

CLAT Express - August 2026: Answer Key

Multiple-choice passages

Ceuta: geography, status and disputes

1	D. European Commission	The booklet states the European Commission, through Commissioner Magnus Brunner, declared the crisis resolved through Spain-Morocco cooperation.
2	A. Autonomous City of Spain	The booklet lists Ceuta's status as Autonomous City of Spain.
3	D. Strait of Gibraltar	The booklet places Ceuta at the eastern entrance of the Strait of Gibraltar.
4	D. Two	The booklet says Ceuta and Melilla together form one of the EU's two land borders with Africa.
5	C. A is true but R is false	The booklet says the fences are often breached, but Ceuta's coast is on the Mediterranean Sea, not the Atlantic.
6	C. I-D, II-C, III-A, IV-B	The booklet links Ceuta's status to Autonomous City of Spain, Morocco as neighbour, Western Sahara's annexation to 1975 and the SADR declaration to 1976.
7	B. I and II only	The booklet says Morocco disputes the status of Ceuta and Melilla, so statement III is false.
8	B. Only two	The booklet places Ceuta at the eastern, not western, entrance of the Strait of Gibraltar, so only statements I and II are correct.

Claims, Law and Disputes

1	D. Treaty of San Francisco (1951)	The 1951 Treaty of San Francisco forced Imperial Japan to give up territories conquered during the war.
2	D. 1994	UNCLOS came into force in 1994, providing a legal framework that balances the interests of coastal and seafaring states.
3	A. 2002	ASEAN and China signed the Declaration on the Code of Conduct in 2002 in an attempt to manage and resolve disputes.
4	C. A is true but R is false	The court's rulings are binding, but the Permanent Court of Arbitration has no powers to enforce them.
5	B. I-B, II-C, III-D, IV-A	The Permanent Court of Arbitration was established at The Hague in 1899, UNCLOS came into force in 1994, the 2012 standoff gave China control over Scarborough, and Chinese control of the Paracels dates from 1974.
6	A. I and III only	Statement II is wrong because the Luzon Strait links the sea with the Philippine Sea, while the Taiwan Strait links it with the East China Sea.
7	C. Only two	Statements I and III are correct, while Brunei is not listed among the claimants of the Paracel Islands.
8	D. Maritime Silk Road	Greater control over strategic maritime routes supports China's Maritime Silk Road.

Selection process and straw polls

1	D. 193	The joint communication invites 193 UN Member States to nominate candidates.
2	A. Article 97	Article 97 provides that the Secretary-General is appointed by the General Assembly on the Security Council's recommendation.
3	D. A is false but R is true	A Discourage from a Permanent Member signals a veto, so nine supporting votes would not be enough to advance.

4	B. I-C, II-D, III-B, IV-A	Encourage means support, Discourage means opposition, No Opinion means no position, and Permanent Members use distinctively coloured ballots in later rounds.
5	C. I and II only	Statements I and II are stated in the booklet, while straw poll results are not binding on the General Assembly's appointment.
6	A. Only one	Only statement II is correct, since the Charter sets no fixed term and regional rotation is a political convention rather than a binding provision.
7	D. Five	The five Permanent Members of the Security Council hold veto power.
8	D. Three	Members indicate one of three positions: Encourage, Discourage or No Opinion.

Cauvery dispute history check

1	A. 1990	The booklet states that the Cauvery Water Disputes Tribunal was constituted in 1990.
2	A. 740 TMC	The 2007 award allocated 740 TMC in total, with Tamil Nadu's share being 419 TMC.
3	D. Krishnaraja Sagar Dam	The booklet says the 1924 agreement's Kannambadi dam led to development of the Krishnaraja Sagar Dam.
4	B. (b) Both A and R are true but R is not the correct explanation of A	The review after 1974 and the 1990 tribunal are both true facts, but the tribunal's constitution does not explain the review.
5	A. I-D, II-A, III-B, IV-C	The tribunal was constituted in 1990, KRS came from the 1924 deal, Makedatu serves Bengaluru's drinking water, and Mettur Dam is in Tamil Nadu.
6	C. I and III only	Statement II is wrong because the 2018 judgment gave Tamil Nadu 404.25 TMC against Karnataka's 284.75 TMC.
7	B. Only two	The Krishnaraja Sagar Dam came from the 1924 agreement, so statement II is false while statements I and III are true.
8	D. Inter-State River Water Disputes Act, 1956	The booklet lists the Inter-State River Water Disputes Act, 1956 alongside Article 262 as the basis of the dispute.

Historical Roots and Current Process

1	D. Undivided Communist Party of India	The booklet states that the undivided Communist Party of India submitted the 1947 memorandum seeking Gorkhasthan.
2	A. Gorkha National Liberation Front	The Gorkha National Liberation Front, led by Subhas Ghising, emerged in 1980 and became the principal political force behind the agitation.
3	C. A is true but R is false	The booklet traces political demands for autonomy to the early twentieth century, so R is false while A is true.
4	A. I-D, II-C, III-B, IV-A	The DGHC was set up in 1988, the GTA in 2011, the corridor is called Chicken's Neck, and the GNLF was led by Subhas Ghising.
5	D. 1929	The booklet states that Gorkha demands were presented before the Simon Commission in 1929.
6	A. Prithvi Narayan Shah	The booklet names Prithvi Narayan Shah, a Gorkha ruler, as having played a central role in the unification of Nepal.

Amendment and enforcement MCQs

1	D. 5-10 years + fine up to ₹50 lakh	The amendment raises the term for individual offences from 3-5 years to 5-10 years, with a fine up to ₹50 lakh.
---	-------------------------------------	---

2	D. I-D, II-A, III-B, IV-C	Organised examination crime carries at least 5 years and a ₹5 crore fine, service providers face an 8-year ban, individual offences carry 5-10 years, and organised crimes carry at least 7 years and a ₹10 crore fine.
3	C. I and II only	Statements I and II match the text, while statement III contradicts the two-judge Division Bench hearing appeals within 3 months.
4	A. Only one	Only statement I is correct: the Finance Commission recommendation was in 2000, and the appeal limit is 3 months.
5	B. Central Bureau of Investigation	The text states that the Central Bureau of Investigation investigated the case, with Supreme Court monitoring, and exposed organised cheating syndicates.
6	A. I only	The text gives a combined 5-month timeline (2 months for investigation and 3 months for trial), so statement II is wrong.
7	A. 11th Finance Commission	The 11th Finance Commission (2000-2005) first recommended Fast Track Courts in 2000.

1971 Act and 2026 Bill: CLAT practice

1	D. 1 year	Section 3A prescribes a minimum 1 year imprisonment for second and subsequent convictions under Sections 2 or 3.
2	A. 3 years	Section 2 offences carry up to 3 years' imprisonment, fine or both, as stated in the booklet.
3	D. Only two	Statement II is wrong since its first public use was at Town Hall, Calcutta on 7 August 1905, while Varanasi saw it as the opening song.
4	D. Section 3	Section 3 prohibits intentionally preventing the singing of the National Anthem or disturbing an assembly during its singing.
5	B. I-C, II-D, III-A, IV-B	Section 2 covers the Flag and Constitution, Section 3 the National Anthem, Section 3A a minimum 1 year for repeat convictions, and the Bill extends protection to Vande Mataram.
6	B. Up to 3 years imprisonment, fine or both	The Bill's proposed punishment is imprisonment up to 3 years, fine or both.
7	A. I and II only	Statement III is wrong because Section 3A was inserted through the 2003 Amendment, not the original Act.

National Tribunals Commission: MCQ practice

1	D. 25 years	The Bill requires Technical Members to have at least 25 years of relevant experience.
2	A. 3 months	The Central Government must complete the appointment process within 3 months of receiving the recommendation.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the three-month appointment deadline does not explain why the committee recommends candidates for each vacancy.
4	D. I-B, II-D, III-A, IV-C	Chairpersons are capped at 70 years, Members at 67 years, the maximum term is five years, and the framework covers 16 tribunals and authorities.
5	A. I and II only	Reappointment is considered in consultation with the concerned Tribunal Chairperson, which makes statement III incorrect.
6	C. Only two	Chairpersons are capped at 70 years, Members at 67 years, and the maximum term is five years, whichever is earlier, so statements I and III are correct.

7	D. National Green Tribunal	The list of 16 covered tribunals and authorities includes the National Green Tribunal.
8	D. 2	The composition includes 2 Judicial Members and 2 Technical Members in addition to the Chairperson.

Components, targets and priority basins

1	A. Over 600 MMTOE	The scheme targets adding over 600 MMTOE of reserves (page 44).
2	D. From 62 to 80 MMTOE	Annual domestic oil and gas production is targeted to rise from around 62 MMTOE to 80 MMTOE (page 44).
3	A. From 1.6 billion to 2.2 billion tonnes of oil equivalent	The resource base is to expand from around 1.6 billion to 2.2 billion tonnes of oil equivalent (page 44).
4	C. Both A and R are true and R is the correct explanation of A	Risk-sharing exists because offshore exploration carries high financial and technological risks (page 44).
5	B. I-D, II-A, III-B, IV-C	Seismic exploration is C, exploratory drilling is A, common infrastructure is B and manufacturing and services is D (page 44).
6	C. I and III only	Statement II is wrong because government support is up to 50%, while I and III match the booklet (pages 43-44).
7	C. Only two	Only II and III are correct, since the scheme is a Central Sector Scheme (page 43).
8	D. Rann of Kutch Basin	The priority regions are Krishna-Godavari, Cauvery, Mahanadi and the Andaman region, not Rann of Kutch (page 44).

Sarnath: inscription, sites and sermon

1	D. 48th session, Busan (Republic of Korea)	The booklet states Sarnath was inscribed during the 48th session of the World Heritage Committee in Busan, Republic of Korea.
2	A. 45	The booklet states that with Sarnath's inscription India has 45 UNESCO World Heritage Sites.
3	A. Dharmachakra Pravartana	The first sermon at Sarnath is known as Dharmachakra Pravartana, meaning Turning of the Wheel of the Law.
4	B. Both A and R are true but R is not the correct explanation of A	Both A and R are true, but R gives a separate fact about the Lion Capital rather than explaining why the pillar carries it.
5	B. I-C, II-A, III-D, IV-B	Chaukhandi Stupa is linked with the meeting of Buddha and his first five disciples, and Mulagandhakuti Vihara with the rainy-season retreat.
6	C. I and III only	Statement II is wrong because the Dhamekh Stupa, not the Chaukhandi Stupa, marks the site of the first sermon.
7	B. Only two	Statements I and II are correct, while statement III is wrong because the Dhamekh Stupa marks the first sermon site.
8	D. Kushinagar	Kushinagar is the place where Buddha died, not an ancient name of Sarnath.

UNCCD and COP17 Recall

1	B. Only two	Statements I and II are correct, while India is a Party and the COP17 theme was 'Restoring Land. Restoring Hope.'
2	A. I and II only	The Convention is one of three Rio Conventions and Egypt will host COP 18, but India is a Party to the Convention.
3	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the land-degradation threat does not explain the tree-planting target.
4	D. I-B, II-D, III-A, IV-C	LDN means land resources remain stable or improve, membership is 197 Parties, the UNCCD is one of three Rio Conventions, and it was adopted on 17 June 1994.

5	D. 40%	The land degradation crisis affects approximately 40% of the world's land surface.
6	A. 77%	Mongolia highlighted that nearly 77% of its territory is affected by land degradation.
7	D. Egypt	Egypt will host UNCCD COP 18 in Sharm El-Sheikh in 2028.
8	A. Conference of the Parties	The Conference of the Parties is the principal decision-making body of the UNCCD.

Global Tiger Day MCQ set

1	D. 29 July	The booklet states that Global Tiger Day is observed annually on 29 July.
2	A. 2010 St. Petersburg Tiger Summit, Russia	The booklet says Global Tiger Day was established at the 2010 St. Petersburg Tiger Summit in Russia.
3	D. 13	The booklet says 13 Tiger Range Countries, including India, adopted the declaration.
4	C. I-B, II-C, III-D, IV-A	The TX2 goal targets 2022, Global Tiger Day was celebrated in 2010, the Big Cat Alliance launched in 2023, and Jim Corbett became the first Tiger Reserve in 1973.
5	D. I and III only	Statement II is wrong because 13 Tiger Range Countries, including India, adopted the declaration.
6	B. Only two	Statements I and III match the booklet, while statement II is wrong because the TX2 goal was to double the population by 2022.
7	A. Vietnam	Vietnam is in the booklet's list of Tiger Range Countries, while the other three options are not in it.

Glaw Lake and Ramsar Basics

1	D. 101st	The booklet states Glaw Lake became India's 101st Ramsar Site.
2	A. Kamlang Tiger Reserve and Wildlife Sanctuary	The booklet lists Kamlang Tiger Reserve and Wildlife Sanctuary as the protected area for Glaw Lake.
3	D. A is true but R is false	Ramsar wetlands also include mangroves and coral reefs, so R is false while A is true.
4	B. I-D, II-C, III-B, IV-A	Montreux Record was launched in 1990, Wetland City accreditation is valid for 6 years, Amrit Dharohar is a joint effort of two ministries, and the Wetlands Rules were notified in 2017.
5	D. I and II only	Glaw Lake is a pristine freshwater lake in the Eastern Himalayas, so statements I and II are correct and III is wrong.
6	C. Only two	The record was launched in 1990 and identifies priority sites, but Chilka Lake was removed from it.
7	A. Tamil Nadu	The booklet states Tamil Nadu has 14 Ramsar sites, the highest of any state.

Glasgow 2026 at a glance: CLAT-style MCQs

1	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but Neeraj Chopra's javelin silver does not explain where the Games were held.
2	A. Ahmedabad	India takes over hosting rights for the 2030 Games in Ahmedabad after Glasgow 2026.
3	B. Only two	Statements A and C are correct, while India fielded no netball team and cricket is not among the 10 sports listed.
4	D. I-D, II-A, III-B, IV-C	The mascot is Finnie, 74 nations and territories took part, 10 sports were featured, and the 2030 Games are in Ahmedabad.

5	A. 74	The booklet states that the Games brought together 74 nations and territories.
6	D. 10	Glasgow 2026 featured 10 sports, which the booklet says is 9 fewer than Birmingham 2022.
7	A. Finnie	The booklet names the Glasgow 2026 mascot as Finnie, inspired by Scotland's National Animal.
8	C. I and III only	Statements I and III match the booklet, whereas India did not field teams in 3x3 Basketball or Netball.

Flag, freedom and the navy

1	C. 18 February 1946	The uprising began at HMIS Talwar in Bombay on 18 February 1946.
2	A. Article 51A(a)	Article 51A(a) mandates respect for the flag and anthem.
3	D. 24	The Ashoka Chakra is a navy blue wheel with 24 spokes.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the election ban under the National Honour Act does not explain the meaning of the white band.
5	A. I-C, II-A, III-D, IV-B	The Ashoka Chakra has 24 spokes, green denotes fertility and growth, the 1907 Kolkata flag had Vande Mataram, and the Flag Code governs display and use.
6	C. I and III only	Statement II is wrong because The Mother of Diamonds was authored in 1955, not 1921.
7	B. Only three	Statements I, II and III are correct, while IV is wrong because the mutiny began at HMIS Talwar in Bombay.
8	D. Subhas Chandra Bose	The INA trials and the legacy of Subhas Chandra Bose strengthened anti-British sentiment among naval ratings.

Dirac Medal: award check

1	D. 1985	The booklet gives 1985 as the year the Dirac Medal was instituted.
2	B. Only two	Statements I and II are correct, while III is false because the medal honours the legacy of Paul Dirac.
3	C. I-C, II-D, III-A, IV-B	The booklet links 1985 to the institution year, US\$5,000 to the prize, ICTP to the presenting body and 1933 to Dirac's Nobel Prize.
4	C. India	The booklet describes Deepak Dhar as an Indian physicist.
5	A. International Centre for Theoretical Physics	The booklet states that the award is presented by the International Centre for Theoretical Physics.
6	A. I and II only	Statements I and II are stated in the booklet, while III is false because the 2026 medal honoured Dirac's legacy rather than being shared with him.
7	D. Erwin Schrödinger	The booklet names Derrida, Sompolinsky and Dhar as 2026 recipients, while Schrödinger appears only as Dirac's 1933 Nobel co-winner.

Refugees, Asylum Seekers and Migrants

1	A. Non-refoulement	The booklet states that refugees cannot be forcibly returned, a principle it names non-refoulement.
2	C. War criminals	The booklet says the refugee framework specifies certain categories, such as war criminals, who do not qualify for refugee status.
3	D. Asylum seekers	The booklet says an asylum seeker receives temporary protection while the application is pending.

4	A. I-D, II-C, III-A, IV-B	The 1967 Protocol removed geographic and time limits, the Global Compact offers a support framework, the Convention on the Rights of the Child advocates for refugee children and Article 14 of the UDHR affirms the right to seek asylum.
5	C. I only	Only statement I matches the booklet, since domestic immigration laws govern migrants and refugees cannot be forcibly returned.
6	B. Only one	Only statement I is correct, since the booklet describes migrants as moving for work, education or better opportunities.

Spanish Territories and the Regional Dispute

1	D. Polisario Front	The booklet says the Polisario Front demands self-determination for the Sahrawi people.
2	C. Morocco	The booklet states that Morocco disputes the status of these territories and has sought their return.
3	A. Migration through Ceuta	The booklet states that the migration issue is closely linked to the Western Sahara dispute.
4	D. Both A and R are true and R is the correct explanation of A	The booklet says changes in these relations have repeatedly influenced migration flows, so the reason explains the assertion.
5	C. I-C, II-A, III-D, IV-B	The booklet links the Polisario Front to the 1976 declaration, Western Sahara to the 1975 annexation, Algeria to support for the Polisario and Morocco to its autonomy proposal.
6	A. III only	Only statement III matches the booklet, since Morocco proposes autonomy and Melilla is a Spanish territory on the North African mainland.
7	B. Only one	Only statement I is correct, since the Polisario Front declared the SADR in 1976 and Algeria supports rather than proposes autonomy.

UNHCR, Its Origins and Indian Law

1	C. UNHCR Nansen Refugee Award	The booklet describes the UNHCR Nansen Refugee Award as an annual honour for exceptional service to refugees, displaced or stateless people.
2	C. Geneva	The booklet lists the UNHCR headquarters as Geneva, Switzerland.
3	A. International Refugee Organization	The booklet says UNHCR was established in 1950 as successor to the International Refugee Organization (1946).
4	C. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the year of the Citizenship Act does not explain which Acts regulate undocumented foreigners.
5	D. I-C, II-A, III-D, IV-B	Nansen led the League of Nations refugee office from 1921, UNHCR was formed in 1950, the Registration of Foreigners Act dates from 1939 and the Passport Act from 1920.
6	C. II and III only	Statement I is wrong because the Nansen Award is awarded by UNHCR, while statements II and III match the booklet.
7	B. Only two	Statements I and III are correct, while the Registration of Foreigners Act dates from 1939.

Where the Sea Lies

1	B. Brunei	The booklet lists Brunei among the countries bordering the sea.
2	D. Luzon Strait	The booklet says the Luzon Strait connects the South China Sea with the Philippine Sea.
3	A. East China Sea	The booklet states that the Taiwan Strait connects the South China Sea with the East China Sea.

4	C. A is true but R is false	A is correct, but the booklet links the Luzon Strait to the Philippine Sea, not the East China Sea.
5	D. I-D, II-A, III-B, IV-C	The Taiwan Strait leads to the East China Sea, the Luzon Strait to the Philippine Sea, the two seas together form the China Sea, and the South China Sea is an arm of the Western Pacific Ocean.
6	C. I and III only	Statements I and III match the booklet, while Thailand is not in the booklet's list of bordering countries.
7	C. Only one	Only the first statement is correct, since the booklet describes the sea as an arm of the Western Pacific Ocean.

Resources and Trade of the Sea

1	C. 11 billion barrels	The booklet cites the US Energy Information Agency for an estimate of 11 billion barrels of oil under the sea.
2	D. UNCTAD	The booklet attributes the 21% trade estimate to UNCTAD.
3	A. More than half of the world's fishing vessels operate in this area	The booklet states that more than half of the world's fishing vessels operate in this area.
4	A. Both A and R are true and R is the correct explanation of A	The yearly share of shipping trade passing through the waterway explains why its traffic matters for global commerce.
5	B. I-C, II-A, III-D, IV-B	The booklet gives 11 billion barrels of oil, 190 trillion cubic feet of gas, 12% of world fisheries and over 21% of global trade.
6	B. I and III only	The gas estimate in the booklet is 190 trillion cubic feet, so statement II is wrong while I and III match the text.
7	C. Only two	Statements I and II match the booklet, while the booklet places the sea in the Western Pacific rather than the Indian Ocean.

Islands and Claims

1	C. Spratly Islands	The booklet lists five claimants for the Spratly Islands, including Brunei and the Philippines.
2	A. Both A and R are true and R is the correct explanation of A	India's maritime commerce passing through these waters is the reason the booklet gives for regional stability mattering to India.
3	D. Scarborough region	The booklet states that the 2012 standoff resulted in China gaining de facto control over the Scarborough region.
4	B. Only two	Statements I and II match the booklet, while India is not listed among the claimants of the Spratly Islands.
5	A. I only	Only statement I matches the booklet, since Brunei does not claim the Paracels and the 1974 control refers to the Paracels, not Scarborough.
6	C. I-D, II-C, III-B, IV-A	The booklet matches each island group with its claimants and notes that Chinese militarisation could threaten Sea Lines of Communication.
7	B. South Vietnam	The booklet says the 1974 control followed the Battle of Paracel Islands, which involved South Vietnam.

Straw Polls and Permanent Member Signals

1	B. The member supports or favours the candidate	Encourage means the member supports or favours the candidate.
2	D. Assessing the relative acceptability of candidates	Straw polls assess the relative acceptability of candidates to Security Council members.
3	C. Until a candidate demonstrates sufficient support	Straw poll rounds continue until a candidate demonstrates sufficient support.

4	B. II only	Straw polls are informal and confidential, and coloured ballots are used in subsequent rounds rather than every round.
5	C. Only one	Only statement II is correct, since rounds are repeated and a Discourage signals a likely veto rather than an appointment.
6	A. Curriculum vitae and vision statements	Candidates generally submit a curriculum vitae, vision statements and other relevant information.

UNSC Structure and the Veto

1	C. The decision is blocked regardless of other support	Opposition from any one Permanent Member blocks a decision regardless of other support.
2	A. Both A and R are true, and R explains A	The UNSC was powerless because of Russia's veto, which a Permanent Member can use to block action.
3	B. I only	Only statement I is correct, since the veto belongs to the five Permanent Members.
4	C. Only two	Statements I and III are correct, while statement II contradicts the rule that any one Permanent Member's opposition blocks a decision.
5	B. They won the Second World War	The booklet states that the five Permanent Members gained permanent membership because they won the Second World War.
6	D. No, it is not eligible for immediate re-election	A retiring member is not eligible for immediate re-election.
7	D. Six	The UNSC is one of the six principal organs of the United Nations.

Cauvery River and its basin: Practice MCQs

1	A. Ganga of the South	The text says the Cauvery is also known as 'Ganga of the South'.
2	B. Only two	Statements I and II are correct, while III is wrong because the Upper Basin lies in Karnataka, the upper riparian state.
3	D. A is false but R is true	The river drains into the Bay of Bengal, so A is false, while its east-flowing nature is stated, so R is true.
4	B. Poompuhar	The text says the river drains into the Bay of Bengal near Poompuhar.
5	A. I only	Only statement I matches the text, since the origin is Talakaveri in Karnataka and the river is called Ganga of the South.
6	C. Krishna Raja Sagara	The text lists Krishna Raja Sagara as a major dam in Karnataka, while the Mokedatu project is only proposed.
7	C. I-C, II-D, III-B, IV-A	The Upper Basin receives the Southwest Monsoon, the Lower Basin the Northeast Monsoon, the origin is Talakaveri, and the dam is in Karnataka.

Mokedatu project and the latest order: Practice MCQs

1	B. Cauvery Water Management Authority	The text says the Cauvery Water Management Authority endorsed the order.
2	D. 3,500 Cusecs	The text says the order directs Karnataka to release 3,500 Cusecs to Tamil Nadu.
3	A. Drinking water	The text says the Mokedatu project aims to provide water for drinking purposes to Bengaluru city.
4	C. A is true but R is false	Tamil Nadu has opposed the project, but it is the lower riparian state, so R is false.
5	C. I and III only	Statement I and III match the text, while II is wrong because the objections were raised in 2018.

6	C. Only two	Statements I and III are correct, while II is wrong because the project is aimed at drinking water for Bengaluru city.
---	-------------	--

Identity and Demand Bases

1	B. Bengali-majority plains	The booklet contrasts the hills' distinct identity with the Bengali-majority plains.
2	C. Fiscal autonomy	The booklet lists insufficient political and fiscal autonomy among the region's economic and developmental concerns.
3	D. Racial stereotyping	The booklet names racial stereotyping alongside identity insecurity as a driver of demands for political recognition.
4	D. A is false but R is true	The booklet lists economic and developmental concerns as a major basis of the demand, so A is false while R is true.
5	B. I-B, II-D, III-A, IV-C	The region's predominant language is Nepali, the Hill Council gave greater autonomy, tea-forestry-tourism is a regional contribution, and infrastructure is a long-standing concern.
6	A. I and III only	Statements I and III match the booklet, while statement II reverses its point that proponents seek recognition within India rather than separation.
7	C. Only two	Statements 1 and 3 are stated in the booklet, while statement 2 is not, so only two are correct.

Talks, Committee and Challenges

1	B. Ministry of Home Affairs	The booklet states that the Ministry of Home Affairs convened the Tripartite Meeting.
2	C. Constitutional Framework	The booklet says the committee will examine the issue within the Constitutional Framework.
3	A. Principal land link between mainland India and the Northeast	The booklet describes the Siliguri Corridor as the principal land link between mainland India and the Northeast.
4	D. A is false but R is true	The booklet describes a fragmented Gorkha landscape with multiple organisations, so A is false while R is true.
5	B. I-D, II-C, III-B, IV-A	The region lies close to Nepal, Bhutan and Bangladesh, Gorkha Janmukti Morcha is among the fragmenting groups, administrative cohesion is a concern, and the economy faces structural and seasonal challenges.
6	C. I and III only	Statements I and III are stated in the booklet, while statement II is contradicted by its point that instability has wider strategic and security implications.
7	A. Only three	Statements 1, 2 and 4 are in the booklet, while statement 3 is not, so exactly three are correct.

NEET-UG 2024 leak and the 2024 Act: MCQ practice

1	C. UPSC, SSC, Railway Recruitment Boards, National Testing Agency and Institute of Banking Personnel Selection	The text lists UPSC, SSC, Railway Recruitment Boards, National Testing Agency and Institute of Banking Personnel Selection as covered bodies.
2	A. Disputed grace marks	The text says the full-marks outcome was aided by disputed grace marks.
3	D. Bihar and Jharkhand	The text places the reported networks in Patna (Bihar) and Hazaribagh (Jharkhand).
4	B. A is false but R is true	The Act is a central law, so A is false, while R correctly describes it as India's first dedicated central legislation.

5	A. I and III only	Statements I and III are stated in the text, while II is contradicted because the outcome was aided by disputed grace marks.
6	C. Only one	Only statement I is correct, since the Act was enacted in 2024 after the NEET-UG 2024 leak.
7	D. 67	The text states that 67 candidates secured full marks.

Special Task Force and task force reforms: MCQ practice

1	A. Only one	Only statement I is correct, since the text links the force to inter-state networks and syndicates, not to a single state or to Wipro.
2	C. I and II only	Statements I and II are stated in the text, while III wrongly assigns the policy-reform mandate to the Special Task Force.
3	A. Inter-state paper-leak networks	The text ties the Special Task Force to inter-state paper-leak networks.
4	D. Unique Identification Authority of India	The text describes him as Founding Chairman of the Unique Identification Authority of India.
5	B. Infosys	The text describes Nandan Nilekani as Co-Founder of Infosys.
6	B. A is false but R is true	Investigating offences is the role of the Special Task Force, so A is false, while R correctly describes the high-powered task force's mandate.
7	D. Union Government	The text states that the Union Government is empowered to establish the Special Task Force.

National Song and National Anthem: Status and Protection

1	C. 24 January 1950	Vande Mataram was declared the National Song on 24 January 1950, the same day Jana Gana Mana was adopted as the anthem.
2	B. Article 51A	Article 51A(a) asks citizens to respect the National Flag and the National Anthem.
3	C. Prevention of Insults to National Honour Act, 1971	The Prevention of Insults to National Honour Act, 1971 already protects the anthem, and the 2026 Bill seeks similar protection for Vande Mataram.
4	D. A is false but R is true	The Constitution does not explicitly recognise a National Song, but Vande Mataram was given that status after independence.
5	B. I-D, II-C, III-B, IV-A	Bankim Chandra Chattopadhyay wrote Vande Mataram, Tagore composed Jana Gana Mana, and the song's imagery is of Goddess Durga.
6	D. I and II only	Statements I and II are correct, while the 1971 Act does not yet cover Vande Mataram.
7	A. Only one	Only statement I is correct, since sittings close with Vande Mataram and the song was written by Bankim Chandra Chattopadhyay.

Tribunals and Ordinary Courts

1	C. An agency created by statute that derives its powers from the State	The booklet describes an Administrative Tribunal as an agency created by statute that derives its powers from the State.
2	B. Impartiality	The booklet states that impartiality is a crucial requirement for judges in a court of law.
3	D. Suits of a civil nature, unless barred by law	Civil courts have judicial authority over suits of a civil nature unless a law bars them.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the power to try special cases does not explain why a tribunal may be a party to a dispute.

5	A. I-D, II-C, III-A, IV-B	Judges in ordinary courts are independent in tenure, tribunal members' tenure is controlled by the Executive, the presiding officer must be trained in law, and a tribunal President or member may be an administrative expert.
6	C. I only	Only statement I is correct, since tribunal members' tenure is controlled by the Executive and legal training is not always required.
7	A. Only one	Only statement 1 is correct, because impartiality is a crucial requirement and civil courts' authority excludes suits barred by law.

Constitutional Framework for Tribunals

1	C. 42nd Constitutional Amendment Act, 1976	Part XIV-A was inserted by the 42nd Constitutional Amendment Act, 1976.
2	A. Articles 323A and 323B	Part XIV-A contains Articles 323A and 323B, which deal with tribunals.
3	B. The Basic Structure	The Supreme Court held that judicial review under Articles 226/227 and Article 32 is part of the Basic Structure.
4	D. A is false but R is true	Article 323A empowers Parliament alone, so A is false, while Article 323B covers Parliament or State Legislatures for specified matters, so R is true.
5	B. I-C, II-D, III-B, IV-A	The ITAT was established in 1941, the Chandra Kumar case held judicial review part of the Basic Structure, the First ARC recommended Civil Services Tribunals, and Article 323B covers Parliament or State Legislatures.
6	C. I only	Only statement I is correct, since Article 323A gives the power to Parliament alone and tribunal decisions remain subject to High Court scrutiny.
7	B. Only two	Statements 1 and 2 are correct, while statement 3 is wrong because the Supreme Court held judicial review is part of the Basic Structure.

Scheme Overview and Context

1	B. Ministry of Petroleum and Natural Gas	The booklet names the Ministry of Petroleum and Natural Gas as the scheme's ministry.
2	C. I-B, II-C, III-D, IV-A	Seismic Exploration, Exploratory Drilling, Common Infrastructure and Manufacturing & Services match A, B, C and D respectively.
3	C. Cauvery Basin	The booklet lists the Cauvery Basin among the priority offshore regions.
4	D. A is false but R is true	The scheme is not a State Sector Scheme, while the risk statement in R is true.
5	B. I and II only	Statements I and II are stated in the booklet, while Samudrayaan belongs to the Deep Ocean Mission rather than this scheme.
6	B. Only two	Statements I and II are correct, while Matsya6000 is not a component of this scheme.
7	A. Technology and Capacity Building	Technology and Capacity Building covers digital programme management, technology adoption and skill development in the booklet.

Significance for the Country

1	A. Imported crude oil and gas	The booklet says greater domestic production can reduce dependence on imported crude oil and gas.
---	-------------------------------	---

2	C. Foreign capabilities	The booklet says indigenous offshore technologies, equipment and services can reduce dependence on foreign capabilities.
3	B. Skilled and supporting employment	The booklet says large-scale exploration and associated infrastructure can generate skilled and supporting employment.
4	C. III only	Only statement III is correct, since the booklet says the scheme reduces dependence on imports and supports the Atmanirbhar Bharat goal.
5	A. Only one	Only statement I is correct, while the State Sector and fishing-only statements are not in the booklet.
6	D. Elimination of the private sector's role in exploration	The booklet lists energy security, Atmanirbhar Bharat and employment, but not the elimination of the private sector's role.

Deep Ocean Mission and Submersible

1	C. Ministry of Earth Sciences	The booklet says the Ministry of Earth Sciences spearheads the Deep Ocean Mission.
2	B. Titanium alloy	The booklet says Matsya6000 is constructed from titanium alloy.
3	C. Three	The booklet says Matsya6000 accommodates three aquanauts.
4	A. Both A and R are true and R is the correct explanation of A	Both statements are in the booklet, and the thrusters are what move the submersible at its stated speed.
5	A. I only	Only statement I matches the booklet, since the budget period is five years and Matsya6000 is made of titanium alloy.
6	B. Only two	Statements I and II are correct, while the booklet says Matsya6000 accommodates three aquanauts.
7	D. Matsya6000	The booklet names Matsya6000 as the submersible used by the Samudrayaan mission.

Sarnath and the World Heritage List

1	B. Only two	Statements I and II are in the booklet, while III is wrong because Khangchendzonga is a mixed site.
2	B. Khangchendzonga National Park	The booklet names Khangchendzonga National Park in Sikkim as India's mixed heritage site.
3	C. Taj Mahal, Agra Fort, Ajanta and Ellora Caves	The booklet lists the Taj Mahal, Agra Fort, Ajanta and Ellora Caves as India's 1983 inscriptions.
4	A. I and II only	Statements I and II match the booklet, while the Red Fort is not among the 1983 inscriptions it lists.
5	C. A is true but R is false	Dholavira is in Gujarat, so the assertion is true while the reason is false.
6	D. I-C, II-A, III-D, IV-B	Each item in List I matches its description in List II as stated in the booklet.
7	A. Bharat Mandapam, New Delhi	The booklet states that the 46th Annual Session was held at Bharat Mandapam, New Delhi.

UNESCO and the World Heritage Convention

1	B. 1975	The booklet says the Convention was adopted in 1972 and formally took effect in 1975.
2	D. Archaeological Survey of India	The booklet names the Archaeological Survey of India as the nodal agency in India.
3	C. ICOMOS and IUCN	The booklet states that ICOMOS and IUCN carry out the assessment before the Committee decides.

4	D. A is false but R is true	The assessment is done by ICOMOS and IUCN, so the assertion is false while the reason is true.
5	A. I-D, II-C, III-B, IV-A	The booklet gives 1972 for adoption, 1975 for entry into force, Paris for headquarters and 1977 for India's ratification.
6	C. I and II only	Statements I and II match the booklet, while the list is administered by the World Heritage Committee, not the Archaeological Survey of India.
7	B. Only two	Statements I and III match the booklet, while II is wrong because the Convention took effect in 1975.

COP17 Finance and Partnerships

1	A. National development planning	The booklet says COP17 promoted Ecosystem Restoration in National Development Planning.
2	B. Only two	The first and third statements match the booklet, while the target of 100 countries contradicts the booklet's figure of 80.
3	D. Landscape-level restoration rather than isolated interventions	The booklet says the crisis highlights the need for landscape-level restoration rather than isolated interventions.
4	C. Business4Land Initiative	The booklet names the Business4Land Initiative as UNCCD's major platform for involving the private sector.
5	B. Both A and R are true but R is not the correct explanation of A	Both statements appear in the booklet, but the aim of supporting 80 countries does not explain the commitments secured.
6	C. I and II only	Statements I and II match the booklet, while III wrongly places the partnership's launch at COP17.
7	A. Strengthening climate and drought resilience	The booklet states that the objective is to use healthy ecosystems as a means of strengthening climate and drought resilience.

India's Land Restoration Programmes

1	B. 2001	The booklet says the plan was introduced in 2001 and revised in 2023.
2	D. Thar Desert	The booklet lists the Thar Desert among the ecosystems the guide seeks to recognise and conserve.
3	A. I-B, II-D, III-A, IV-C	The booklet links Green India Mission with forest restoration, Amrit Sarovar with water bodies, the Aravalli initiative with degraded Aravalli areas, and the action plan with the overarching framework.
4	C. I and III only	Statements I and III match the booklet, while II wrongly gives COP 16 in Riyadh as the launch venue, which was COP17.
5	A. Only two	The first and third statements match the booklet, while the water bodies work belongs to Mission Amrit Sarovar, not the Aravalli initiative.
6	C. Guide to Grasslands and Other Open Natural Ecosystems	The booklet says India launched the Guide to Grasslands and Other Open Natural Ecosystems at COP17.

Global Initiatives: IUCN, NTCA and IBCA (MCQ)

1	B. Cheetah	The seven species are Tiger, Lion, Leopard, Snow Leopard, Cheetah, Jaguar and Puma.
2	B. Asia	The programme supports habitat restoration, anti-poaching and community-led coexistence across Asia.
3	C. 2023	The International Big Cat Alliance was launched in 2023.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but ratifying membership does not explain the number of species covered.

5	D. I-C, II-D, III-B, IV-A	The alliance is India-led, the NTCA initiative is an integrated booking platform, the summit is marked postponed, and the habitat programme is an IUCN initiative.
6	A. I and II only	Statement III is wrong because the alliance covers seven big cat species.
7	B. Only two	Statements I and III are correct, while II is wrong because the alliance was launched in 2023.

Indian Institutions and Milestones (MCQ)

1	A. I and III only	Statement II is wrong because the census runs on a 4-year cycle.
2	B. Only two	Statements I and II are correct, while III is wrong because the authority predates 2010.
3	D. Monitoring System for Tigers - Intensive Protection and Ecological Status	M-STrIPES stands for Monitoring System for Tigers - Intensive Protection and Ecological Status.
4	C. 4 years	The tiger census estimates the population through a 4-year census cycle.
5	B. Export of all wild cat skins	In 1969 the export of all wild cat skins was banned.
6	C. I-C, II-D, III-A, IV-B	The 1969 ban, the 1972 Act, the 2010 M-STrIPES system and the 2023 alliance launch are each matched to their own entry.

Wetlands and Their Forms: MCQ

1	B. Three	The booklet classifies wetlands into three segments: inland, coastal and human-made wetlands.
2	D. Human-made wetlands	Human-made wetlands is one of the three segments named in the booklet.
3	A. Floodplains	The booklet's list of other forms ends with floodplains, after lagoons and lakes.
4	C. Deltas	The booklet's list of water bodies includes deltas, next to wet grasslands and peatlands.
5	B. Both A and R are true and R explains A	A seasonal water cover is the reason a wetland can be covered by water for only part of the year.
6	C. I and II only	Tidal flats are in the booklet's list of forms and human-made wetlands is a segment, while ponds are a form and not a segment.
7	B. Only two	Mudflats and ponds are both named as forms, while the booklet gives three segments and not four.

Ramsar Convention in Brief: MCQ

1	D. Wetlands and Traditional Knowledge: Celebrating Cultural Heritage	The 2026 theme of World Wetlands Day is Wetlands and Traditional Knowledge: Celebrating Cultural Heritage.
2	B. Every 3 years	The booklet states that the Conference of Parties meets every 3 years.
3	A. Convention on Wetlands of International Importance	The official name of the Ramsar Convention is the Convention on Wetlands of International Importance.
4	C. Both A and R are true but R does not explain A	Both statements are true, but the fact that the Convention addresses one ecosystem does not explain how sites are declared.
5	B. I-D, II-C, III-A, IV-B	The Montreux Record was launched in 1990, the Convention came into force in 1975, India became a signatory in 1982 and World Wetlands Day is on 2 February.

6	C. I and II only	Statements I and II match the booklet, while World Wetlands Day is celebrated on 2 February, not 22 March.
7	A. Only one	Only the adoption statement is correct, since the Convention came into force in 1975 and COP meets every 3 years.

Notable Indian achievements at Glasgow 2026

1	B. Jaismine Lamboria	Jaismine Lamboria won the Women's 57 kg boxing gold.
2	A. Asmita Dey and Harsh Singh	Asmita Dey and Harsh Singh were India's first-ever Commonwealth Games gold medallists in judo.
3	C. Birmingham 2022	Neeraj Chopra returned to the Commonwealth Games after missing Birmingham 2022.
4	D. A is false but R is true	Neeraj Chopra won silver, not gold, in the men's javelin throw, while the flag reception in R is correctly stated.
5	B. I-D, II-C, III-B, IV-A	Mirabai Chanu is a weightlifter, Asmita Dey and Harsh Singh won judo gold, Jaismine Lamboria won boxing gold and Neeraj Chopra won javelin silver.
6	C. I and II only	Statement III is wrong because Mirabai Chanu had already won gold at Gold Coast 2018, so Glasgow 2026 was not her first.
7	B. Only two	Statements I and II are correct, while Mirabai Chanu's consecutive golds were won in weightlifting, not boxing.

Defence Pact, Summit and River Treaty

1	C. An attack on all three members	The agreement treats an armed attack against one member as an attack against all three.
2	D. December 2026	The booklet gives the scheduled expiry of the Ganga treaty as December 2026.
3	C. UNESCO	The booklet says UNESCO classified the Naoero language as severely endangered.
4	D. A is false but R is true	The agreement is meant to complement existing mechanisms rather than replace them, so A is false and R is true.
5	B. I-C, II-D, III-A, IV-B	Each List I item matches its List II entry as stated in the booklet.
6	A. I and III only	The 1996 treaty provides no guaranteed minimum flow, unlike the 1977 arrangement, so statement II is false while I and III are true.
7	A. Only one	Only the first statement is correct, since the NATO target is 5% of GDP by 2035 and the Mecca agreement is not aimed at a particular country.

Statistics Bill and Digital Safety

1	C. The President of India	The Bill makes the President of India the Visitor of the Indian Statistical Institute.
2	B. The Board, with the Visitor's prior approval	The Director is appointed by the Board with the prior approval of the Visitor.
3	D. 2 hours	The measures set a 2-hour cumulative daily limit across Instagram and Facebook.
4	D. A is false but R is true	The Bill limits central approval to the first set of regulations, so A is false and R is true.
5	B. I-D, II-C, III-A, IV-B	Each List I item matches its List II entry as stated in the booklet.
6	C. I and II only	The incentive is paid in two instalments, so statement III is false while I and II are correct.

7	A. Only one	Only the first statement is correct, since messaging is not counted within the Meta limit and the Board appoints the Director with the Visitor's prior approval.
---	-------------	--

Prizes, Medals and Maize

1	B. International Mathematical Union	The booklet states that the Fields Medal is awarded by the International Mathematical Union.
2	C. Annapurni Subramaniam	Annapurni Subramaniam, Director of the Indian Institute of Astrophysics, received the 2026 COSPAR Vikram Sarabhai Medal.
3	B. Developing countries	The medal recognises outstanding contributions to space research by scientists from developing countries.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the 1990 establishment does not explain the biennial frequency of the award.
5	D. I-B, II-C, III-D, IV-A	Each List I item matches its List II entry as stated in the booklet.
6	A. I and III only	Statement II is false because recipients must be below 40 years of age, while I and III are correct.
7	A. Only two	Only the first and third statements are correct, since Hong Wang was the third woman to win the Fields Medal.

Type-in-the-answer passages

Refugee and trafficking treaties

1	2000	The booklet dates the Palermo Protocol, on trafficking in persons, to 2000.
2	1949	The booklet states the agency was established in 1949 to assist and protect Palestine refugees.
3	1989	The booklet dates the Convention on the Rights of the Child to 1989.
4	2018	The booklet dates the Global Compact on Refugees to 2018.
5	4	The booklet says the Global Refugee Forum is held every four years.
6	India	The booklet states India is not a signatory to either the 1951 Refugee Convention or the 1967 Protocol.

Antelope Reef Facts

1	Paracel Islands	Antelope Reef is located in the disputed Paracel Islands.
2	680	The reef infrastructure includes a 680-metre wharf connected to a deep-water harbour.
3	6	China has reclaimed an artificial island spanning nearly 6 km at Antelope Reef.
4	Civilian	China maintains that the development serves civilian purposes, including weather monitoring and scientific research.
5	Bastion	Antelope Reef could contribute to a protected maritime 'Bastion' for China's nuclear-powered ballistic-missile submarines.
6	3	The reef has a nearly 3 km straight coastline potentially suitable for an airstrip or runway.

Term, appointment and rotation

1	5	Established UN practice provides for a 5-year term, though the Charter sets no fixed term.
2	1	The term is conventionally renewable once, based on practice rather than an explicit Charter provision.

3	97	Article 97 provides that the General Assembly appoints the Secretary-General on the Security Council's recommendation.
4	regional rotation	Regional rotation is an informal principle that has traditionally promoted geographical representation.
5	5	The five broad groupings are African States, Asia-Pacific States, Eastern European States, Latin American and Caribbean States, and Western European and Other States.
6	No	Regional rotation is a political convention rather than a legally binding provision of the UN Charter.
7	General Assembly	The General Assembly formally appoints the Secretary-General after the Security Council recommends a candidate.

CWMA quick recall

1	2018	The booklet states the Authority was established in 2018 under the Cauvery Water Management Scheme, 2018.
2	5	The Chairperson is appointed by the Central Government for a 5-year term.
3	6A	The booklet says the Authority is notified under Section 6A of the Inter-State River Water Disputes Act, 1956.
4	New Delhi	The headquarters is in New Delhi, under the Ministry of Jal Shakti.
5	2	The Authority has 2 full-time members, alongside part-time members.
6	4	Four part-time members represent Karnataka, Tamil Nadu, Kerala and Puducherry.
7	Jal Shakti	The booklet lists the headquarters as New Delhi (Ministry of Jal Shakti).

Institutions and Challenges Recall

1	1988	The booklet states that the Darjeeling Gorkha Hill Council was established in 1988 following the 1980s agitation.
2	2011	The booklet states that the Gorkhaland Territorial Administration was established in 2011 as a more empowered autonomous arrangement.
3	Pankaj Kumar Singh	The booklet states that the Union Government constituted a committee headed by Pankaj Kumar Singh.
4	Siliguri Corridor	The booklet states that the Darjeeling region occupies the Siliguri Corridor, also called Chicken's Neck.
5	Gorkha Janmukti Morcha	The booklet names the Gorkha Janmukti Morcha and the Gorkha National Liberation Front as groups that make a common position difficult.
6	11	The booklet states that the committee will work out a roadmap for granting Scheduled Tribe status to 11 Gorkha communities.

Speedy trial TITA

1	2000	The 11th Finance Commission (2000-2005) first recommended Fast Track Courts in 2000.
2	4	Initial Fast-Track Courts were announced in 4 High Courts where NEET-related cases are pending.
3	5	The amendment sets a combined timeline of 5 months: investigation within 2 months and trial within 3 months.

4	P. Ramachandra Rao	P. Ramachandra Rao v. State of Karnataka (2002) held that no fixed time limit can be prescribed for concluding criminal trials.
5	2019	Fast-Track Special Courts were set up under a Centrally Sponsored Scheme in October 2019.
6	3	Appeals before High Courts are to be heard by a 2-Judge Division Bench and disposed of within 3 months.

Vande Mataram history: recall

1	1882	The booklet states the song was published in 1882 in the Bengali novel Anandamath.
2	6	The booklet says the song has 6 stanzas, the first two in Sanskrit and the last four in Bengali.
3	Rabindranath Tagore	The booklet says Tagore sang it at the 1896 INC Session in Calcutta.
4	1907	The booklet records that in 1907 Bhikaji Cama unfurled the flag at Stuttgart with the song inscribed.
5	Sarala Devi Chaudhurani	The booklet says Sarala Devi Chaudhurani sang it at the Varanasi Congress Session in 1905.
6	2	The 1937 decision limited national gatherings to only the first two stanzas.
7	Swadeshi Movement	The booklet says the song became the rallying cry of the Swadeshi Movement after the Partition of Bengal (1905).

National Green Tribunal: typed answer practice

1	2010	The NGT is a statutory body established in 2010 under the National Green Tribunal Act, 2010.
2	New Delhi	The NGT's principal place of sitting is New Delhi, with regional benches at Kolkata, Bhopal, Pune and Chennai.
3	4	The regional benches are at Kolkata, Bhopal, Pune and Chennai, which makes four.
4	6	The NGT is mandated to dispose of appeals within 6 months of their filing.
5	90	Appeals can be filed in the Supreme Court within 90 days.
6	2006	The NGT excludes the Wildlife Protection Act, 1972 and the Forest Rights Act, 2006 from its jurisdiction.
7	Chief Justice of India	The NGT Chairperson is appointed by the Central Government in consultation with the Chief Justice of India.

Outlay and risk-sharing

1	84,084	The financial allocation table gives a total of 84,084 crore (page 43).
2	10,000	Common Offshore Infrastructure Hubs receive 10,000 crore (page 43).
3	2,000	Oil and Gas Manufacturing and Services Zones receive 2,000 crore (page 43).
4	50	The government supports up to 50% of eligible drilling costs (page 44).
5	60	The allocation includes 60 Deepwater Exploratory Wells (page 43).
6	2030-31	The implementation period runs up to FY 2030-31 (page 43).
7	6-7	Existing oil and gas fields face natural production declines of around 6-7% annually (page 43).

Buddha's life and Buddhist teachings

1	563	The booklet gives Siddhartha's birth as 563 BC.
2	487	The booklet lists Kushinagara as the place of Buddha's death in 487 BC.
3	Tathagata	The booklet states that Buddha referred to himself as Tathagata.
4	3	The booklet states that the teachings were divided into 3 Pitakas at the First Buddhist Council.
5	8	The booklet describes the Atthanga Magga as the 8-Fold Path to end suffering.
6	Nirodha	The booklet names Nirodha as the Noble Truth that suffering could be ended.
7	Mahakashyapa	The council table lists Mahakashyapa as the chairman of the First Council.

Drought Policy Recall

1	Luxembourg	The DRIF was launched by UNCCD and Luxembourg.
2	de-risk	DRIF uses public finance to de-risk investments and attract private and institutional capital.
3	Drought Resilience Index	The Drought Resilience Index was introduced as a comprehensive technical instrument for assessing national preparedness against drought.
4	anticipatory	The index aims to shift drought management from post-disaster relief to anticipatory planning and resilience-building.
5	1.3	Around USD 1.3 billion in new and pipeline funding was announced at COP17.
6	No	Countries could not reach consensus on a legally binding global agreement on drought.
7	COP 18	From COP 18 onwards, drought will receive a standalone agenda item.

Tiger reserves TITA set

1	58	The booklet states that there are currently 58 Tiger Reserves in India.
2	Madhya Pradesh	The booklet says Madhya Pradesh leads with 9 reserves, followed by Maharashtra and Karnataka.
3	Corbett	The booklet lists Corbett with 260 tigers as the reserve with the highest tiger abundance.
4	Nagarjunsagar Srisailem	The booklet identifies Nagarjunsagar Srisailem as the largest Tiger Reserve in India.
5	3682	The booklet states that India's tiger population increased to 3682 in 2022.
6	1973	The booklet says Project Tiger was established in 1973 to support preservation of tigers in India.
7	Bor	The booklet identifies Bor in Maharashtra as the smallest Tiger Reserve in India.

Wetland Policy Tools

1	6	Wetland City accreditation is valid for 6 years, as the booklet states.
2	2015	The booklet says the Wetland City Accreditation Program was approved at COP 12 in 2015.

3	Ministry of Tourism	The Amrit Dharohar scheme is a joint effort of the Ministry of Tourism and MoEFCC.
4	2017	The booklet says the Wetlands (Conservation and Management) Rules were notified in 2017.
5	SAC	The National Wetland Decadal Change Atlas was prepared by the Space Applications Centre (SAC, ISRO).
6	Devi Patan	The Nature-Culture Tourism Corridor will be developed between Ayodhya and Devi Patan in Uttar Pradesh.
7	high-value nature tourism	The scheme's primary focus is transitioning from high-volume tourism to high-value nature tourism.

History of the Games: short answers

1	1978	The booklet states that the event was officially renamed Commonwealth Games in 1978.
2	Hamilton	The first Games were held in 1930 at Hamilton, Canada.
3	British Empire Games	The first Games were held under the original name 'British Empire Games'.
4	Melville Marks Robinson	The concept of the Games is credited to Canadian sportswriter Melville Marks Robinson.
5	Triple Jump	Gordon Smallacombe won the first gold medal in the Games' history in the Triple Jump.
6	2010	India hosted the Games in New Delhi in 2010.
7	1934	The booklet gives India's participation in the Games as beginning in 1934.

Wildlife, index and energy

1	22446	The synchronous All India Population Estimation (2021-25) put India's wild elephant population at 22,446.
2	176	India ranked 176th of 177 countries in the Environmental Performance Index 2026.
3	891	The Asiatic lion population rose from 523 in 2015 to 891 in 2025.
4	Estonia	Estonia topped the Environmental Performance Index 2026, while India ranked 176th.
5	1965	Gir Wildlife Sanctuary was established in 1965.
6	Narmada	The Omkareshwar Floating Solar Park is located on the Narmada River in Madhya Pradesh.
7	33	India has 33 Elephant Reserves and 150 identified elephant corridors.
