The booklet states the JCPOA was concluded between Iran and the P5+1 countries.
7	A. Its nuclear stockpiles	The booklet lists reduction of nuclear stockpiles among Iran's JCPOA commitments.

The IAEA: Context and Purpose

1	C. Dwight D. Eisenhower	The booklet says the IAEA was born out of Dwight D. Eisenhower's 'Atoms for Peace' speech.
2	A. UN General Assembly	The booklet says the speech was delivered to the UNGA in 1953.
3	D. Military purposes	The booklet lists inhibiting use of nuclear energy for any military purpose as an IAEA objective.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the 1953 speech is the origin of the agency and does not explain its intergovernmental type.
5	D. I-D, II-A, III-B, IV-C	The booklet links Rafael Grossi to the headship, 2005 to the Nobel Peace Prize, intergovernmental status to the type, and 1953 to the speech.
6	A. I and III only	Statements I and III are in the booklet, while II is wrong because the IAEA is an intergovernmental organization.
7	C. Only two	Statements II and III are correct, while I is wrong because the IAEA was founded in 1957.

Treaty of Yandaboo and Its Legacy

1	C. North-East Region	The booklet states that much of India's North-East Region was under Burmese occupation until the Treaty of Yandaboo.
2	D. 1826	The booklet dates the Treaty of Yandaboo to 1826.
3	A. The current India-Myanmar boundary	The booklet says the treaty established the current India-Myanmar boundary.
4	B. I and III only	Statement II is wrong because the treaty is dated 1826, while statements I and III match the booklet.
5	B. Only two	Statements I and II are correct, while statement III gives a wrong date for the war.
6	A. Anglo-Burmese War of 1824-1826	The booklet states that the treaty ended the Anglo-Burmese War of 1824-1826.

Connectivity Projects and the Visit

1	D. Three	The highway's name lists India, Myanmar and Thailand, which makes three countries.
2	C. Myanmar	The booklet states that the highway passes through Myanmar before reaching Mae Sot in Thailand.
3	B. I and III only	Statement II reverses the route, while statements I and III match the booklet.
4	B. Only two	Statements I and III are correct, while statement II reverses the highway's route.
5	D. Both A and R are true but R is not the correct explanation of A	Both statements are true, but being featured among the outcomes does not explain the commitment to complete the project.
6	A. Commitment to complete it at the earliest	The booklet says both countries reaffirmed their commitment to completing the Kaladan project at the earliest.
7	D. Efforts to expedite its implementation	The booklet states that efforts were announced to expedite the implementation of the highway project.

Myanmar's Takeover and Its Aftermath

1	A. Myint Swe	The booklet names Myint Swe, a former general and the vice president, as the person to become acting president.
2	A. February 1, 2021	The booklet dates the military's seizure of power to February 1, 2021.
3	B. One year	The booklet states that the army declared a one-year state of emergency.
4	D. A is false but R is true	Assertion A is false because the takeover was in 2021, while the NLD landslide victories in 2015 and 2020 are correct.
5	C. I-C, II-D, III-B, IV-A	Myint Swe was the former general and vice president, Aung San Suu Kyi was taken into custody, the NLD won the landslide victories, and the army declared the emergency.
6	B. I and III only	Statement II is wrong because banks were closed nationwide, while statements I and III match the booklet.

Forming the Government and the Council of Ministers

1	A. Union Cabinet	The booklet lists the Prime Minister as Chairperson of the Union Cabinet among the key functions.
2	C. A is true but R is false	A matches the booklet's description of Cabinet Ministers, but the booklet describes Ministers of State as junior to Cabinet Ministers, so R is false.
3	B. Ministers of State (Independent Charge) [MoS (IC)]	The booklet describes MoS (IC) as operating independently, without oversight from Cabinet Ministers or Council of Ministers members.
4	D. Home Affairs, Finance and Defence	The booklet names Home Affairs, Finance and Defence as key ministries overseen by Cabinet Ministers.
5	A. I only	Statement I matches the booklet, while II and III contradict its statements that the President cannot dismiss at any time and that Rajya Sabha members have been made PM.
6	B. Only two	Statements I and III match the booklet, while II is wrong because the booklet says the Constitution does not fix the PM's term.
7	B. Two or more parties that together form a Lok Sabha majority	The booklet says the person invited should command support of two or more parties that make up a Lok Sabha majority.

Modi's Records and Prime Ministerial Firsts

1	C. Narendra Modi	The booklet calls Narendra Modi the first Indian PM born after 15 August 1947.
2	B. 336	The booklet states that the BJP-led NDA got an absolute majority of 336 out of 543 Lok Sabha seats in 2014.
3	D. H.D. Deve Gowda	The booklet lists HD Deve Gowda as India's 2nd PM of South Indian origin, from Karnataka.
4	C. I-B, II-C, III-D, IV-A	Morarji Desai was the first Non-Congress PM, Rajiv Gandhi the youngest at 40, V.P. Singh the first to leave after a no-confidence vote, and Vajpayee had the shortest tenure.
5	A. I only	Statement I matches the booklet, while II is wrong because Rajiv Gandhi was the youngest PM and III is wrong because Vajpayee had the shortest tenure.
6	B. Only two	Statements I and II match the booklet, while III is wrong because the booklet says Morarji Desai was the 2nd and last PM born in the 19th century.

VB-G RAM G: Objectives and Planning

1	D. Viksit Bharat — Guarantee for Rozgar and Ajeevika Mission (Gramin)	VB-G RAM G stands for Viksit Bharat — Guarantee for Rozgar and Ajeevika Mission (Gramin).
2	C. Viksit Bharat National Rural Infrastructure Stack Programme	The Viksit Bharat National Rural Infrastructure Stack Programme links employment generation with infrastructure creation.
3	A. Viksit Gram Panchayat Plans	The Act makes preparation of Viksit Gram Panchayat Plans mandatory.
4	A. I and II only	Statement III is false because rural infrastructure is one of the stated objectives, while I and II are true.
5	B. Only two	Statement III is wrong because the Act replaces MGNREGA, not the National Food Security Act.
6	D. Promote urban metro expansion	Urban metro expansion is not among the stated objectives, which cover employment, infrastructure, climate resilience and planning.

VB-G RAM G: Governance and Transition

1	B. 16	The National Level Steering Committee is a 16-member body.
2	D. Members of the Rajya Sabha	Its members come from State Governments, NITI Aayog and relevant Union Ministries, not from the Rajya Sabha.
3	C. I-D, II-A, III-B, IV-C	The Steering Committee recommends allocations, the Council advises on policy, e-KYC job cards remain valid, and cards are issued subsequently.
4	A. I and II only	Statement III is false because e-KYC verified job cards remain valid during the transition period.
5	A. Only two	Statement I is wrong because the Council is chaired by the Union Minister for Rural Development.
6	C. Union Minister for Rural Development	The Council is chaired by the Union Minister for Rural Development.

Recognition Criteria Practice (MCQ)

1	B. 6%	The booklet lists 6% of valid votes in any four or more states as a national party criterion.
2	D. Three	One national party criterion is winning 2% of LS seats at a general election from three states.
3	A. 25	A state party must win one LS seat for every 25 seats or any fraction thereof allotted to the state.
4	C. A is true but R is false	The criteria include vote-share tests, so R is false while A is true.
5	B. I-D, II-C, III-A, IV-B	Each criterion pairs with its own figure: 6% in four or more states, 4 LS seats, 2% of LS seats from three states, and 1 LS seat per 25 seats.
6	C. I and II only	Statements I and II match the booklet criteria, while III wrongly refers to Rajya Sabha elections instead of LS and LA elections.
7	A. Only two	Statements 1 and 3 match the booklet, while statement 2 wrongly gives 2 states instead of 4 for recognition as a state party in four states.

1968 Order Practice (MCQ)

1	D. Election Commission of India	The booklet states that the Order was issued by the Election Commission of India.
2	D. Regulation of election campaign expenditure	The booklet lists registration, classification and dispute resolution as coverage, but not regulation of campaign expenditure.

3	B. Only two	Statements 1 and 2 match the booklet, while statement 3 is wrong because free symbols are allotted by the ECI.
4	A. By the ECI from a notified list	The booklet says free symbols are allotted by the ECI from a notified list.
5	B. Both A and R are true but R is not the correct explanation of A	Both statements are listed coverage items, but R about registration and derecognition does not explain the classification in A.
6	C. I-D, II-A, III-B, IV-C	Classification matches national or state categories, dispute resolution matches splits and mergers, free symbols come from a notified list, and eligibility covers registered unrecognised parties and independent candidates.
7	A. I and III only	Statements I and III match the booklet, while II is wrong because reserved symbols go only to recognised parties.

Constitutional basis and judicial review: MCQ

1	C. Interim Blocking Directions	The booklet says Interim Blocking Directions may be issued in urgent situations before a Full Review, subject to subsequent examination.
2	A. Foreign companies	The Karnataka High Court held that foreign companies cannot claim Article 19 rights to challenge blocking orders.
3	D. Section 66A	The Supreme Court struck down the vague Section 66A in Shreya Singhal.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the reason about reasonable restrictions does not explain the Delhi High Court's disclosure ruling.
5	C. I-C, II-D, III-B, IV-A	Shreya Singhal was decided in 2015, Tanul Thakur in 2022, X Corp in 2023, and Section 69A empowers the Central Government or an authorised officer.
6	D. I only	Only statement I is correct, because Section 66A was struck down by the Supreme Court and the Karnataka High Court ruled that foreign companies cannot claim such rights.
7	B. Only two	Statements I and II are correct, while III wrongly attributes the foreign-company ruling to the Delhi High Court instead of the Karnataka High Court.

Intermediary duties and Safe Harbour: MCQ

1	C. Sahyog Portal	The booklet says Section 79(3)(b) orders are implemented through the Government's Sahyog Portal.
2	D. Chief Data Protection Officer	The booklet lists a Grievance Officer, a Chief Compliance Officer and a Nodal Contact Person, and does not mention a Chief Data Protection Officer.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the duty to remove unlawful content does not explain why a Nodal Contact Person must be appointed.
4	A. I-B, II-C, III-D, IV-A	Section 79(3)(b) lets certain ministries issue direct orders, the Sahyog Portal implements them, and Section 79 gives immunity for third-party content.
5	C. I and III only	Statement II is wrong because the reporting is monthly, while statements I and III are correct.
6	B. Only two	Statements I and II are correct, while III is wrong because only certain ministries can issue such orders.
7	D. Monthly	The booklet states that intermediaries must carry out monthly compliance and transparency reporting under the IT Rules, 2021.

DPDP Act 2023 and privacy: MCQ

1	D. I-C, II-A, III-D, IV-B	The booklet defines a Data Fiduciary by its purpose role, a Data Processor by processing on its behalf, critical data by highest protection, and child's data by verified parental consent.
2	C. Within 72 hours	The booklet says data breaches must be notified to the Data Protection Board within 72 hours.
3	C. I and III only	Statements I and III are correct, while II is wrong because platforms may collect only the data required for their functioning and the services users opt for.
4	A. Both A and R are true and R is the correct explanation of A	The torch app example follows directly from the rule that platforms may collect only the data needed for the services users opt for.
5	C. Article 21	The booklet says the Supreme Court held in 2017 that privacy is a fundamental right under Article 21.
6	B. Data Processor	A Data Processor processes data on behalf of the Data Fiduciary, as defined in the booklet.
7	B. Only two	Statements I and II are correct, while III describes the Data Fiduciary rather than the Data Processor.

WPI Basics: Index Revision Practice

1	A. III only	Only statement III matches the booklet, since the WPI is released by the Office of Economic Adviser and captures prices before goods reach final consumers.
2	B. I-D, II-C, III-B, IV-A	WPI stands for Wholesale Price Index, the Office of Economic Adviser compiles it, that office works under the Department for Promotion of Industry and Internal Trade, and it indicates trends in the production and distribution chain.
3	C. Wholesale or producer level	The booklet describes the WPI as measuring average change in prices of goods traded at wholesale or producer level.
4	A. 2011-12	The booklet states that the WPI base year was revised from 2011-12.
5	C. A is true but R is false	The WPI does indicate chain inflation, but it measures wholesale or producer-level prices rather than retail prices.
6	D. Before goods reach final consumers	The booklet says the WPI captures prices before goods reach final consumers.
7	B. Only two	Statements I and II are correct, while statement III is wrong because the Office of Economic Adviser releases the WPI.

WPI and PPI: Feature Comparison Practice

1	C. PPI	The booklet's feature table gives producer revenue and input costs as the PPI perspective.
2	D. Producer-level price changes	The booklet states that the PPI focus is producer-level price changes, while the WPI focus is wholesale price movements.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the Service PPI description does not explain why the new indices are introduced alongside the revised series.
4	A. I-B, II-C, III-D, IV-A	The WPI focus is wholesale price movements, its perspective is market-level wholesale prices, the PPI focus is producer-level price changes, and the PPI perspective is producer revenue and input costs.
5	A. I and II only	Statements I and II match the feature table, while statement III is wrong because inflation monitoring is the stated purpose of the WPI, not the PPI.

6	C. Only two	Statements I and III are correct, while statement II is wrong because market-level wholesale prices is the WPI perspective.
7	D. Railways	Railways is one of the services the booklet lists as covered by the Service PPI.

Evian Summit 2026 Practice

1	C. Evian-les-Bains	The booklet places the 52nd G7 Summit in Evian-les-Bains.
2	A. Forging New Partnerships and Rebuilding International Solidarity	The booklet gives the 2026 theme as 'Forging New Partnerships and Rebuilding International Solidarity'.
3	B. Outreach Session	The booklet says PM Modi participated in the 52nd G7 Summit Outreach Session.
4	D. A is false but R is true	The booklet describes the invitation as a consecutive participation, so A is false while R is true.
5	D. I-C, II-A, III-D, IV-B	The 2026 edition is 52nd, the host is Evian-les-Bains, the leader is PM Modi and the count is eighth.
6	C. II only	Only statement II matches the booklet, since the summit was in Evian-les-Bains and the count was eighth.
7	B. Only two	The first two statements match the booklet, while the 50th edition is wrong because the summit is the 52nd.

Pillars of G7 Influence Practice

1	A. Energy insecurity and geopolitical instability	The booklet says leaders coordinate on energy insecurity and geopolitical instability.
2	D. Global trade policies, investment flows and economic recovery strategies	The booklet links collective G7 decisions to trade policies, investment flows and recovery strategies.
3	B. Common ground	The booklet says the G7 reinforces dialogue and coordination to find common ground on complex global challenges.
4	D. A is false but R is true	The booklet calls the forum a symbol of cooperation among major economies, so A is false while R is true.
5	C. I-C, II-D, III-A, IV-B	Regulatory Influence matches financial regulations, Collective Response to Crises matches the unified front, Driving Global Frameworks matches climate commitments and Future-Proofing Governance matches governance.
6	B. I and III only	Statement II is wrong because the booklet calls the G7 an informal forum, while I and III are stated.
7	C. Only two	The first two statements match the booklet, while the third reverses the booklet's description of cooperation.

Maritime Cooperation: MCQ Practice

1	C. Wilmington Declaration	The booklet states that the Quad-at-Sea Ship Observer Mission was launched under the Wilmington Declaration.
2	B. Indian Ocean Region	The booklet gives immediate emphasis to the Indian Ocean Region.
3	D. A is false but R is true	The booklet says the framework uses the assets of all Quad members, so A is false and R is true.
4	B. I-D, II-C, III-A, IV-B	The booklet pairs the mission with the Wilmington Declaration, the Malabar Exercise with the annual naval exercise, the partnership with data sharing and the tabletop exercise with Australia.
5	D. India	The booklet states that India will host the next edition.

6	A. I and III only	Statement II is wrong because the booklet gives the immediate emphasis as the Indian Ocean Region.
7	C. Only three	Statements I, II and IV are correct, while III names the wrong declaration.

Significance for India: MCQ Practice

1	D. Nuclear deterrence	The booklet lists disaster relief, health security, infrastructure support and capacity building, but not nuclear deterrence.
2	B. String of Pearls	The booklet says the Quad balances China's growing maritime presence and its String of Pearls strategy in the Indian Ocean.
3	A. Grey-zone tactics	The booklet says enhanced monitoring improves detection of illegal fishing and grey-zone tactics.
4	A. Both A and R are true and R is the correct explanation of A	The booklet says the Quad preserves strategic autonomy by enabling cooperation with major democracies without a formal alliance.
5	C. I-C, II-A, III-D, IV-B	Strategic counterbalance matches A, technology cooperation matches B, regional public goods match C and supply-chain resilience matches D.
6	D. I and II only	Statement III is wrong because the booklet says supply-chain work reduces vulnerabilities and diversifies sources beyond dominant suppliers.
7	B. Only two	Statements I and III are correct, while II and IV contradict the booklet.

Benefits of Ethanol Blending: MCQ

1	A. Over 50%	The booklet states that 2G ethanol reduces GHG emissions by over 50% compared to petrol.
2	B. 2014	The booklet says farmers have earned about 21 lakh crore through ethanol procurement transfers since 2014.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements appear in the booklet, but stockpile flexibility is a separate benefit and does not explain the emissions objective.
4	D. I-D, II-C, III-B, IV-A	Each item in List I matches its own description in List II, giving I-A, II-B, III-C, IV-D.
5	C. I and II only	Statements I and II match the booklet, while III is wrong because maize and wheat are also listed as major feedstocks.
6	A. Only two	Statements 1 and 3 are in the booklet, while statement 2 reverses the booklet's point that the programme promotes maize.
7	A. Coal	The booklet lists sugarcane, maize, wheat and other sugar- and starch-rich crops as major feedstocks, but not coal.

Concerns with Ethanol Blending: MCQ

1	C. 67%	The booklet cites a survey finding that 67% of petrol vehicle owners report reduced mileage and higher maintenance costs.
2	D. Sugarcane	The booklet says water-intensive sugarcane drives groundwater depletion.
3	C. I-B, II-D, III-A, IV-C	Each concern in List I pairs with its effect in List II, giving I-A, II-B, III-C, IV-D.
4	B. I and II only	Statements I and II are in the booklet, while III overstates the land loss, which the booklet puts at nearly 30%.
5	B. Only two	Statements 2 and 3 are in the booklet, while statement 1 is wrong because sugarcane has a high water requirement.

6	A. Rice and corn	The booklet says diverting rice and corn for ethanol production raises food-versus-fuel concerns.
---	------------------	---

Biofuel Generations: MCQ

1	B. Only two	Statements 1 and 3 are in the booklet, while statement 2 is wrong because fourth-generation biofuel is described as carbon negative.
2	A. I only	Only statement I is in the booklet, since leftovers of food crops describe second-generation fuel and second-generation has lower greenhouse gas content.
3	A. Panipat, Haryana	The booklet names the 1st 2G Ethanol Project at Panipat, Haryana.
4	D. I-C, II-D, III-B, IV-A	Each generation in List I matches its feedstock in List II, giving I-A, II-B, III-C, IV-D.
5	C. Both A and R are true but R is not the correct explanation of A	Both statements appear in the booklet, but the feedstock of the fourth generation does not explain the carbon neutrality of the third.
6	C. Edible items such as sugar, corn and starch	The booklet says first-generation biofuel is made from edible items such as sugar, corn and starch.
7	D. Fourth generation	The booklet describes fourth-generation biofuel, made from genetically engineered crops, as carbon negative.

WED and UNEP: MCQ practice

1	C. June 5	World Environment Day is celebrated on June 5 every year.
2	B. 1972	It was established in 1972 to coincide with the opening day of the Stockholm Conference on Human Environment.
3	A. Raising awareness and driving global action on pressing environmental issues	The booklet gives its purpose as raising awareness and driving global action on pressing environmental issues.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but UNEP's location in Nairobi does not explain why it organises the day.
5	D. I only	UNEP was founded in 1972, but it is based in Nairobi, and Azerbaijan rather than Brazil was named Global Host for 2026.
6	C. I-D, II-C, III-B, IV-A	Azerbaijan is the 2026 Global Host, Nairobi is UNEP's base, Only One Earth was the 1973 theme and June 5 is the celebration date.
7	B. Only two	Statements I and II are correct, while III is wrong because the 2026 theme is 'Inspired by Nature. For Climate. For Our Future.'

Climate finance and the TFFF: MCQ practice

1	C. COP29 in Baku	The NCQG was formally established during COP29 in Baku.
2	B. \$1.3 trillion	The NCQG aims to scale up climate funding to developing nations to at least \$1.3 trillion per year by 2035.
3	D. \$300 billion	Developed nations agreed to lead mobilisation of at least \$300 billion annually by 2035.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the fact that Belém is in Brazil does not explain the 'Amazon Forest COP' nickname.
5	A. I-D, II-C, III-A, IV-B	The correct pairs are \$1.3 trillion, \$300 billion, COP29 in Baku and COP30 in Belém, in that order of the list.
6	C. I and II only	Statements I and II are correct, while III is wrong because \$1.3 trillion is the developing-nations target, not the developed-nations figure.
7	A. Only two	Statements I and III are correct, while II is wrong because the TFFF was launched at COP30 in Belém.

India's NDC targets and the ISA: MCQ practice

1	A. 2022	The updated NDC was submitted in 2022.
2	C. 45%	The updated NDC targets a 45% cut in emissions intensity of GDP by 2030 from 2005 levels.
3	D. 6 December 2017	The ISA was officially established on 6 December 2017, on the entry into force of the Framework Agreement.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the launch year does not explain which States the Alliance covers.
5	D. I-C, II-D, III-B, IV-A	The correct pairs are 33-35% for the first NDC, 45% for the updated NDC emissions target, 40% for the first NDC capacity target and 50% for the updated NDC capacity target.
6	B. I and III only	Statements I and III are correct, while II is wrong because the updated NDC's 2030 emissions intensity target is 45%.

Western Ghats and Space Science

1	C. K. Kasturirangan Committee	The notification is based largely on the K. Kasturirangan Committee's 2013 recommendations.
2	A. About 37%	The approach covers about 56,000 sq km, which is about 37% of the Western Ghats.
3	D. Tata Institute of Fundamental Research	GRAPES-3 is operated by the Tata Institute of Fundamental Research.
4	B. Both A and R are true, and R is the correct explanation of A	The named rivers are the reason the range is called the Water Tower of Peninsular India.
5	C. I-D, II-C, III-B, IV-A	Anamudi is the highest peak, GRAPES-3 is at Ooty, the Energy Transition Index assesses 120 countries, and the Western Ghats are also called the Sahyadri Range.
6	A. I and II only	Large construction projects are restricted in these areas, so statement III is false.
7	B. Only two	Statements I and III are correct, while the range spans six states, not eight.

FCRA Rules and Global Bodies

1	D. 75%	Under the FCRA Amendment Rules 2026, at least 75% of previously released foreign funds must be used before the next instalment.
2	B. Five years	FCRA registration is valid for five years and must be renewed before expiry.
3	A. G7	FATF was created in 1989 by the Group of Seven (G7).
4	C. Both A and R are true, and R is the correct explanation of A	The 2020 Act's prohibition on transfer is the reason foreign contributions cannot be passed on.
5	B. I-C, II-D, III-A, IV-B	The Grey List covers jurisdictions under increased monitoring, the Black List covers high-risk jurisdictions, Pax Silica is a US-led supply chain initiative, and the 2000 resolution calls for protecting women and girls from conflict-related sexual violence.
6	C. I and II only	Statement III is false because foreign nationals other than Persons of Indian Origin as key functionaries ordinarily make an NGO ineligible.
7	A. Only two	Statements I and III are correct, while the peacekeepers' day is observed on 29 May.

Padma Awards and University Rankings

1	C. 120	The maximum is 120 awards per year, and the cap excludes posthumous awards and some other categories of recipients.
2	D. 1954	The Padma Awards were instituted in 1954 and reorganised in 1955.
3	B. Bal Kalyan Puraskar and Bal Shakti Puraskar	The PM Rashtriya Bal Puraskar was created in 2018 by merging the Bal Kalyan Puraskar and the Bal Shakti Puraskar.
4	A. A is false but R is true	Foreign nationals are listed as eligible for Padma Awards, but they are excluded from the cap, so A is false and R is true.
5	C. I-D, II-C, III-A, IV-B	Padma Vibhushan is for exceptional service of the highest order, Padma Bhushan for high-order service in any field, Padma Shri for contributions in any discipline, and the PM Bal Puraskar is for children aged 5 to 18.
6	D. I and III only	Awards are announced on the eve of Republic Day, so statement II is false.
7	B. Only two	Statements I and II are correct, while Employer Reputation carries a weight of 15%.

Type-in-the-answer passages

Strategic benefits: short answers

1	2	The booklet lists energy market benefits, including reduced oil price volatility, under Pillar 2.
2	3	The booklet lists stimulated trade and investment under Pillar 3, Economic developmental gains.
3	Strait of Hormuz	The booklet states that reopening the Strait of Hormuz reduces freight and insurance costs.
4	Chabahar	The booklet links the Chabahar Port and the INSTC boost to reintegration.
5	2	The booklet describes doubts about concluding a settlement within the two-month timeframe.
6	Hezbollah	The booklet cites tensions between Israel and Hezbollah as a persistent regional tension.
7	India	The booklet states that reduced crude oil prices would lower India's inflationary pressures and current account deficit.

Strategic Ties TITA

1	1951	The booklet states that India and Myanmar signed a Treaty of Friendship in 1951.
