

CLAT Express - September 2026: Answer Key

Multiple-choice passages

Houthi Movement Check

1	A. Ansar Allah (Supporters of God)	The booklet states the Houthi movement is officially known as Ansar Allah, meaning Supporters of God.
2	D. Zaidi Shia Muslims	The booklet says the Houthis are primarily composed of Zaidi Shia Muslims and members of the Houthi tribe.
3	D. Hussein al-Houthi	The booklet names Zaidi religious leader Hussein al-Houthi as the founder, while Abdul-Malik al-Houthi is the current leader.
4	B. Both A and R are true but R is not the correct explanation of A	The booklet gives the Houthi takeover, not the 2017 airport missile attack, as the cause of the Saudi-led intervention.
5	A. I-D, II-C, III-A, IV-B	Hussein al-Houthi was the founder, Abdul-Malik al-Houthi is the current leader, Hadi was Saleh's deputy, and Rashad al-Alimi is President.
6	C. I and III only	Statement II is wrong because the booklet says the Houthis are Zaidi Shia, while statements I and III match the booklet's ideology section.
7	B. Only two	Statements I and III are correct, while the booklet says the Houthis claimed an attack on the airport rather than capturing it.
8	D. 2014	The booklet says the Houthis seized Saada and captured Sanaa in 2014.

Indus Waters Treaty: MCQ practice

1	D. World Bank	The booklet states that the treaty was facilitated by the World Bank.
2	A. Ravi, Beas and Sutlej	The booklet lists the Eastern rivers Ravi, Beas and Sutlej as those over which India has exclusive and unrestricted use.
3	D. Article XII(4)	The booklet quotes Article XII(4) as saying the treaty shall continue in force until terminated by a duly ratified treaty.
4	B. Both A and R are true and R is the correct explanation of A	The booklet states the treaty has no terrorism provisions, which is why the tribunal did not treat cross-border terrorism as a material breach.
5	A. I-B, II-C, III-D, IV-A	The booklet says the Commission meets at least once a year and the Neutral Expert addresses technical differences.
6	C. I and II only	Statement III is wrong because the booklet says the Court of Arbitration consists of 5 members, not three.
7	D. Only two	Statements II and IV are correct, while I and III are contradicted by the booklet, which says India did not participate and the treaty has no terrorism provisions.
8	A. Treaty on Treaties	The booklet notes that the Vienna Convention on the Law of Treaties earns the title 'Treaty on Treaties'.

Cardiff Pact MCQ set

1	D. Michelle O'Neill	Michelle O'Neill, Sinn Fein Vice President, is the Northern Ireland signatory, while party president Mary Lou McDonald only attended.
2	D. Plaid Cymru	The booklet lists Rhun ap Iorwerth as Wales, Plaid Cymru.
3	B. I-C, II-D, III-B, IV-A	Each Act or agreement is matched to the function the booklet assigns to it.
4	C. I and III only	Statement II is wrong because the Good Friday Agreement was signed at Belfast, so only I and III are correct.

5	B. Only two	Statement I is wrong because the agreement was signed at Belfast, while II and III match the booklet.
6	D. 55.8%	The booklet records Northern Ireland at 55.8% Remain, while Scotland was at 62%.
7	D. 1801	The booklet states the Act of Union of 1801 brought Ireland into the United Kingdom.

Act provisions check

1	A. Reduced to 100%	The enacted tariff of up to 100% on the five largest purchasers is a substantial reduction from the 500% original proposal.
2	A. Both A and R are true and R explains A	The Act names no country, but its criteria place major buyers such as India and China within its scope, which explains why India is affected.
3	D. I-D, II-A, III-B, IV-C	The review of purchasers is on a 180-day cycle, the facilitator tariffs target the Top 5, Russian-origin goods face up to 500%, and the Iran Sanctions Act runs through 2031.
4	B. I and III only	Statement II is wrong because the review cycle is 180 days, not 90 days.
5	C. Only two	Statements A and B are correct, while C is wrong because the signing was on 18 September and D is wrong because the Act names no individual country.
6	D. Formal justification to Congress	The Act requires a presidential waiver to come with formal justification to Congress.
7	D. Struck it down	The Supreme Court struck down the broader tariff regime that included the earlier 25% punitive tariff in February 2026.
8	A. Secondary sanctions	The text describes the growing use of secondary sanctions and tariff instruments to influence the behaviour of third countries.

Joint Commission: Practice MCQs

1	A. September 2026, Islamabad	The Commission was operationalised in September 2026, with its inaugural meeting held in Islamabad.
2	D. 2013 Pakistan-China Agreement on Boundary Management System	The Commission originates from the 2013 Pakistan-China Agreement on Boundary Management System.
3	A. Both A and R are true and R is the correct explanation of A	India has rejected the mechanism because, in its view, Pakistan has no locus standi over territory it regards as under illegal occupation.
4	B. I-D, II-C, III-B, IV-A	Khunjerab is the principal overland link, Shaksgam was ceded to China, CPEC runs from Kashgar to Gwadar, and the Joint Commission supervises border management.
5	D. I and III only	The agreement was signed on 2 March 1963 and transferred about 5,180 sq km of Shaksgam Valley, which India has never recognised.
6	A. Only one	The Shaksgam Valley lies north of the Siachen Glacier in the Karakoram region, and India has never recognised the 1963 agreement.
7	D. Gwadar	CPEC connects Kashgar in Xinjiang with Gwadar Port in Balochistan, through Pakistan.
8	A. Khunjerab	The Khunjerab Crossing/Corridor serves as the principal overland connection between China and Pakistan.

Properties of map projections

1	A. Relative areas	Equal-area projections preserve relative areas, as the Equal Earth projection does.
---	-------------------	---

2	B. Only two	Statements I and III are correct, while Equal Earth was created in 2018, not 1973.
3	B. I and II only	Robinson is a compromise projection that preserves no single property exactly, so statement III is incorrect.
4	A. Both A and R are true and R is the correct explanation of A	The booklet states that matching the stretching of parallels with that of meridians is how Mercator preserves shapes.
5	C. I-D, II-A, III-B, IV-C	Gall-Peters was first presented in 1855, Robinson was devised to balance size and shape, Winkel Tripel was created in 1921, and Equal Earth was created in 2018.
6	D. Winkel Tripel	In 1998, the Winkel Tripel projection replaced Robinson in National Geographic Society maps.
7	A. Its rotation and uneven distribution of mass	The booklet attributes the oblate shape to Earth's rotation and uneven distribution of mass.
8	D. 1569	The Mercator projection was introduced in 1569 by Gerardus Mercator.

CEC Appointment and Removal: MCQ Set

1	D. A is false but R is true	Article 326 guarantees adult suffrage, not a fundamental right to vote, while Kuldip Nayar held the right to vote is statutory, so A is false and R is true.
2	C. I-B, II-D, III-A, IV-C	Article 325 bars exclusion from rolls, Article 326 guarantees adult suffrage, Article 324 gives supervisory authority, and Articles 327 and 328 let the ECI act where laws are silent.
3	D. Election Commission (Conditions of Service of Election Commissioners and Transaction of Business) Act, 1991	The 2023 Act replaced the Election Commission (Conditions of Service of Election Commissioners and Transaction of Business) Act, 1991.
4	B. I and III only	Statement I and III are correct, while statement II is wrong because the CEC is not eligible for re-appointment.
5	C. Only two	Statements I and II are correct, and statement III is wrong because the Act allows the Selection Committee to function despite vacancies.
6	A. Mohinder Singh Gill v. Chief Election Commissioner (1977)	The Mohinder Singh Gill judgment (1977) is described as a cornerstone for defining the ECI's plenary powers under Article 324.
7	D. 25 January	National Voters' Day is celebrated on 25 January since 2011 to mark the ECI's foundation on 25 January 1950.
8	A. V.S. Ramadevi	V.S. Ramadevi was the first woman CEC and held the shortest tenure, of 16 days.

Programme 2.0 and Its Pillars

1	A. July 2026	The booklet states that Semicon India Programme 2.0 was approved in July 2026.
2	D. Rs 1,27,500 crore	The booklet gives the enhanced outlay of Programme 2.0 as Rs 1,27,500 crore.
3	A. 12	The booklet states that 12 semiconductor projects have been approved across 6 States.
4	D. A is false but R is true	Programme 2.0 is described as giving sustained, long-term support, so the assertion is false while the reason is true.
5	B. I-D, II-A, III-B, IV-C	The booklet links the C2S Programme to EDA tools, DLI to over 5 years, PLI to incremental sales and the ChipIN Centre to C-DAC.

6	C. I and III only	Talent development and advanced packaging are two of the six pillars, while the original programme was launched in 2021 and 2.0 was approved in July 2026.
7	D. C2S Programme and DLI Scheme	The booklet states that the ChipIN Centre at C-DAC was established under the C2S Programme and the DLI Scheme.

Framework and rules check

1	A. 15 October 2026	The booklet states that the new MDR framework comes into effect from 15 October 2026.
2	D. 0.4%	The mid-value slab attracts an MDR of 0.40% of the transaction value.
3	A. 2020	The booklet says the zero-MDR policy was introduced in 2020 to encourage digital adoption.
4	B. I-C, II-A, III-D, IV-B	Capital-market payments carry 0.02% MDR, P2P payments are exempt, and sector-specific payments attract a flat ₹5 per transaction.
5	A. I and II only	MDR is not a government tax and its revenue stays within the payment ecosystem, so statement III is wrong.
6	B. Only two	The booklet places NPCI's headquarters in Mumbai, so statement III is wrong and statements I and II are correct.
7	D. Mumbai	The booklet lists NPCI's headquarters as Mumbai, Maharashtra.

Finance, Trade and Customs MCQs

1	B. Only two	Only statements II and III match the booklet, since the Risk Lab is in GIFT City and the Task Force uses local currencies.
2	A. Authorised Economic Operator Action Plan 2026	The booklet states that the summit launched the BRICS Tax Cross-Learning Lab and the Authorised Economic Operator Action Plan 2026.
3	D. I and II only	Statements I and II match the booklet, while statement III is wrong because the Payment Task Force uses local currencies.
4	D. GIFT City, Gujarat	The booklet places the BRICS Risk Lab in GIFT City, Gujarat, where it aims to strengthen reinsurance capabilities.
5	C. I-B, II-D, III-A, IV-C	The Risk Lab matches C, the Jaipur Consensus matches D, the Startup Fund matches A and the Payment Task Force matches B, per the booklet.
6	A. Unpaid invoices	The booklet says the Jaipur Consensus helps MSMEs convert unpaid invoices into working capital.
7	A. Local currencies	The booklet states that the Payment Task Force facilitates trade settlements through local currencies.

26th SCO Summit: MCQ set

1	D. Beijing	The SCO Secretariat is the permanent administrative body and is located in Beijing, China.
2	C. 2023	Iran joined as a full member in 2023, after India and Pakistan had become full members in 2017.
3	A. Bishkek Declaration	The Bishkek Declaration was adopted as the summit's principal political document, while the New Delhi Declaration came from India's 2023 summit.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the economic role of the Heads of Government council does not explain why the Heads of State council is the highest body.

5	D. I-D, II-C, III-A, IV-B	The Shanghai Five was created in 1996, the Charter was signed in 2002, Iran joined in 2023 and Belarus became a full member in 2024.
6	A. I and II only	Statements I and II are correct, while III is wrong because India became an observer in 2005 and a full member only in 2017.
7	C. Only two	The dates and India's representation are correct, while Sadyr Japarov, not Kassym-Jomart Tokayev, chaired the summit.
8	D. Lahore	Lahore has been designated SCO Tourism and Cultural Capital for 2026-27.

UNGA, P4M and India's Stand

1	A. Fuel, Food, Fertiliser, Finance	India highlighted global consequences of disruptions involving fuel, food, fertiliser and finance.
2	B. I-B, II-C, III-D, IV-A	The Arctic Council was set up in 1996, the V4 in 1991, and Pituffik was formerly Thule Air Base.
3	D. I and III only	Statement II is wrong because India pursued UNSC reform through the G4 and L.69 groupings.
4	B. Only two	Statement III is wrong because the Arctic Council was established in 1996 through the Ottawa Declaration.
5	A. Denmark	The booklet lists Denmark as the current Arctic Council chair for 2025-2027.
6	C. Permanent membership of the UN Security Council	The V4 unanimously supported India's candidature for permanent membership of the UN Security Council.

Reading the Index

1	C. Iceland	The booklet states that Iceland retained the 1st position for the 17th consecutive year.
2	A. 2006	The booklet says the report was introduced in 2006 by the World Economic Forum.
3	D. I and III only	The report was introduced in 2006 and is an annual flagship publication, so statements I and III are correct.
4	B. Both A and R are true but R does not explain A	The booklet states both facts, but the Reason describes the Forum's base and status rather than explaining why it was founded.
5	C. 20th	The booklet states that the 2026 report is the 20th edition.
6	C. Only three	The four dimensions are Economic Participation and Opportunity, Educational Attainment, Health and Survival and Political Empowerment, so Social Security Coverage is not one of them.
7	D. 145	The booklet describes India's 131st position among 145 countries covered.

Sarvekshan rankings check

1	B. Only two	Statements I and III are correct, while Kalinganagar (not Angul) was first in Category III.
2	A. Firozabad and Guntur	Firozabad and Guntur were joint second in Category II with 195 points each.
3	C. I and III only	Statement I and III are correct, while Indore (not Jabalpur) was second in Category I.
4	C. Indore	Indore secured the 2nd position in Category I with a score of 197, behind Lucknow (198).

5	D. I-D, II-C, III-B, IV-A	Lucknow topped Category I, Rourkela topped Category II, Kalinganagar topped Category III and Amravati was third in Category II.
6	A. Delhi	Delhi was ranked 30th in Category I of the 2026 Sarvekshan.
7	D. Kalinganagar	Kalinganagar (Odisha) emerged as the Category III leader with 198.5 points, ahead of Angul (196.5) and Talcher (193.5).

EOS-05 launch and imaging check

1	C. GSLV-F17	The booklet states that EOS-05 was launched aboard GSLV-F17.
2	D. 2,367 kg	The booklet gives the approximate mass of EOS-05 as 2,367 kg.
3	A. Both A and R are true and R is the correct explanation of A	The booklet says a geosynchronous imaging platform gives persistent, wide-area monitoring, which is why the altitude explains the capability.
4	C. I-D, II-C, III-A, IV-B	The booklet links MEO to GNSS, VLEO to very high resolution, GEO to a fixed ground point and sun-synchronous orbit to consistent solar illumination.
5	C. I and II only	The booklet gives the third stage as cryogenic, so statement III is wrong while statements I and II are stated facts.
6	B. Only two	The booklet describes EOS-05 with optical and infrared payloads, so statement I is wrong while II and III are correct.
7	D. Eye in the Sky	The booklet gives the nickname of EOS-05 as 'Eye in the Sky'.
8	A. It provides persistent, wide-area monitoring instead of intermittent passes	The booklet says a LEO satellite sees a location only when it passes overhead, while a geosynchronous platform gives persistent, wide-area monitoring.

Disputes at Sea, Land and Lake

1	A. 3 nautical miles	Article 10 of the agreement says such ships and submarines should not approach within 3 nautical miles of each other in international waters.
2	C. 6 April 1991	The booklet states that the agreement was signed on 6 April 1991.
3	C. A is true but R is false	A is true because the agreement aims to reduce accidents, but R is false because Article 10 says such ships should not approach within 3 nautical miles.
4	D. I-C, II-D, III-B, IV-A	The Falklands lie roughly 480 km from Argentina's coast, Lake Ontario is the smallest Great Lake, COLREGs set navigation rules, and the Welland Canal links Lake Ontario to Lake Erie.
5	B. II and III only	Lake Ontario is the smallest of the five Great Lakes by surface area, so statement I is false, while II and III are stated in the booklet.
6	B. Only two	Statements I and III are correct, while II is wrong because Argentina became independent from Spain in 1816.
7	A. 99.8	The booklet states that approximately 99.8% of participating islanders voted to retain British Overseas Territory status.
8	D. Spain	The booklet states that Argentina argues it inherited Spain's territorial claims as successor to Spanish colonial possessions in the region.

Blue Bonds and the Navier-Stokes Claim

1	A. Green bonds	The booklet describes the blue bond as a thematic sub-category of green bonds.
2	D. Seven	The booklet states the Clay Mathematics Institute designated seven Millennium Prize Problems in 2000.

3	B. Only two	Statements A and B are in the booklet, while C (2010) and D (2019) contradict the booklet's dates.
4	D. A computer-based proof assistant	The booklet describes Lean as a computer-based proof assistant designed to check mathematical arguments step by step.
5	D. I and II only	Statement III is false because the booklet says the fluid equations describe air as well as water and honey.
6	C. Belize	The booklet states that Belize implemented a Debt-for-Ocean Swap in 2021 to support marine conservation.

Mokha Capture and Red Sea Stakes (MCQ)

1	C. Taiz	The booklet places Mokha in Taiz Governorate.
2	A. Perim and Zuqar	The booklet says the Houthis seized Perim and Zuqar Islands along with Mokha.
3	D. Dhubab	The booklet says government forces moved south towards Dhubab, a coastal area closer to the Bab el-Mandeb Strait.
4	A. Both A and R are true and R is the correct explanation of A	Both statements are in the booklet, and the threat to shipping routes is the reason the location gives Mokha its importance.
5	C. I-D, II-C, III-A, IV-B	Hanish Islands match C, Bab el-Mandeb Strait matches A, the East-West Oil Pipeline matches B, and the earlier attacks match D.
6	B. II and III only	Statement I is wrong because government forces moved south, while II and III match the booklet.
7	B. Only two	Statements I and III match the booklet, while II is contrary to its statement that the capture expanded Houthi control.

Yemen's North-South Divide (MCQ)

1	C. Soviet Union	The booklet states South Yemen was backed by the Soviet Union.
2	A. 1990	The booklet says the two states merged in 1990.
3	D. 1994	The booklet dates the attempted secession and brief civil conflict to 1994.
4	D. A is false but R is true	The booklet says Yemen existed as two countries until 1990, so A is false, while R is stated in the booklet.
5	B. I-C, II-A, III-D, IV-B	Saleh governed North Yemen since 1978, the Southern Movement formed in 2007, the STC expanded in Hadramout and Mahra, and the pro-government bloc receives Saudi backing.
6	B. II and III only	Statement I is wrong because the Southern Movement was formed in 2007, while II and III are stated in the booklet.
7	C. Only two	Statements I and II match the booklet, while III is wrong because the Southern Movement formed in 2007.

Mukalla Strike and UAE Withdrawal (MCQ)

1	C. Mukalla	The booklet describes the airstrikes as being on Mukalla Port.
2	A. Fujairah	The booklet says the consignment came from Fujairah in the UAE.
3	A. Vehicles meant exclusively for UAE forces	The UAE said the shipment consisted of vehicles meant exclusively for its own forces.
4	C. I-C, II-A, III-D, IV-B	Mukalla was struck by Saudi airstrikes, Fujairah is the port of origin, Riyadh alleged an arms transfer, and the UAE presence is limited to counter-terrorism.
5	D. I and III only	Statement II is wrong because the UAE called the claims unfounded, while I and III match the booklet.

6	B. Only two	Statements I and II match the booklet, while III is wrong because the UAE denied any arms transfer to separatists.
---	-------------	--

Court of Arbitration findings: MCQ

1	C. Vienna Convention on the Law of Treaties	The ruling applied the Vienna Convention on the Law of Treaties 1969 when holding the abeyance impermissible.
2	C. Western Rivers	Article III(1) obliges India to let the waters of the Western Rivers flow to Pakistan.
3	D. Concreting of specified parts of the dam wall and power intake beyond prescribed levels	The interim limits bar concreting specified parts of the dam wall and power intake beyond prescribed levels.
4	C. Both A and R are true and R is the correct explanation of A	The finding that no unilateral suspension route exists is the reason given for holding the abeyance impermissible.
5	D. I-D, II-A, III-B, IV-C	Each item is paired with the provision or finding that the ruling and booklet attach to it.
6	C. I only	Only the first statement matches the ruling, since the treaty has no terrorism provisions and abeyance was held impermissible.
7	A. Only two	The first and third statements match the ruling, while the second and fourth do not.

India's objection to the tribunal: MCQ

1	D. World Bank	The Ministry of External Affairs says the World Bank constituted the Court of Arbitration contrary to the treaty.
2	C. Neutral Expert	India's graded sequence sends technical differences from the Commission to a Neutral Expert before any legal dispute.
3	A. Ministry of External Affairs	The Ministry of External Affairs rejected the ruling on behalf of the government.
4	A. Both A and R are true and R is the correct explanation of A	India stayed out of the Court of Arbitration proceedings because it maintains that the tribunal lacks jurisdiction, so R explains A.
5	C. I-C, II-A, III-D, IV-B	Each item is matched to the action or statement that the booklet reports for it.
6	D. II and III only	Statements II and III are reported in the booklet, while India has not recognised the tribunal's legitimacy.
7	B. Only two	The first and third statements are correct, while the second wrongly names the United Nations.

Indus river system: MCQ

1	A. Bokhar Chu Glacier	The Indus originates at the Bokhar Chu Glacier near Mt Kailash in Tibet.
2	D. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the outflow into the Arabian Sea does not explain why the Indus is trans-boundary.
3	A. Satluj	The Chenab joins the Satluj at Panchnad in Punjab, Pakistan.
4	C. Only three	The Satluj joins the Indus above Mithankot, not at Panchnad, so three of the four statements are correct.
5	A. I and II only	India, China and Pakistan have not signed the UN Watercourses Convention, so the third statement is wrong.
6	D. I-D, II-C, III-B, IV-A	Each river is matched to its source as the booklet describes it.
7	C. UN Watercourses Convention	The UN Watercourses Convention of 1997 codified law on non-navigational uses of international watercourses.

Good Friday Agreement and Northern Ireland

1	B. The UK Secretary of State for Northern Ireland	The booklet says the UK Secretary of State for Northern Ireland can call a border poll when required conditions show majority support.
2	A. Only two	Statements I and II are in the booklet, while III is contrary to the refusal described in it.
3	A. Both A and R are true and R is the correct explanation of A	The booklet links the DUP leader's refusal to the Unionist anger over checks between Great Britain and Northern Ireland.
4	C. Irish or British, or both	The booklet says people born in Northern Ireland can hold Irish or British citizenship or both.
5	C. II only	Only statement II matches the booklet, since reunification is subject to a referendum and Safeguarding the Union is a UK command paper.
6	D. Republicans and Unionists	The booklet says the government would be formed on the wishes of both Republicans and Unionists, who would share governance equally.
7	B. I-C, II-D, III-B, IV-A	Each item matches the description the booklet gives for it.

Sanctioning Russia Act: Scope and Review

1	B. Russia ceases military hostilities	The Act lists ceasing military hostilities among the conditions that may affect the framework.
2	A. US Trade Representative (USTR)	The USTR, consulting the Secretaries of State and Energy, must review that list.
3	C. 180-day	The Act provides a 180-day review cycle for relevant purchasers.
4	B. I-B, II-D, III-A, IV-C	The Iran extension runs to 2031, the natural gas threshold is 15%, the Russian-origin goods tariff is up to 500%, and five largest purchasers are covered.
5	C. I and III only	Statements I and III are correct, while II is wrong because the Act names no individual nations.
6	B. Only two	Statements I and III are correct, while II is wrong because the review cycle is 180 days.

Sanctions Act: India and Global Oil

1	B. Increase purchases before potential tariff measures	The booklet says major buyers may increase purchases before potential tariff measures.
2	D. International oil prices	The booklet links removal of substantial Russian crude to additional pressure on international oil prices when alternative supplies fall short.
3	A. Logistical	The booklet describes replacing large volumes of discounted crude as logistically challenging.
4	C. Both A and R are true and R is the correct explanation of A	Both statements are true, and the reason directly explains the effect on transport and manufacturing costs.
5	B. I-B, II-D, III-A, IV-C	Discounted crude improves economics, replacing volumes is logistically challenging, tariffs complicate bilateral trade, and buyers reconfigure energy contracts.
6	C. I and III only	Statements I and III are correct, while II is wrong because the booklet calls replacing large volumes logistically challenging.
7	B. Only two	Statements I and III are correct, while II is wrong because replacing large volumes is logistically challenging.

Sino-Indian Border: States, UTs and Sectors

1	C. Ladakh	The booklet names Ladakh as the one Union Territory that shares the border with China.
---	-----------	--

2	A. Nepal and Bhutan	The booklet lists Nepal and Bhutan as the other neighbours of Sikkim, apart from China.
3	B. Himachal Pradesh	Himachal Pradesh borders China and is part of the Middle Sector, which also covers Uttarakhand.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements appear in the booklet, but the booklet does not present the Xinjiang border as the reason for the length of the segment.
5	C. I and III only	Statement II is wrong because Ladakh has the longest segment and Arunachal Pradesh has the second longest.
6	A. Only two	Statements I and II are in the booklet, while Himachal Pradesh is in the Middle Sector, not the Eastern Sector.
7	D. South Tibet	The booklet says China claims part of Arunachal Pradesh as South Tibet.

Border Management Mechanisms and Agreements

1	C. Special Representatives on Boundary Question	The Special Representatives on Boundary Question, set up in 2003, is the highest political-level mechanism for a final settlement.
2	A. Working Mechanism for Consultation and Coordination	The Working Mechanism for Consultation and Coordination handles LAC incidents but has no mandate to settle the boundary.
3	B. 1996 Confidence-Building Measures Agreement	The 1996 Confidence-Building Measures Agreement restricted military activities and the use of weapons near the LAC.
4	D. Corps Commander-level Meetings	Corps Commander-level Meetings are the high-level military negotiations used for tactical disengagement and buffer-zone arrangements.
5	D. A is false but R is true	The booklet says the Working Mechanism has no mandate to settle the boundary, although it does coordinate responses to LAC incidents.
6	C. I and II only	Statements I and II match the booklet, while the Special Representatives mechanism was set up in 2003, not 1993.
7	B. Only two	Statements I and II are in the booklet, while the Working Mechanism was set up in 2012, not 2003.

Mercator Projection: Shape, Size and Grid

1	B. Maritime navigation	The booklet states that the Mercator projection was primarily designed to assist maritime navigation.
2	C. Straight lines	Rhumb lines appear as straight lines on the Mercator grid, which makes it useful for navigation.
3	A. Democratic Republic of Congo	The booklet says that, in reality, Greenland is roughly the size of the Democratic Republic of Congo.
4	D. A is false but R is true	The Mercator projection does not preserve relative area, while the exact matching of stretching is a true property of the grid.
5	B. Cylindrical and conformal	The Mercator projection is classified as a cylindrical and conformal projection.
6	A. II only	Only statement II is correct, since the Mercator projection does not preserve area and Antarctica appears larger than its true size.
7	B. Only two	Statements I and III are correct, while II and IV contradict the booklet's classification of the Mercator projection.

Other Projections and Mapping in India

1	C. 1973	The booklet states that Arno Peters popularised the Gall-Peters projection in 1973.
---	---------	---

2	A. Robinson	The Robinson projection is described as a compromise projection with meridians curving gently towards the Poles.
3	D. A is false but R is true	Robinson is a compromise projection that does not preserve any one property exactly, while its aim to balance size and shape is stated in the booklet.
4	B. I and III only	Statements I and III match the booklet, while the Winkel Tripel projection is dated to 1921, not 1963.
5	A. I-D, II-C, III-B, IV-A	James Gall first presented Gall-Peters, Arthur H. Robinson devised Robinson, Oswald Winkel created Winkel Tripel, and the Survey of India was established in 1767.
6	B. Only two	Statements I and II are correct, while the head is the Surveyor General and the headquarters is not in Bengaluru.
7	C. Ministry of Science and Technology	The booklet names the Ministry of Science and Technology as the nodal agency for the Survey of India.

Status and Powers of the Election Commission

1	C. Quasi-judicial power	The booklet lists party recognition disputes and symbol allocation under the quasi-judicial power of the ECI.
2	D. When the purity of the electoral process is compromised	The booklet says the ECI can order a re-poll if it believes the purity of the electoral process has been compromised.
3	B. After the election process	Judicial review of ECI actions usually comes after the election process so as not to disrupt the conduct of elections.
4	A. Both A and R are true and R is the correct explanation of A	The booklet ties the ECI's independent action where laws are silent to the scope of its powers under Articles 327 and 328, so R explains A.
5	C. I and III only	Statement I and III match the booklet, while statement II reverses the timing of judicial review.
6	B. Only two	Statements I and III are correct, while statement II describes the quasi-judicial power instead.
7	D. Part XV	The booklet places the ECI under Articles 324 to 329, which form Part XV of the Constitution.

The EVM and the VVPAT

1	B. Paravur, Kerala	The booklet states that EVMs were first used in the Paravur Assembly Constituency of Kerala in 1982.
2	D. 7 seconds	The slip stays exposed through the transparent window for 7 seconds before it is cut and falls into the sealed drop box.
3	B. Bharat Electronics Ltd	The booklet says the EVM was developed by Bharat Electronics Ltd (Bangalore) and Electronic Corporation of India Ltd (Hyderabad).
4	A. I-C, II-D, III-A, IV-B	The booklet places the Control Unit with the Polling Officer, the Balloting Unit in the booth, and VVPAT was first introduced in the Noksen bye-election in 2013.
5	C. I and II only	Statements I and II match the booklet, while statement III gives the wrong year, as the EVM was first used in Kerala in 1982.
6	B. Only two	Statements I and III are correct, while statement II gives 10 seconds instead of the 7 seconds stated in the booklet.

Why Semiconductors Matter: MCQ

1	D. Aerospace	The booklet lists aerospace among the sectors where semiconductors are widely used.
---	--------------	---

2	C. 4.3	The booklet gives the value of the global electronics industry as approximately USD 4.3 trillion.
3	A. Silicon and germanium	The booklet names silicon and germanium as examples of semiconductor materials.
4	B. I-C, II-D, III-B, IV-A	Leading-edge processors match tens of billions of transistors, the electronics industry matches USD 4.3 trillion, silicon and germanium match semiconductor materials, and COVID-19 matches supply chain vulnerabilities.
5	A. I and II only	Statement III is wrong because semiconductor materials have conductivity between conductors and insulators, not greater than conductors.
6	C. Only two	Statement II is wrong because the booklet says COVID-19 exposed vulnerabilities from concentration, not dispersion, in supply chains.

SEMICON India and the Programme: MCQ

1	C. PM Modi	The booklet states that PM Modi inaugurated SEMICON India 2026.
2	D. Bengaluru	The booklet says the first edition of SEMICON India was held in Bengaluru in 2022.
3	A. 2021	The booklet says the Semicon India Programme was launched in 2021.
4	C. Both A and R are true but R is not the correct explanation of A	Both statements are in the booklet, but the list of organisers does not explain why the event is a flagship conference.
5	B. I-D, II-C, III-B, IV-A	The theme is Silicon to Systems, the 2026 venue is Yashobhoomi, the programme was launched in 2021 and SEMI is the co-organiser.
6	D. I and II only	Statement III is wrong because PM Modi inaugurated SEMICON India 2026 at Yashobhoomi, New Delhi, not Dholera.
7	B. Only two	Statement II is wrong because the event is organised by the India Semiconductor Mission, MeitY and SEMI, not the Ministry of Commerce.

Why the MDR framework was introduced

1	C. Technological improvements and new payment solutions	The booklet says revenue can support technological improvements and new payment solutions under the Innovation reason.
2	A. Support for Small Businesses	The booklet lists the continued zero-MDR benefit for eligible small merchants under Support for Small Businesses.
3	A. Both A and R are true and R is the correct explanation of A	The booklet lists reduced dependence on public funding as a reason, and it says a self-funded ecosystem achieves this.
4	C. I-B, II-C, III-D, IV-A	Each reason in List I is paired with its stated description in List II in the booklet.
5	B. I and III only	The booklet says UPI needs continuous infrastructure investment and that revenue can support new solutions, but MDR is not a government tax.
6	B. Only two	Statements I and III match the booklet's reasons, while the booklet says MDR is distributed among several participants, not only NPCI.
7	D. Public-sector advertising	The booklet lists cybersecurity, innovation and infrastructure development as reasons, but never public-sector advertising.

MDR, UPI and NPCI basics

1	B. Banks, payment service providers and other relevant participants	The booklet says MDR is distributed among banks, payment service providers and other relevant participants in the payment ecosystem.
---	---	--

2	B. Real-time, 24/7, instant and interoperable transactions	The booklet describes UPI as a real-time, 24/7, instant and interoperable payment system.
3	D. Italy	Italy does not appear in the booklet's list of countries that accept UPI, which includes Nepal, Qatar and Mauritius.
4	C. I-C, II-A, III-D, IV-B	Each term in List I is matched with its description in List II as given in the booklet.
5	A. II and III only	Statements II and III match the booklet's country list, while the booklet explicitly says MDR is not a tax.
6	C. Only two	Statements I and III are in the booklet, while the booklet says UPI was developed by NPCI, not by the RBI.

BRICS 2026 Summit Overview

1	D. Bharat Mandapam	The booklet lists the 18th BRICS Leaders' Summit as held in New Delhi at Bharat Mandapam.
2	A. I-D, II-C, III-B, IV-A	Each theme word matches its booklet definition: resilience with challenges, innovation with technologies, cooperation with collaboration, and sustainability with growth.
3	C. I and III only	The Energy meeting was in Gurugram and the Transport meeting was the 3rd, while the Friendship Cities Conclave was held in Mumbai.
4	B. Only two	The Urbanisation Forum was the 13th and the Transport meeting the 3rd, while the Energy meeting was the 11th.
5	D. BRICS Transport Ministers' Meeting	The booklet lists Nagpur, Maharashtra as the host city of the Transport Ministers' Meeting.
6	A. Himalayan Gucci mushrooms	The booklet says India showcased regional products through Gucci Marmik, which featured Himalayan Gucci mushrooms.

Science and Digital Outcomes

1	A. Open-source digital public goods	The booklet says pilot projects were initiated for sharing scalable, open-source digital public goods.
2	C. II and III only	Only terms were drafted for the proposed Space Council, so statement I is incorrect.
3	D. Space	The booklet says terms were drafted for a proposed BRICS Space Council.
4	B. Only two	GRAIN is a research infrastructure network, not a grain exchange, so only the first two statements are correct.
5	D. I-B, II-D, III-A, IV-C	Each initiative matches its stated aim in the booklet: satellite data with disaster risk and climate, GRAIN with pooled resources, the incubator with entrepreneurship, and the smart grid centre with renewable integration.
6	C. Global Research Advanced Infrastructure Network	The booklet expands GRAIN as the Global Research Advanced Infrastructure Network.

Security and Global Governance

1	C. China	The booklet confirms China as host of the 19th BRICS Summit in 2027.
2	B. The 2025 Pahalgam terror attack	The booklet says BRICS condemned cross-border terrorism and the 2025 Pahalgam terror attack.
3	D. A is false but R is true.	BRICS only urged progress towards the convention, so the assertion is false while the reason is true.

4	C. I-D, II-A, III-B, IV-C	Each item matches its booklet description: the Ezulwini and Sirte texts with African representation, CONNECT with gig workers, the 3R Framework with its three terms, and Ethiopia and Indonesia with the ICAO Council.
5	A. I and II only	Statement III is incorrect because China, not Russia, is confirmed as host of the 19th summit.
6	B. Only two	BRICS CONNECT focuses on gig workers rather than farmers, so statements I and III are correct.
7	A. Illegally acquired national assets	The booklet gives the network's aim as facilitating recovery of illegally acquired national assets.

SCO membership and bodies

1	C. 2017	India and Pakistan became full members of the SCO in 2017.
2	B. Tashkent	RATS is based in Tashkent, Uzbekistan.
3	D. Mongolia	Mongolia is one of the two observer states, along with Afghanistan.
4	A. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the Charter signing in 2002 does not explain the establishment in Shanghai.
5	D. I-B, II-C, III-D, IV-A	The Council of Heads of Government covers economic cooperation, the Secretariat is the permanent body, RATS covers counter-terrorism and the Shanghai Five was set up to address border issues.
6	B. I and II only	Statements I and II match the booklet, while the SCO is not described as a military alliance (the CSTO is).
7	C. Only one	Only statement I is correct, since Pakistan and Tajikistan are full members rather than observers.

India's SCO engagement

1	A. Both A and R are true and R is the correct explanation of A	The booklet links India's refusal of the BRI to CPEC passing through disputed territories.
2	A. Chabahar Port and INSTC	Chabahar Port and INSTC reduce dependence on Pakistan-controlled transit.
3	B. Kazakhstan, Kyrgyzstan, Tajikistan and Uzbekistan	The SCO provides institutional access to Kazakhstan, Kyrgyzstan, Tajikistan and Uzbekistan.
4	D. Only two	Statements I and II are correct, while India did send a contingent of 87 members.
5	C. Regional Anti-Terrorist Structure	The Regional Anti-Terrorist Structure frames terror financing and radicalisation as collective regional concerns.
6	B. I-D, II-C, III-A, IV-B	Soft power pillars are Ayurveda and Buddhism, the Games were held in Bishkek, the initiative is in the UNESCO register and the implementation gap is slow progress on payments and corridors.
7	C. I and III only	Statement II is wrong because the 2026 Games were held in Bishkek, not Astana.

Reformed Multilateralism: MCQ

1	B. Developing countries and the Global South	India said these disruptions hit developing countries and the Global South disproportionately.
2	D. De-risking and diversification	India called for de-risking and diversification to make global supply chains more resilient.
3	C. G4 and L.69	The text says India has pursued UNSC reform through groupings such as the G4 and L.69.

4	A. Both A and R are true and R is the correct explanation of A	India argued that geopolitical fragmentation and strategic competition are putting existing institutions under pressure.
5	C. I-B, II-A, III-D, IV-C	Strategic chokepoints are a supply-chain risk, guardrails cover emerging technologies, representation is sought for global institutions, and comprehensive reform applies to the UN Security Council.
6	A. I and II only	India called for transparency and inclusive decision-making, but the text says 4F disruptions hit developing countries disproportionately, not developed economies.
7	B. Only one	Only statement I is correct, since II contradicts the call for diversification and III names the wrong groupings.

Visegrad Group: MCQ

1	B. I-D, II-A, III-B, IV-C	The group is named after a town in Hungary, its members are the four Central European countries, all four belong to the EU and NATO, and the economic and cultural areas are listed as cooperation areas.
2	D. 1991	The V4 was established in 1991, following the end of the Cold War.
3	D. I only	Only statement I is correct, since defence and security is a listed cooperation area and the name comes from a town in Hungary.
4	C. Only one	Only statement I is correct, since the V4 was established after the Cold War and all four members belong to both the EU and NATO.
5	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the number of members does not explain their EU and NATO membership.
6	C. Austria	The four members are the Czech Republic, Hungary, Poland and Slovakia, so Austria is not a member.
7	A. Defence and security	The text lists defence and security among the V4's areas of cooperation.

Arctic Council: MCQ

1	B. Ottawa Declaration	The Arctic Council was established in 1996 through the Ottawa Declaration.
2	D. Japan	Japan is not among the member nations listed in the text.
3	C. Every 2 years	The text states that chairmanship alternates every 2 years.
4	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but the Council's purpose does not explain the year of its establishment.
5	B. I-D, II-C, III-B, IV-A	Canada chaired the Council in 1996-1998, India has been an observer since 2013, the main focus is climate change, and the Council is an inter-governmental platform.
6	A. I only	Only statement I is correct, since the member nations are the eight listed countries and India has been an observer since 2013.
7	C. Only two	Statements I and III are correct, while II wrongly names maritime trade routes as the main focus.

India's Gender Gap Profile

1	C. 30%	The booklet says women's share of ministers peaked at 30% in 2019.
2	B. Both A and R are true but R is not the correct explanation of A	Both statements are supported by the booklet, but the 0-100 scale does not explain why the economic score is lower.
3	A. 13.6%	The booklet gives women as 13.6% (74) of the 18th Lok Sabha in 2024.

4	B. Only two	Statements I and III match the booklet, while II wrongly uses the 24.5% political empowerment score for senior leadership.
5	D. I and II only	Statements I and II match the booklet, while III gives the 2019 peak rather than the 2026 share of 5.9%.
6	B. 5.9%	The booklet states that women are 5.9% of ministers, compared with a peak of 30% in 2019.
7	C. I-B, II-C, III-D, IV-A	The booklet gives India's scores as 96.6% for education, 95.6% for health, 41.2% for economic participation and 24.5% for political empowerment.

Swachh Vayu Diwas Practice Quiz

1	B. Ministry of Environment, Forest and Climate Change	The booklet states that the Ministry of Environment, Forest and Climate Change organised Swachh Vayu Diwas 2026.
2	C. 2019	The booklet says the UN General Assembly designated the International Day in 2019.
3	D. Clean Air for Climate Action	The booklet gives the 2026 theme of the International Day as 'Clean Air for Climate Action'.
4	C. 7 September 2026	The booklet states that Swachh Vayu Diwas 2026 was observed on 7 September 2026.
5	B. I only	Only statement I matches the booklet; the 2026 theme is 'Clean Air for Climate Action' and the Ministry of Environment, Forest and Climate Change organised the day.
6	C. Only two	Statements I and II match the booklet, while statement III gives the wrong date of 7 September 2026.

Pollution Control Tools and Laws Quiz

1	B. Ministry of Earth Sciences	The booklet describes SAFAR as a Ministry of Earth Sciences initiative to monitor city-wide and localised air quality.
2	D. 2020	The booklet lists Bharat Stage VI as mandatory from 2020.
3	B. Indian Agricultural Research Institute	The booklet states that the Pusa Bio-Decomposer was developed by the Indian Agricultural Research Institute (IARI).
4	A. Poor	The booklet says GRAP measures kick in only when air quality shifts from Poor to Very Poor.
5	B. Both A and R are true but R is not the correct explanation of A	Both statements are true, but sowing seeds in the cleared area does not explain why the machine uproots stubble.
6	C. I and III only	Statements I and III match the booklet, while statement II wrongly gives 1986 for the Water Act, which was enacted in 1974.
7	A. Only two	Statements I and III match the booklet, while statement II is wrong because SAFAR is a Ministry of Earth Sciences initiative.

Orbits: LEO, MEO and GEO

1	B. About 90 to 120 minutes	The booklet gives the orbital period of Low Earth Orbit as around 90 to 120 minutes.
2	D. Medium Earth Orbit	The booklet says Medium Earth Orbit provides a balance between coverage area and signal latency.
3	B. It may appear to move North-South	The booklet notes that a geosynchronous satellite may appear to move North-South, unlike a geostationary one.
4	C. Both A and R are true and R is the correct explanation of A	The booklet ties the fixed appearance of a geostationary satellite to its zero-degree orbit over the Equator, moving with Earth's rotation.
5	A. I-D, II-C, III-A, IV-B	Low Earth Orbit matches C, Medium Earth Orbit matches A, Very Low Earth Orbit matches D and Geostationary Orbit matches B.

6	C. I and III only	Statement II is wrong because the booklet names navigation as the main use of Medium Earth Orbit, while I and III are stated for Low Earth Orbit.
7	A. Only one	Only statement I is correct, since Medium Earth Orbit lies above Low Earth Orbit and a geostationary satellite has zero-degree inclination.

EOS-05 Imaging Uses

1	D. Urban transport planning	The booklet lists disaster management, strategic and national security, and agriculture and environment as the three application areas.
2	D. Mineral exploration	The booklet lists weather monitoring, disaster management, early warning and emergency response, but not mineral exploration.
3	B. Rapidly developing events	The booklet refers to cyclones, cloudbursts, flash floods and forest fires as rapidly developing events.
4	D. Both A and R are true and R is the correct explanation of A	The booklet says crop insurance claims are streamlined because manual experiments are replaced by objective satellite indices.
5	C. I-C, II-D, III-A, IV-B	Optical sensors match C, high altitude matches D, strategic and national security matches B and agriculture and environment matches A.
6	A. I and II only	Statement III is wrong because the maritime domain is listed under strategic security, while I and II are stated in the booklet.
7	A. Only one	Only statement I is correct, since crop insurance claims use satellite indices and forest fire monitoring belongs to agriculture and environment.

EU Associate Membership Proposal

1	C. Article 217	The booklet cites Article 217 of the TFEU as the basis for negotiating a special Association Agreement.
2	A. Unanimous approval in the Council and consent of the European Parliament	An Association Agreement needs unanimous approval in the Council of the EU and the consent of the European Parliament.
3	D. Geneva	The consensus was reached in Geneva under the UN Convention on Certain Conventional Weapons.
4	B. Both A and R are true and R is the correct explanation of A	Treaty revision is hard because all 27 Member States must agree, which is why R explains A.
5	C. I-D, II-C, III-A, IV-B	The Vienna Convention dates to 1985, the Montreal Protocol to 1987, the Kigali Amendment to 2016, and CITES was signed in 1973.
6	B. I and III only	Statements I and III are correct, while II is wrong because an Association Agreement needs Council unanimity and Parliament's consent.
7	A. Only two	Statements I and II are correct, while III is wrong because the Kigali Amendment mandates a phase-down, not a phase-out.

Political Funding, Time Standard and Schemes

1	B. I and II only	Statements I and II are correct, while III is wrong because the Standard Meridian passes through Uttar Pradesh, Madhya Pradesh, Chhattisgarh, Odisha and Andhra Pradesh.
2	C. Article 324	Article 324 vests superintendence, direction and control of elections in the Election Commission of India.

3	B. I-D, II-C, III-B, IV-A	Section 29A covers registration, 29B voluntary contributions, 29C contribution reports, and Section 13A tax exemptions.
4	A. Only two	Statements I and II are correct, while III is wrong because past beneficiaries of PM Swanidhi in the past five years are not eligible.
5	A. Legal Metrology Act, 2009	The booklet states that the IST Rules were notified under Section 52 of the Legal Metrology Act, 2009.
6	D. CSIR-National Physical Laboratory	The booklet names CSIR-National Physical Laboratory in New Delhi as the custodian of India's national time standard.

Space, Orangutans and Film Awards

1	C. Greater One-Horned Rhinoceros	The booklet identifies the Greater One-Horned Rhino as the largest of the five species, with its major population in Kaziranga.
2	B. Ujung Kulon National Park	The booklet states that Ujung Kulon National Park, a UNESCO World Heritage Site, is home to the last remaining wild Javan rhinos.
3	D. Keep the Five Alive	The booklet gives the 2026 theme of World Rhino Day as 'Keep the Five Alive'.
4	A. Both A and R are true and R is the correct explanation of A	The booklet states that commercial trade in orangutans is prohibited under CITES, so R explains A.
5	C. I-C, II-D, III-B, IV-A	The Cosmic Dark Ages match A, PRATUSH matches B, the Roman telescope matches C (Falcon Heavy launch), and CosmoCube matches D.
6	B. II and III only	Statements II and III are correct, while I is wrong because orangutans are not native to India.
7	A. Only two	Statements I and III are correct, while II is wrong because the National Film Awards were established in 1954.

Upper Bhadra Trial Run

1	C. Chitradurga Branch Canal	The booklet names the Chitradurga Branch Canal as the route used in the trial run.
2	B. National Project Status	The booklet says the project is the first Karnataka irrigation project to receive National Project Status.
3	D. Gangamoola Peak	The booklet places the origin of the Bhadra River in the Western Ghats near Gangamoola Peak.
4	D. A is false but R is true	The booklet says the Bhadra joins the Tunga at Koodli rather than flowing directly into the Krishna, so only R is true.
5	B. I-B, II-C, III-D, IV-A	The booklet links the origin to the Western Ghats, the confluence to Koodli, the Tungabhadra to the Krishna and the Krishna system to the Bay of Bengal.
6	C. I and III only	Statement II is wrong because the booklet makes the Tungabhadra a tributary of the Krishna, not the Godavari.
7	A. Only one	Only the first statement matches the booklet, since the Tungabhadra forms at Koodli and the Krishna drains into the Bay of Bengal.

Ladakh Constitutional Framework

1	A. Ministry of Home Affairs	The booklet says the Ministry of Home Affairs proposed the new chapter.
2	C. Directly Elected Legislative Body	The booklet describes the proposal as envisaging a Directly Elected Legislative Body at Union Territory level.
3	C. Article 240	The booklet says legislative areas applicable to Union Territories under Article 240 may also form part of the proposal.

4	D. A is false but R is true	The booklet lists several expected powers beyond land, so A is false while R is true.
5	B. Local culture, traditions and language	The booklet lists local culture, traditions and language among the expected powers.
6	B. I and III only	Statement II contradicts the booklet, which lists land among the expected powers.
7	A. Only one	Only the first statement matches the booklet, since the body is described as directly elected and the Ministry of Home Affairs made the proposal.

National Accounts Revision

1	A. Ministry of Statistics and Programme Implementation	The booklet says the Ministry of Statistics and Programme Implementation released the revised series.
2	C. 2022-23	The booklet gives 2022-23 as the new base year of the revised series.
3	B. Double deflation	The revised series adopts double deflation for Manufacturing Gross Value Added.
4	D. A is false but R is true	The booklet lists several measures beyond production, so A is false while R is true.
5	D. United Nations System of National Accounts	The booklet says the estimates are prepared broadly in accordance with the United Nations System of National Accounts.
6	C. I and III only	Statement II is wrong because the Ministry of Statistics and Programme Implementation released the revised series.
7	B. Only two	The first two statements match the booklet, while the base year is 2022-23, so only two are correct.

Type-in-the-answer passages

Peace Deals Recall

1	13	The booklet dates the Stockholm Agreement to 13 December 2018, reached in Sweden.
2	2451	The booklet says the Security Council endorsed the Stockholm Agreement under resolution 2451 (2018).
3	3	The Stockholm Agreement has three main components: the Hudaydah, Prisoner Exchange and Taiz agreements.
4	UN	The booklet says a UN-chaired committee including both sides oversees the withdrawal of forces.
5	Houthis	The booklet says the Houthis will withdraw from the ports and from Hodeidah City under the agreement.
6	2015	The booklet dates the Saudi-led intervention to 2015, aimed at reinstating the internationally recognised government.
7	17	The booklet says the Hodeidah ceasefire came into effect from midnight on 17 December 2018.

Dispute mechanism: typed answers

1	5	The booklet states that the tribunal consists of 5 members.
2	Annexure G	The booklet says the Court of Arbitration is constituted under Annexure G of the treaty.
3	World Bank	The booklet states that the Neutral Expert is appointed through a mechanism involving the World Bank.

4	2016	The booklet says the World Bank paused both processes in 2016 over concerns about conflicting outcomes.
5	2022	The booklet states that in 2022 the World Bank allowed the two processes to move forward.
6	Ratle	The booklet identifies the Ratle Hydroelectric Project (850 MW) on the Chenab River as the subject of the interim limits.
7	90	The booklet says the restrictions are expected to remain relevant until 90 days after the Neutral Expert issues its final determination.

Union history TITA set

1	1801	The Act of Union of 1801 brought Ireland into the United Kingdom.
2	1536	Wales was incorporated through the Act of Union of 1536.
3	1922	Most of Ireland became independent in 1922, after the Anglo-Irish War.
4	Scotland Act 1998	The Scotland Act 1998 established the Scottish Parliament and devolved substantial domestic powers to it.
5	Kingdom of Great Britain	The Acts of Union, 1707 united the English and Scottish Parliaments into the Kingdom of Great Britain.
6	1998	The Good Friday (Belfast) Agreement was signed on 10 April 1998.

Legal tools check

1	2026	The text states that in February 2026 the U.S. Supreme Court struck down the broader tariff regime.
2	1962	Section 232 is described as being of the Trade Expansion Act, 1962.
3	301	Section 301 of the Trade Act, 1974 allows the USTR to investigate foreign trade practices.
4	Executive Order	The earlier 25% punitive tariff on India was based on an Executive Order.
5	Formal justification	The presidential waiver under the Act requires formal justification to Congress.
6	50	The United States imposed tariffs of 50% on steel, aluminium, copper and certain related products.
7	10	India faces a 10% tariff connected with a U.S. investigation into goods produced using forced labour.

Disputed Lines: TITA Set

1	Xinjiang	China administers Aksai Chin as part of its Xinjiang Autonomous Region.
2	1914	The McMahon Line was demarcated in 1914 during the Simla Convention.
3	19 November	China unilaterally declared a ceasefire on 19 Nov 1962.
4	3	The LAC is divided into three sectors: Eastern, Middle and Western.
5	Zhou Enlai	The term was introduced in 1959 by Chinese Premier Zhou Enlai.
6	Eastern	The Eastern Sector comprises Arunachal Pradesh and Sikkim.
7	73	The 2017 Doklam plateau standoff was a 73-day confrontation between India and China.

Equal Earth and the Correct the Map campaign

1	Togo	Togo led the resolution, which it promoted through its Foreign Minister.
2	164	The resolution was supported by 164 countries, including India.
3	United States	The United States voted against the resolution.
4	6	Six countries, including Estonia and Ukraine, abstained.
5	African Union	The African Union endorsed the campaign in August 2025, and the Caribbean Community backed it too.
6	2018	Equal Earth was created in 2018 by three cartographers.
7	Robert Dussey	The resolution was led through Togo's Foreign Minister, Robert Dussey.

Electoral Rolls and SIR: Typed Answer Set

1	1952	The booklet lists SIRs beginning with 1952-56, followed by 1957, 1961 and later years.
2	11	Voters not in the 2003 Bihar rolls had to submit any of 11 listed documents to prove date or place of birth.
3	2003	The booklet states that the last SIR in Bihar was held in 2003.
4	21	The 61st Amendment lowered the voting age under Article 326 from 21 years to 18 years.
5	Lal Babu Hussein	Lal Babu Hussein vs Electoral Registration Officer (1995) struck down the guidelines allowing deletion on mere suspicion.
6	21(3)	Section 21(3) of the RPA, 1950 empowers the ECI to direct a fresh revision of electoral rolls.
